35th Anniversary

Get the best permanent wave you ever
got in your life. Don't let anyone tell
you that your hair is bad, because we
always give good permanents no
matter what kind of hair you may
have: fine, baby fine, medium, coarse,
bleached, over-bleached, dyed hair, or
the type that becomes limp, lifeless.

The permanent you'll get will have strength
and resiliency and won't relax under any cir-
cumstances. It will have the soft wave of a
natural curl—it will bring back life and lustre
to your hair.
