Jews Trying to Break Blockade of All Four Highways Into City

By the Associated Press

CAIRO, May 29.—Arab troops began an attack today in modern Jerusalem. Jews, short of water and food, tried desperately to break a blockade of all four highways entering the city.

Lgion guns pounded Jewish concentrations in New Jerusalem as raging fires swept the ancient Jewish ghetto in the Old City. There Israeli remnants, with food and ammunition gone, surrendered yesterday after a five-month siege topped off by an 11-day pounding from the guns of King Abaullah's Arab Legion.
