Leon Chatelain, Jr., president of the Board of Trade, yesterday was named chairman of the dedication ceremonies for the new Metropolitan Police Boys' Club, No. 4, at 816 Sixth street S.W., at 3 p.m. Sunday.

The appointment of Mr. Chatelain was announced by Robert C. Simmons, president of the Boys' Club Board of Directors, and Supt. of Police Robert J. Barrett.

Mr. Chatelain said a parade will start at 2:45 p.m. at Sixth street and Constitution avenue, proceeding to the clubhouse. Maj. Barrett will lead the parade. He will be followed by youngsters from the various Police Boys' Clubs, police officers, the Board of Directors, the Metropolitan Police Band and the Boys' Club Band.

Among those expected to attend the ceremonies after the parade are the Commissioners, a number of Supreme Court and District Court judges, Congressmen and families of the children.

Mr. Simmons will serve as master of ceremonies, Mr. Chatelain said. A special platform has been built in front of the clubhouse. It will be

decorated in red, white and blue, as will the clubhouse interior. Mrs. Joseph L. Arnold, president of the club auxiliary, will head a large delegation of women and Mrs. Barrett, wife of the superintendent, will be chairman of a tea after the dedication.

A policeman and a club member will be on hand to explain the activities to be carried on in each clubhouse room.

Prince Georges Man Found Dead in Gas-Filled Car

John Francis Jackson, sr., 74, of 6401 Sixty-first place, Riverdale Heights, Md., was found dead in his car yesterday on the road between Merrifield and Annandale in Fairfax County.

A hose led from the exhaust pipe into the car. The motor was running, police said, and a note was found in the car. Police said Mr. Jackson was pronounced dead by a private physician who said he died of carbon monoxide poisoning.

Mr. Jackson's car was parked about 500 yards from the driveway of the home of one of his sons, police said, but they did not have the name of the son.

Mr. Jackson lived at the Riverdale Heights address with his wife and son-in-law and daughter, Mr. and Mrs. Nell McKay. He was a retired railroad engineer.
