Army Navy Edges
Belle Haven, 67-63

The Army Navy swimming team, trailing by 6 points, swept the last two events of a dual meet at Belle Haven to win, 67-63, highlighting the program of nine meets held by the Country Club Amateur Swimming Association.

The Army Navy swimmers are the newcomers to the association and their dominance in the six-man relays, in which each swimmer does one length of the pool, gave them the close victory.

Other meets included:
Argyle-Kenwood—Argyle swimmers had more than they could handle in the powerful Kenwood Black team. Score 96-36.

Prince Georges-Columbia—Columbia swimmers rolled up the score over Prince Georges beating them 94-38.

Edgemoor-Washington G&CC—Swimming in their home pool, Washington Golf and Country Club gave Edgemoor a run for their money. But Edgemoor won, 77-54, by taking the final relays.

Columbia-Chevy Chase—The visiting Columbia swimmers set four pool records for a 73-59 victory. Columbia's Chris Martens, swimming one length of the 100-foot pool in the boys 8 class, set a record of 22.7

seconds. Doing two lengths of the pool Tim Miller went the distance in a record 36.5. Columbia's Jeff Scholtz in the boys unlimited class broke the record set last week by Eddie Sears of Chevy Chase. He did the two lengths in 33.5 seconds. The boys 6-man freestyle relay made up of strong Columbia swimmers set a new pool record for the six lengths of 1:52.5.

Manor-Argyle—At Argyle, the home team put up a valiant fight against a determined and unbeaten Manor team, but were downed 88-47.

Kenwood-Prince Georges—Kenwood remained unbeaten by downing Prince Georges, 87-45.

Belle Haven-Edgemoor—A valiant Belle Haven team swimming at Edgemoor went down to defeat, 105-27. Edgemoor swimmers set five new pool records.

Sue Lujack, competing in the girls 10 class, did the 25 yards in 14.6 seconds. Both the boys and girls junior medley relays consisting of three swimmers, one doing a length backstroke, one a length breaststroke, and one a length butterfly, set new records. The boys went the distance in 57.7 seconds, the girls in 58.7 seconds. The 6-man freestyle relays, both boys and girls churned over the course in record times of 1:29.4 for the girls and 1:20.5 for the boys.

Congressional-Washington G&CC—In an opening meet of the season for Congressional their swimmers swept all the relays to down Washington Golf and Country Club's team in the Washington Golf and Country Club pool 101½ to 28½.

Essig Favored
In Public Links
With Eight Left

HONOLULU, July 14 (AP)—Don Essig III of Indianapolis, the 1957 champion, was favored today to win the 35th annual Public Links golf tournament.

Essig was one of the eight remaining players who managed to break 150 in qualifying. Two of the three medalists—Owen Douglass, Jr., of Honolulu and Richard Hopwood of Phoenix, Ariz.—were eliminated yesterday.

If Essig can win again he will become the first double winner since 1933. Charles Ferra of San Francisco won in 1931 and came back to win it again in 1933. Prior to that, Carl Kauffmann of Pittsburgh was the only double winner. Kauffmann put together a three-title string in 1927, 1928 and 1929.

Essig, a Louisiana State student, played like a pro yesterday as he advanced to the third round with a pair of convincing victories.

Beats Off Rally

In the morning he staved off a rally in the middle of the back nine by Tom Jenkins, Jacksonville, Fla., and won the match, 2 and 1. Essig held a 3-up lead at the turn but Jenkins tied it at the 15th. Essig was ahead by the pressure, shooting a par on the 16th and ending the match on the 17th with a birdie three.

In the afternoon he beat Ray Borseth of Minnesota, 4 and 3. Essig was ahead by only one hole at the 12th but he chipped in for an eagle 3 on the 13th, birdied the 14th and the 15th and the match was over.

In today's third round Essig, figuring qualifying scores, faced his toughest test against Felix Clavern, Stockton, Calif., who qualified with a 147, one stroke

JoAnne Gunderson Playing
Mrs. Downey in Trans-Miss

CINCINNATI, July 14 (AP)—If there are any complaints about the 30th annual Women's Trans-Mississippi golf tournament they must be coming from Texas.

The Lone Star State qualified three girls for the championship flight but the pairings placed them so close together only one will be left when today's third round is finished. They will have killed each other off.

Wanda Sowell of Tyler, Texas, eliminated Sandra Palmer of Fort Worth yesterday. Today she faced another opponent from her own State—Tiny Sandra Haynie of Austin, who was the hottest shooter in the field in yesterday's second round. Miss Haynie was five under par in crushing Mrs. Bert Craig of Cincinnati, 7 and 6.

Yesterday's second round brought the elimination defending Champion Mrs. Ann Casey Johnstone of Mason City, Iowa. She was a 3-and-2 victim of blond Mrs. Barbara Slobe, a 20-year-old typist from Waukegan, Ill., the 1958 Illinois women's champion.

That left Marya Ann Downey of Baltimore as the only former winner of the Trans-Miss still in the field. Miss Downey, who won in 1951, had to go 19 holes to win from Diana Hoke of Pittsburgh. Today Miss Downey met

Douglass, who eliminated Defending Champion Bill Wright of Seattle in the first round, 3 and 2, was beaten by fellow Honolulu Hung Soo Ahn, 1 up, in 19 holes yesterday.

Hopwood, who topped Walt Russell, Aurora, Colo., 4 and 2, was ousted by Andonian, 1 up. T/Serg. Hank Miracle of Washington, D. C., a member of the Air Force Band at Bolling Air Force Base, was eliminated in the first round by Hank Magnaris of San Francisco, 4 and 3.

Marlins in Red

MIAMI, July 14 (AP)—William MacDonald, owner of the last place Miami Marlins of the International League, said yesterday he expects to lose \$125,000 on the baseball team this season.

JoAnne Gunderson of Kirkland, Wash., one of the hot favorites for the title. Miss Gunderson, the National Intercollegiate champion and a 1960 Curtis Cup team member, was a 4-3 victor over Mrs. James Pickrel of Dayton, Ohio. In another match yesterday Mrs. Jason Weiss, Indianapolis, defeated Mary Patton Janssen, Charlottesville, Va., 4 and 2.
