

Hope to see you again sometime."

"Thank you," said Harry.

"But at present," the girl continued, "I must ask you to excuse me. Now, what I want you to do is this—go home in the cab which I will have my servant call."

"Why—why," cried Harry, utterly astounded, "is this really all you want me to do? Don't you know this is a most unusual ending for an adventure of this kind? I never read a story in which there was such an ending after such an adventure."

"Well," the girl replied, arising, "you can hardly wonder at my making the adventure end in this way when I tell you that I am now on my way to a meeting of the 'Society of the Amelioration of the Commonplace,' of which I am president."

And she bowed Harry out of the room.

TO FIGHT PRACTICE OF UNLICENSED DOCTORS

Springfield, Ill., Dec. 7.—Medical school graduates and other young men who are preparing themselves for physicians by acting as assistants in hospitals in Illinois, but who have not secured licenses to practice medicine, will be vigorously prosecuted during the next few weeks, according to a statement by Dr. J. A. Egan, secretary of the state board of health.

According to Dr. Egan, a number of hospitals have been permitting inexperienced and unauthorized youths to act as assistants in the care of the sick and in-

jured, and he intends to stop the practice.

"We notified the hospitals in Chicago some time ago," said Dr. Egan, "that unlicensed physicians should not be allowed to practice on patients, but so far as we can learn, the warning has not been heeded. The board has decided, therefore, to begin prosecutions without further notice."

—o—o— SUBSTITUTE SHIELD OF DAVID FOR RED CROSS

Being opposed to the Christian cross as an emblem, the Jews of Turkey, organizing a hospital corps for the war in Tripoli, have adopted as their mark the Shield of David, shown above.

The corps is called the Mogen David hospital, ambulance and medical corps. Its members will wear on their sleeves the shield of David in red—the same shield King David wore as a coat of arms and later the emblem of Judas Maccabeus in his wars for Jewish freedom.
