Charley White of Chicago speeded up in last three frames of his ten-round bout with Pal Moore at Kenosha last night and earned a clear decision over the New York boy. Both scrappers were marvels of cleverness, but White forced the fighting, and had Moore in distress at the closing gong.

Moore was best in only the fifth and sixth rounds, when he rocked the Chicagoan's head with several stiff rights and lefts. Both boys sealed over the weight agreement, 128 pounds. Moore showed the effects of his battle Monday in New Haven and the long train ride. He was not properly trained. The fighters will be re-matched.

Murphy's ball club has been sued for \$100,000 by a specialty company which furnished the Cub park with cushions. The company says it had a ten-year contract, which it alleges Murphy canceled long before it should have expired.

This is one contract case where Murphy can't ask waivers or fire the other party.

Yamada, the Jap billiard player, defeated Morningstar in the playoff for third place in the 18.2 tourney.

Though the football season does not officially close until Thanksgiving day, tomorrow's game in the east between Yale and Harvard is really the last big game. The only other contest to follow that will interest all sec-

tions is the Army-Navy game Nov. 30. Harvard is the betting favorite, but Yale is a great risk. The winner will be the undisputed collegiate champion.

Locally attention is focused on the game at Marshall Field between Chicago and Minnesota. The winner will get second honors in the Conference. The only obstacle between Wisconsin and the championship is Iowa, and the Hawkeyes are not expected to furnish much resistance to the Badger attack.

Jack Hayden will succeed Jack Tighe as manager of the Louisville Colonels. Exit Mordecai Brown.

To. Glaze Linen.

Dissolve one ounce of yellow soap with half an ounce of borax in one pint of hot water, add two tablespoons of glycerine, the same quantity of turpentine and a teaspoon of common salt, with a quarter of a pound of white starch. Then add a pint more water. The great advantage of this preparation is that it keeps for months, and a polishing iron need not be used.

Shine Silver.

The quick way to clean silver is to put it all into a bowl of soda and soapy water, wash well with a piece of flannel, dry with a clean towel and polish with a piece of chamois.

Portland, Ore.—Eight floors of big Marquam building collapsed. No one injured.
