

TOLEDO HAS THE LARGEST ELECTRIC SIGN

Toledo, O., is a-booming! And Toledo is telling the world all about it. Every one who goes through Toledo gets an eyeful of her boasting. For the Ohio city is doing her boasting on the largest electric sign in the world.

Toledo, O., has something to boast of. It has the largest electric sign in the world.

It is the city slogan sign which was turned on a short time ago and for beauty and size startled the traveling public as well as the natives.
