

JUST VOTES, NO "WILD OATS," FOR WOMEN, DECLARES NIXOLA GREELEY-SMITH

THE FEMINIST WILL NOT DESCEND TO THE LEVEL OF MANS' MORAL STANDARD: SHE SAYS TO MEN: "COME, DWELL WITH ME ON THE MOUNTAIN TOP."

New York.—If the suffragists want to win "votes for women" in 1915 they must foreswear feminism.

This is the edict issued by Beatrice Forbes-Robertson and apparently Dr. Anna Howard Shaw, president of the National Woman's Suffrage Association agrees with her.

Feminism is the club the "antis" are using to knock the cause of woman suffrage. Feminism, they declare, means destruction of the home and abolition of the family.

Now there are not a few women—and I am one of them—who are feminists first and suffragists only because these ARE feminists. It is unfair that we should be hung with all the gross accusations based on a mis-

understanding of what feminism is.

The suffragist believes in political equality with man. To the feminist, political equality is ONLY ONE
