

right to have children by any man "to preserve the nations." But in Europe polygamy is impractical: It costs too much. After the war we will all be too poor for marriage, not

to suggest several wives.

But what of the unborn dead?

Truly, Gen. Joffre was right when he said, "The man who brought about this war had the soul of a devil."

## MORE WEIRD AND WILD DANCES FROM THE COUNTRY OF THE CZAR

Madame Fokina of the Imperial Ballet in one of the Weird dances which she is soon to introduce in the United States.

---

Pack the silver in a barrel of flour while you are away. This will keep the silver bright and fool the burglar:

Wash cane seats of chairs in hot water with a little lemon juice. Soak thoroughly and dry out of doors.
