

striped fox muff Miss Germone carried when she posed for the picture shown at the left. The ball of fur is lined with flaming orange satin and it extends in deep frills at either end

of the muff. The scarf, a ribbon-pike affair of fox, is finished with an exceedingly natural looking head and tail. This, too, is designed by Mayer Miller.

Miss Pearl Germonde of the Hesien Follies De Vogue posing for The Day Book in football muff and scarf. Designed by Mayer Miller; right, Miss Germonde posing in cross-fox muff and "heads and tails" neck piece.
