PRIVATE ARSENALS WOULD BE FINE IN STRIKE RIOTS!

Swift Plan to Have Rifles and Ammunition on Hand
Makes You Wonder How Workers Would Stand
if Real Labor Trouble Broke Out.

Swift & Co., the second largest manufacturing corporation in Chicago, has organized a military company. It has ordered regular army rifles and cartridges and will put the company on a strict regular army footing. If war breaks out between the United States and some other nation then this company will be offered by the packing house millionaires as

their gift to the nation, it is announced.

And if stockyards workers get tired of having among their families the highest death rate among children in all Chicago districts, and if these workers strike and tie up the packing houses in an attempt to get more wages to better feed their children—well, in that case it is not announced
