

POLICE AUDIENCE CHEERS COOLIDGE

Governor Receives Tumultuous Greeting from Worcester Relief Association.

EULOGIZES DEPARTMENT

Urges Higher Salaries for the "First Line of Public Defence."

WORCESTER, Mass., Oct. 2.—The police officer as a public servant was eulogized by Gov. Coolidge in an address here to-day at a luncheon of the Worcester Police Relief Association in connection with their field day. The Governor received a tumultuous greeting, with cheer after cheer from an audience that comprised policemen of this city, police officials of many other cities of the Commonwealth, business men and political leaders. The demonstration was one of the most enthusiastic he has received during his campaigning.

Gov. Coolidge characterized the policeman as "the first line of public defence," from which "he cannot depart until relieved."

"But there is toward the officer," he added, "a corresponding duty of the State. It owes him generous compensation for the dangers he endures for the protection of society."

Mayor Peter F. Sullivan in an address of welcome tendered Gov. Coolidge the freedom of the city. Other speakers included Lieut.-Gov. Channing Cox, Republican candidate for Governor; Major-Gen. David C. Shanks, commanding the Northeastern Department, with headquarters at Boston, and Representative Samuel E. Wilson. Charles E. J. Hildreth, president of the Chamber of Commerce, was toastmaster.

At the end of the luncheon Gov. Coolidge went to the fair grounds for the field meet and watched drills and an athletic programme by members of the police force and by a platoon of the Thirtieth United States Infantry, stationed at Camp Devens.

He went to Northampton late to-day to spend Sunday with Mrs. Coolidge in observing their fifteenth wedding anniversary, which occurs on Monday. He will spend the day quietly. He intends to return to Boston to-morrow night and to attend the funeral of former Senator W. Murray Crane at Dalton on Monday.

HECKLER ASKS \$100,000 DAMAGES FOR ARREST

Lawyer Ryan, Who Interrupted Harding, Begins Suit.

BALTIMORE, Oct. 2.—Edward A. Ryan, a lawyer, of Worcester, Mass., and Washington, who was arrested at the Fifth Regiment Armory on the night of the Harding meeting after interrupting the Republican Presidential nominee with questions about the League of Nations, entered suit to-day for \$100,000 damages against Galen L. Taft, Republican State chairman; John J. Hanson, one of the officials of the meeting; Police Marshal Robert D. Carter, and two patrolmen, for alleged false arrest and malicious prosecution.

The charge of disorderly conduct against Ryan was dismissed in police court the following day, and Chairman Taft sent a letter to Marshal Carter saying that none of those in charge of the meeting had ordered the arrest.

ASKS PROHIBITION VIEWS.

Attorney Would Have Candidates Declare Themselves on Issue.

William H. Hirst, attorney for the New York State Brewers Association, issued yesterday a statement suggesting the candidates for Governor, the Legislature and Congress be asked whether they stand for the Volstead act or favor its repeal or amendment so as to allow light wines and beer.

"We cannot judge whether the candidate for office is 'wet' or 'dry' by his attitude as to enforcement of the law," Mr. Hirst said. "We can determine whether he is 'wet' or 'dry' by what his opinion is as to repeal or amendment of the law which will allow the people light wines and beer."

RECEPTION PLANNED FOR MRS. COOLIDGE

New York Women to Entertain Wife of Vice-Presidential Nominee To-morrow.

TO BUILD HARDING PORCH

Visitor to Help by Driving a Few Nails as Part of Busy Day's Programme.

Mrs. Calvin Coolidge is to have a busy day to-morrow when she arrives from Boston at half-past twelve o'clock to attend a Republican reception and to assist in building the Harding campaign porch which the women's campaign committee has arranged for on the Thirty-fourth street side of the Vanderbilt Hotel. The wife of the Republican nominee for Vice-President may remain a few days to accept some of the numerous invitations that have been extended to her.

Her part in building the porch will be limited to the driving of a few nails

merely to show her interest in this novel idea of the New York State women's campaign committee. After that has been accomplished she will greet several hundred women voters in the Delta Robble room.

Miss Maude Wetmore has arranged for the motor corps girls of the National League of Women's Service to be at Grand Central Station when Mrs. Coolidge's train arrives. The wife of Massachusetts's Governor will be met by a committee including Mrs. Courtlandt Nicoll, chairman; Mrs. Gordon M. Reid, Mrs. Charles Whitman, Mrs. George Genung, Miss Helen Varick Boswell, Mrs. Nelson Henry and Miss Ruth Byers.

The reception committee numbers more than 100, and represents women of the professions and trades, as well as of wealth and society. Among them are Miss Jane Martin, Miss Elizabeth Rowe, Miss Elizabeth Toombs, Mrs. C. G. Cleaver, Mrs. Anna Steese Richardson, Mrs. Francis R. Stoddard, Mrs. A. Parker Nevin, Mrs. Clarence Fay, Mrs. Henry Curran, Mrs. Francis Hugo, Mrs. Alfred Kessler, Mrs. Chauncey Dewey, Mrs. Lois Pierce Hughes, Mrs. Alice Naylor, Mrs. Wallston Hill Brown, Dr. Katharine B. Davis, Mrs. Nathan L. Miller, wife of the gubernatorial nominee; Mrs. Maude Tileston, Mrs. William Peter Hamilton, Mrs. Oliver Harriman, Dr. Grace Peckham Murray, Mrs. Jacob Rills, Mrs. Finley J. Shepard and Mrs. Elton H. Hooker.

Each of the boroughs will send a large delegation as will several of the counties. Philadelphia will send five Republican women. Mrs. Barclay Warburton writes, among the county members in the receiving line will be Mrs. A. S. Tompkins of Rockland county, Mrs. Delancy Kountze of Suffolk county and

Mrs. Joseph Debrazzo of Queens. Mrs. Olive S. Gabriel is chairman of the committee on arrangements.

The reception will be a social affair without speeches. Miss Julia Arthur has consented to sing "The Battle Hymn of the Republic." The Pi Beta Phi society, of which Mrs. Coolidge is a member, has invited the candidate's wife to dinner at the Women's University Club that night and to the theatre. Miss Laura Skinner, chairman of the reception committee, has received word from Mrs. Alice Duer Miller, playwright, and the management of the Bijou Theatre that a box is at the disposal of Mrs. Coolidge any time she desires to see "The Charm School."

The Harding porch will not be used until October 11, when Mrs. Arthur L. Livermore's State executive committee of women will turn it over to the men of the State organization. The porch outdoor meetings thereafter will be in charge of Addison B. Parker, chairman of the speakers' bureau for the State, and Harold G. Arens for New York county. The porch will be the centre for both local and State campaigns.

MAN GONE, COAT ON BRIDGE.

Marine police searched unavailingly yesterday for a man believed to be a Greek whose coat was found beside the footpath parapet of the Williamsburg Bridge. It was believed he had jumped off the bridge. In the coat was a letter asking that a brother, John Stillmankates, 575 Grand street, Brooklyn, be notified. "I have not been successful. I am going to leave this world," the note read. The signature could not be deciphered.

RED CROSS PAID OUT \$10,000,000 IN U. S.

In 7,000,000 Cases Aid Was Given to Soldiers or Their Families at Home.

ACCOUNTING FOR FUNDS

Organization Begins Series of Reports to Show Expenditures in Detail.

WASHINGTON, Oct. 2.—The American Red Cross gave aid to the country's fighting men or their families at some in 7,000,000 cases from the entrance of the United States into the war until last June. The cost was about \$10,000,000. These facts are shown in a statement issued by that organization to-day. The Red Cross also describes how it is continuing in peace to aid the world war veterans.

demobilization of the country's great fighting machine did not end the work of the Red Cross, the announcement detailing the new work begun at the request of the War and Navy departments. In addition to the varied assistance given during the last year to former service men the announcement shows that Red Cross workers were kept at 200 military and naval stations, including fifty outposts along the Mexican border, to look after the welfare of the men.

"Through Red Cross home service sections," said the announcement, "thousands of those who otherwise would have been 'lost men' were placed in touch with governmental agencies that could aid them. The organization also maintained workers in hospitals, furnished recreation facilities and supplies for occupational therapy, in addition to making loans to patients out of funds because of Government compensation checks going astray."

Among the families of the veterans aid was given to thousands monthly; the cases for December, 1919, numbering 34,105, and for June, this year, 15,841. During the intervening period the army decreased its size by three-fourths, while the Red Cross home service declined little more than one-half.

Hundreds of motion picture and other entertainments at hospitals and camps were largely attended, in December the total attendance being 158,482, and that for June being 85,178. Delivery of \$1,000,000 of Liberty bonds bought by men while in service also was effected through the Red Cross during the year, there being 15,000 bonds distributed by it for the Government. In 263,539 cases of allotment and allowance of war risk insurance the Red Cross was instrumental in securing settlements for

the veterans' families. It also procured 50,000 compensation and insurance claims.
