What a Wonderful Thing it will be to have a CHICKERING-AMPICO sent home for Christmas!

The CHICKERING-AMPICO is the piano which reproduces music played for it by GODOWSKY, ORNSTEIN, LEVITZKI, RACHMANINOFF—and a hundred other great artists of the pianoforte.

It brings the concert stage into your home—makes the walls of your living room echo to the same sounds that hold thousands raptly silent in Carnegie Hall—sets up for you and your children a standard of music which, hitherto, only the most favored people of the world might enjoy—and even they only at intervals in a lifetime.

The AMPICO is the one musical gift of which it cannot be said that there is some superior. It is without equal in accomplishments—the one thing in the world that possesses all the possibilities of a piano, of a player, of a reproducing piano.

We can send home an AMPICO at once—an upright or a grand. There is ample choice. CHICKERING-AMPICO KNABE-AMPICO MARSHALL & WENDELL-AMPICO
