Hampton Men Just in Time to Junction of House and of Mamie Ballard—At low.

What is considered a deadly attempt to burn her home, was made shortly before day morning, to evidence, unknown to the house occupied by a negro.

Messrs. Williams and Lester Walker, of this city, were returning from Fox Hill, when the fire broke out. The incendiary was seen on the side of the building, where he had his bed room. Small pieces of wood were put under the house and the fire rapidly spread.

## STATE OFFICERS A PRESENT AT MEETING

Wythe Council, Royal Cadum, Celebrates Twelfth Anniversary.

Wythe Council, No. 1248, Royal Cadum, was visited last night by Mr. William T. Dabney, of Richmond, grand regent of Virginia, and James B. Blanks, of Petersburg, secretary, who came to assist the council in celebrating the twelfth anniversary.

The council chamber, in Gate Hall, was filled with friends of the order and an inspiring program of music and addresses was carried out. The program closed with the service of refreshments.

Mr. Dabney, who is a speaker of much force, made an exceedingly good talk on the tenets of the order, while Mr. Blanks, probably the best known fraternal order man in Virginia, also delivered an interesting talk.

The Orpheus Glee club, which is composed of about forty male voices, last night decided to give a concert in the Young Men's Christian Association on the evening of April 5.

The program will afford a rare treat to local lovers of music.

Es to the station by the entire and at Fort Monroe and the Pottsylvania band, the Thirteenth company artillery, under command Capt. Miller, left Old Point at 8 o'clock Sunday for San Francisco, at which city the company will disembark at the Philippines.

The men composing the Thirteenth company were popular outside of the city and were evidenced by the fact that many of them went to the station to see them off. Fully 2,000 persons went to witness the departure and the men were mingled with good bye.

The Thirteenth company are well married men, who left their families behind, while others of the company left their sweethearts here. They will remain in the Philippines for three years, relieving the thirty-fifth company, which is expected to return here in April.

Members of Colonel Royal T. Park Garrison, No. 50, Army and Navy Union, turned out in a body and marched to Fort Monroe in order to see a special escort to the departing artillerymen, many of whose organizations compose the Fort Monroe Garrison of the Army and Navy Union. The fact that Colonel C. F. Towney turned out the entire company to accompany the Thirteenth company to the station is added proof of the popularity of the leave-taking company.

Messrs. Ben Gunter and J. H. Fletcher, of Accomac county, both of whom have been mentioned as probable candidates for the proposed new Accomac-Norfolk circuit judgeship, were in Hampton yesterday conferring with local lawyers in regard to the situation.

The census enumerators for Elizabeth City county and Hampton will make their report to Judge Robinson this afternoon. It is expected that the report will show that the city and county have a combined population of something like 25,000 people, and if this is the case the new judicial circuit will be established.

## SCRATCHED TILL RAW

"When my little girl was four months old her head broke out with eczema. I tried everything but nothing did her any good. She could not sleep at night and she did nothing but scratch her head, which was like a raw piece of meat. All of her hair fell out. A friend of mine told me about Cuticura and the good it did for her little boy. After the first trial of Cuticura Soap and box of Cuticura Ointment, I used I could see a change. I used just two cakes of Cuticura Soap and two boxes of Cuticura Ointment and my little girl's head is cured. Her hair is growing fine and long and her skin is like velvet. Friends say that my quick action in using the Cuticura Remedies kept the eczema from spreading all over her body."

"I still use the Cuticura Soap and always keep a box of Cuticura Ointment in the house. I used them for my hands, which were so badly chapped that they would crack and bleed. I would cry with pain. My hands are entirely cured now. I know how wonderful Cuticura is. Mrs. F. Davis, 209 E. Indiana St., Chicago, Ill., Jan. 18, 1909."
