Pimples, Pustules, Blotches, Boils,
Blains, and all Skin Diseases.

Oakland, Ind., 6th June, 1859.

J. C. Ayer & Co. Gents: I feel it my duty to acknowledge what your Sarsaparills has done for me.
Having inherited a Scrofulous infection. I have suffered
from it in wirious ways for years. Sometimes it burst
out in Ulcers on my hands and arms; sometimes it
turned inward and distressed me at the stomach. Two
years ago it broke out on my head and covered my scalp
and ears with one sore, which was painful and loathsome
beyond description. I tried many medicines and several
physiciaus, but without much relief from any thing. In
fact, the disorder grew worse. At length I was rejoiced
to read in the Gospel Messenger that you had prepared
an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to
Cincinnati and got it, and used it till it cured me. I took
it, as you advise, in small doses of a teaspoonful over a
month, and used almost three bottles. New and healthy
skin soon began to form under the scals, which after a
while Allo If. My skin is now clear, and I know by my
feelings that the disease has gone from my system. You
can well believe that I feel what I am saying when I tell
you, that I hold you to be one of the apestles of the age,
and remain ever gratefully.

Tetter and Salt Rheum. Scald Head.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Preble writes from Salem, N. Y., 12th-Sept., 1559, that he has cured an inveterate case of Drepsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous Malignant Erystipelas by large doses of the same; says he cures the common Eruptions by it constantly. Zebulon Sloan of Prospect, Texas, writes: "Three bot-tees of your Sarsaparilla cured me from a Goire—a hid-eous swelling on the neck, which I had suffered from over two years." Bronchocele, Goltre or Swelled Neck.

cous sweining on the neck, which I had suitered from over two years."

Leucorrheea or Whites, Ovarian Tumor, Eterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes; "I rost cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Founde Disease of the Scrofulous diathesis. I have cured many invoterate eases of Leucorrhea by it, and some where the complaint was caused by ulceration of the ulcrus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala, writes, "A dan gerous own? an timor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of you, Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphills and Mexecurial Disease.

Syphilis and Merenrial Disease.

Syphilis and Mercurial Disease.

New Obleans, 25th August, 1859.

Dr. J. C. Ayen: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have called with your Sursparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mercurial Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his month. Your Sarsaparilla, steadily taken, cured him in the weeks. Another was attacked by secondary symptoms in his mose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some dissignation to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, tco, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859. Dr. J. C. Ater: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which batfled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. attacked. I think it a wonderful medicine. J. FREAM.
Jules Y. Getchell, of St. Lonis, writes: "I have been
afflicted for years with an offection of the Liver, which
destroyed my health. I tried every thing, and every thing
failed to relieve me; and I have been a broken-down man
for some years from no other causes than devengement of
the Liver. My beloved pastor, the Rev. Mr. Esps., advised
me to try your Sarsaparilla, because he said he knew you,
and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood
as to make a new man of me. I feel young again. The
best that can be said of you is not half good enough."

This machinery will facilitate our operations very much and at the same time will improve the real value of out cloths at least ten per cent, while our prices shall remain as heretofore; it being our ambition to build up a reputation for this establishmen', that will add all things thereto. From the facts here n set forth we confidently believe that wool growers and all other good people can now deal with us very much to their own advantage.—While there are many things alike in business of this kind, there is also much that is different.
