## MILITARY MATTERS.

### Important Action Taken by Officers of the Two Guards.

The officers of the Citizens' Guard held a meeting Saturday evening.

A resolution was passed that the strength of companies should be restricted to seventy-three men all told.

It was also resolved that none under the age of forty should hereafter be eligible to membership in the Citizens' Guard.

The sense of the meeting was the cavalry company should be attached to the military as a company of scouts.

The object had in view by these changes is the building up of the military.

There was a meeting of the officers of the National Guard on Sunday. They passed a resolution that the military should be increased to eight companies. There will be two battalions and two majors. The native company already mustered is the seventh of the National Guard.

Adjutant J. W. Pratt will have the duties of Quartermaster added to those of his present office. Captain J. M. Camara, who has been acting as Quartermaster, will take the position of second lieutenant of Co. F, in place of Ira A. Burgett, cashier.

Private Schaffer, well drilled and well liked, and a man who will command the respect of all members of the company as a thorough soldier, has been promoted to the position of second lieutenant in Co. E, in place of G. W. R. King, resigned.

The Portuguese company is looking about for a new captain in place of Camara, promoted.

Col. McLean, commanding the forces, will, it is said, take severer action than ever against absentees. Instead of fines and dishonorable discharges, those absent from drill without good excuse will be subject to imprisonment.

## SPORTS.

### Kamehamehas Get a Bad Laying Out.

WET BALL MADE THE UNKNOWN'S SCORE HIGH.

There was an excellent attendance at Saturday's baseball match, and interest in the result was at a high pitch. The Kamehameha team was evidently the favorite, although it was expected the Unknown would make them work for a victory. Although the match was won in the third inning by a score of seven, yet the Unknown won the game leaving out that seven. The nines with positions were as follows.

Unknown—C J Willis 1 b, A Duncan 1 f, G Woods p, T Pryce s s, C Aiwohi c, G Clark 3 b, J A Thompson 2 b, H Espinda r f, T C White c f.

Kamehameha—R Pahau c, O Crowell 1 f, S Mahuka 2 b, C Bridges s s, P Davis 1 b, C Kaanoi c f, W Abia 3 b, B Lemon p, A Lawelawe r f.

The Unknowns went to bat first. They scored nothing the first two innings. The Kamehamehas made one run in the first, but a goose egg in the second. In the first half of the third the ball got wet with rain and could not be held by the Kamehamehas' enabling the Unknowns to pile up seven runs in that one inning. They were stopped from making any in either of the next two innings, while their opponents made one in the third and two in the fourth. But that was the last the Kamehamehas made, and the Unknowns made assurance doubly sure with four in the sixth and one in the ninth.

Davis and Abia, who scored for the Kams in the fourth, both got to base on errors by Clark and Woods respectively. They came home on a sacrifice hit by Lawelawe, after Kaanoi had flown to Clark.

In the fifth, Clark was left on third, by his three successors flying to different parts of the field. Crowell, on the other side, was put out with a beautiful

running catch by Pryce. Mahuka got to first on Thompson's error, but was thrown out at third, after Bridges had been at first. There was some fine batting off Lemon by the Unknowns in the sixth, when they made the score of four. Lemon first gave Willis his base through an error. Then Duncan, Woods and Pryce each made base hits, Aiwohi intervening here with a two base hit, followed by Clark, Thompson and Espinda with singles. Willis, Duncan, Pryce and Clark scored, Woods going out at third and Aiwohi at home plate. Thompson and Espinda being left on bases by White's throw out from Lemon to Davis.

The Kams went out in one, two, three order, by foul and throws to first.

In the seventh the Unknowns were retired in procession of three—Willis at first, then Duncan by Davis' throw to Bridges, and Pryce by Bridges returned throw to Davis, a neat double play. Lemon, Lawelawe and Pahau were put out in succession by foul to Willis, strikes and throw by Woods to Willis.

Next inning Pryce flew to Kaanoi, and Aiwohi and Clark were thrown out at first. Crowell was put out by a dandy throw from Clark cleanly caught by Willis. Mahuka was caught on a foul and Bridges struck out.

In the last inning Thompson hit a tremendously long fly to centre, which was brilliantly caught by Kaanoi, the grand stand applauding both the hit and the catch. Espinda got his base on a wild throw by Bridges, stole second, got third on White's single, and home on another wild throw by Bridges that gave Willis his base. White went out at the home plate. Duncan got to first on a forced hit, and Woods was retired by Mahuka's throw to Davis. In the Kamehameha's last chance Davis and Lemon made base hits, but Kaanoi went out on flies between them, and Lawelawe was thrown out at first by Pryce.

Harry Whitney and M. Keohokalole were the umpires, acting to general satisfaction, and J. W. Winter kept the score. Following is the score by innings.

## Tourists.

JUNE 5th, 1895.

It is the object of all good citizens to draw as many tourists to the country as possible. The people who travel for pleasure are, as a rule, well supplied with money, and wherever they go they leave money behind. All classes benefit the more money is set in circulation. But to get tourists here, it is necessary to hold out inducements to them. They must know that they can get first class accommodation, and that they will find a first class table. A good table can be set in every hotel, boarding house and private house if those in charge know what and where to buy. I can recommend choice block butter which I receive by every Australia. It is of an excellent and uniform quality from one creamery. Fresh island butter I get by every W.G. Hall. I can also recommend superior family hams, and I always keep a full assortment of everything in the grocery line. My prices are as low as the lowest, and island orders are promptly attended to.
