Speedy Two-Year-Old Ought to Beat Anadarco in Third Event -Light Opera May Capture His Race.

Of the candidates due to compete it modore had the better chances. With prospects for fast going, this trio looks best. At the weights it seems as it

Mafalda wes the best of the three. The last race of the Hayes filly, on Sat urday, can be thrown out as a result o ber bumping against Thane at the heaof the stretch. She ran a nice race t that point and seemed in a commanding sition. Inasmuch as the jostling cer tainly put Thane out of the running for second, it seems reasonable to suppos that it also affected Mafalda's chances. Bas d'Or picks up so much weight to-day

that it looks as if she could hold him safe on a fast track, even admitting that he is the best horse at the local course just Commodore would probably do better in heavier going than on fast footing. Floral Wreath has not yet shown that

Floral Wreath has not yet shown that she can beat this kind on a hard track. In sticky mud or in the slop she would figure considerably the best at the weights. To-day it seems as if the Dockery mare can be passed up.

Maraida, Bas d'Or and Commodore seems to be the order in which the contenders should cross the line, and a first-class race ought to result, regardless of who may turn out the winner.

MR. DADE TO START. The third race will be marked by the

reappearance of the speedy Mr. Dade, named in honor of the local starter. At the weight he looks the best, Anadarco should surely be in the money, but it seems as if Mr. Dade should outrun the tarry gelding in the early stages. The turn of speed possessed by Mr. Dade should contribute most materially to his chances.

should contribute most materially to his chances.

Light Opera ran such a sterling race back of Jack Young Saturday that it appears he must be picked in preference to Lady Btrathmore in the fifth event on the card. Had the boy on Light Opera taken up his bat a moment sooner, the Lemp colt might have beaten Jack Young, as there was but a difference of a head between them at the end.

Lady Strathmore seems the most dangerous contender, and the speed shown by Glaremont in his last two or three outs makes it appear likely that he can be in the money, at least.

In the last event, that old performer, The Bobby, starts once more. The distance is probably a bit shorter than afferds him his best chance, but it looks as if he must be figured as one of the contenders, at least.

On his last race, however, Fiyer is surely worthy of first mention. He made up such a world of ground and went around his field in such fashion that it seems as it to him must be accorded the post of honor here.

LEENJA HAS CHANCE. distance, and weight will not stop her. She may be second, at least. It looks as if The Bobby had better be selected for the show position, on account of his long absence from the local racing scene and the fact that the old gelling's forcieg troubled him a bit when he last appeared. The second race has Brooklyn as a candidate, and it seems as if he should win. In company other than that composed of maiden racers, he has shown good form and looks the best candidate here. Codex and Yellow Hammer seem rather doubtful selections for second and third posts, respectively.

in the opening event, a 2-year-old race is presented that seems to give to every candidate a chance to land the money. Of those carded to go the route Sweet Swaar, on a rather creditable fourth in a recent race, ought to win. Lady Mercury and The Missourian may bring up the other positions.

WHITE SEALS WIN DOUBLE-HEADEN

Beat Leacocks 6 to 5 in First Game and Win Second by Score of 14 to 2. The White Scale defeated the Leacocks both games of a double-header at Kulage's Park yesterday afternoon. Pears's took the first game after a thirteeninning battle by a score of 6 to 5 and won second in a five-inning game by the ne-sided score of 14 to 2. Lon Fitsporter pitched the thirteen-in-

Off to a poor start, the White Seals tied their opponents by scoring three runs in the eighth inning. Both sides scored a run in the tenth. In the thirteenth, with two

#### "PARKER SURE TO BE ELECTED"

Nebraskan Says That Every Sign Indicates Success of the Democrats.

REPUBLIC SPECIAL. Chicago, Aug. 7.—"Judge Parker is cer-tain to be elected," said William J. Bryan to-day as he passed through Chicago

on his way home from a speaking tour of several States. "Every bit of information I have been able to gather indicates the success of nocratic ticket. I want to see the ticket elected, and intend to do everything n my power to bring about that result."

"Is this not a change in your former at-"No. I hope the ticket will be elected I believe the elevation of Judge Parker will bring about a reorganization of the Democratic party. He will put an end to imperialism. I am also confident that in four years he will put an end to the military swaggering spirit that has been in-culcated and fostered by Roosevelt. The country is ready for a change, and we are to have it."

# STRIKERS URGED

A crowd of 4000 men gathered in the ever formed Jake's acquaintance, and auditorium of the East St. Louis City Hall makes no bones about calling him a vesterday afternoon at a general meeting "knocker." That "knock" over the fence of the East St. Louis strikers. Many thought that Freydent Dennelly would be present, but it was stated that he probably would arrive in East St. Louis to-morrow, when the men charged with contempt of the Circuit Court for alleged violence. That "Rusces" over the rence was certainly a "knocks" to Peity. In the nitahi inning Huelsman also hurt Peity's feelings. The big fellow connected with one of Hurney's shoots, and knocked lations of the injunction in force against them will be tried.

bleachers. If he had hit the ball a bit harder he might have knocked it out into the street and saved the St. Louis club the money needed to repair the damage. As usual, Wallace played a star game, but then there len't much news in this. Bobby contracted the habit of being a star long ago, and even associating with the Browns can't break him of the habit, in the field he accepted the seven chances sent his way in masterly fasolon.

WALLACES SENSATIONAL PLAY

WALLACES SENSATIONAL PLAY. His capture of O'Neili's grounder in the fourth inning was the piece de resistance of the game. Moran also played an excellent game for the locals. His one-hand catch of Cassidy's liner in the ninth inning was a nice play.

St. Louis got off in the lead. They scored a run in the first liming. But accidents will bappen, and they snouldn't be censured too severely for scoring. In fact, the Browns are more to be laugued at than pitted.

While Mr. Pelty was being pelted about cutters and the allied trades will be held this morning at Waihhalls Hall, at which methods to be followed in furthering the interests of the strikers will be discussed. Gustave Waeckerly, business agent of the strikers, will act as chairman of the meeting.

VISITORS AT ST. LOUIS HOTELS

Wolfe's smiles had the locals buffaloed and they refused to score. Mr. Hedges is thinking of getting out an injunction against the Wolfe smile next time he pitches against the locals.

St. Louis got ten hits off Wolfe, but the smile dwarfed the bingle work down to two tailles.

St. Louis started early, but they failed to finish and thus lost.

Delhi gave a bunch of weight to the field he bear in the \$50,000 Great Republic Handicap Saturday.

Telegraphed descriptions of the race refer to him as the "once great," It looks as though he, as well as his rivals for champleniship honors in the 4-year-old and upward division, had gone down from the stremousness of the battle for surpremacy of the younger horses.

When Delhi can take up 119 to 129 on Waterboy and beat him, the latter must be considered the "once great," but great no more. Irish Lad had to pass the struggle over to the younger horses, McCherney gave it up before he got started. The Picket has gradually retrogressed since his unexpected victory in the Brookiyn Handicap and Hermis is on the shelf-broken down, some gay.

The fact that Colonial Girl was coming has to take another crack at Hermis might have had something to do with the sudden indisposition of Hermis.

The question of Eastern championship honors now seems to rest with three great 3-year-olds Delhi, Ort Welles and Broomstick. General Manager Carmody had turned these funds, amounting to \$1.179.80, into the hands of a committee composed of J. A. Graham of The Republic, George S. Johns of the Post-Dispatch and John F. Magner of the Star, requesting that they be distributed to the three societies named. Each organization received a check for one-third of the above-mentioned sum and ackowledgments have been forwarded to the Union Track officials.

Barney do doubt realizes now that it was a case of misplaced confidence.

For four innings Barney fared well. In the fifth something happened that caused Mr. Pelty to blush

TO STAND FIRM

Stand's smash is perhaps the longest hit ever made at Sportsmann's Park. Jake's feat was the cue for his college friends to give to him the "rah," and they did. The "rah" business must have encouraged Jake, for he added two singles to his long-distance hit.

Hall—Confident of Victory.

Smith is really a popular fellow, his quiet, undemonstrative ways having earned him a lot of respect. He is the only big turf plunger in the history of the turf who has been uniformly successful, his judgment of results being borne out in the races of year after year.

All the other plungers have fallen by the Jake, for he added two singles to his long-distance hit.

That home-run rap cest Stahl Pelty's friendship. Barney refuses to received.
