TO BE HEARD THIS MORNING.

Subpoena served on several Waterbury People.

The hearing in the case of Chris F. Downey and Harmon F. Vischer, proprietor and business manager of the Waterbury Globe, will take place in the United States court room at 10 o'clock this morning before United States Commissioner Wright.

The accused are charged with sending obscene matter through the mails in the shape of bundles of newspapers to the various newsdealers of New Haven.

Deputy Marshal Lovridge and Detective Leete were in Waterbury yesterday and served subpoenas on a number of Waterbury people in the interest of the prosecution.

It is said that the identity of "Argus," the writer of the objectionable articles, has been discovered.

It is understood that since the publication of Saturday Mr. Downey sent an emissary to Mr. Neely, of the firm of Malley, Neely & Co., notifying him that upon a full investigation of the article printed concerning the employees at Neely's and Brown's stores he had discovered that there was no truth in them and offering to make a full and complete retraction of the article in question provided nothing further was one in connection with the matter.

To this offer Mr. Neely is said to have made a distinct refusal, as the matter had gone out of his hands and was in the hands of the United States government.

It is understood that the defense is that the accused had no hand in mailing the papers and that they knew nothing about it further than in a business way as officers of the company.

District Attorney McLean will be assisted by Attorney Webb of Alling, Webb & Merchants, to-morrow, and Downey will doubtless be represented by able counsel also.

Efforts in the defense of Downey and his local correspondents are equally vigorous. Judge Cole will appear for Downey.

Deputy Marshal Lovridge was in Waterbury yesterday and subpoenaed the following witnesses: Postmaster D. E. Fitzpatrick, Mailing Clerk Joe Reed, Box Clerk George Doherty of the post office, Judge George H. Colwell, before whom as a justice of the peace the articles of incorporation of the Globe Publishing company were sworn, Town Clerk McMahon, who will bring the records of incorporation, Attorney Cole, Chris F. Strobbe, Lewis F. Carder and Edward B. Lounsbury, who were recorded as stockholders on May 21, 1893, and J. J. Walsh, city editor of the Globe. Attorney E. F. Cole will appear for the accused.

After his return Marshal Lovridge had subpoenas served on all the newsdealers in the city that have handled the Globe, and they will appear at the trial.

NEW HAVEN'S WINNING STREAK.

New Britain's Baseball Team Easily Defeated at Savin Rock.

The New Haven baseball team easily defeated the New Britain at the Savin Rock grounds yesterday afternoon by a score of 7 to 3.

Sniffin and Sullivan were the battery for the New Haven team, and they simply toyed with their opponents throughout the entire game.

Brennan played a fine game for New Haven at first and Doherty at third. Taylor caught two nice flies in left field. Sullivan and Fox each made home runs by batting the ball over the left field fence.

The Edgewoods will again cross bats with the New Havens to-morrow afternoon in Westville.

Manager Durant is experiencing considerable difficulty in securing games for his club. This is especially true with reference to securing dates with John Henry's Hartford aggregation.

Since their defeat at Savin Rock several days ago the Sloopville talent has not been so anxious to meet Durant's club as they were prior to that time.

Yesterday Manager Durant sent two telegrams to the Hartford management to arrange for games, but up to a late hour last night received no reply from either.

He has secured a number of dates with the Meriden, Waterbury, Norwalk, Bridgeport, Winsted and other teams, and lovers of the sport will have an opportunity to witness many good games during the balance of the season.

The score of yesterday's game: New Haven.

Table with 2 columns: Player Name and Score. Includes McKee, Fox, Sullivan, Brennan, Sedgwick, Taylor, Fitzgarrald, Sniffin.

EVIDENCE NOT STRONG ENOUGH. Ligor Case of Burke Nolle on Payment of Costs.

Peter J. Burke was tried before Justice Pardee of West Haven yesterday morning charged with violating the Sunday liquor law.

As the testimony did not warrant a conviction the case was nolle on payment of \$7.50 by Burke.

Attorney Strouse appeared for Burke. As the evidence against Burke was not very strong it was decided not to push the case, as the Law and Order league, who had charge of the suit, are anxious to punish only the more flagrant violations of the law.

Another case against Charles H. Miller was brought up yesterday morning. He was arrested on Monday by the league for running his billiard saloon on the Sunday previous.

He appeared for himself yesterday morning as usual. This is the third time that he has been arrested for the same offense. He was cleared guilty, as he had been twice before, and was given the same fine of \$100. He took out the usual appeal.

This makes \$300 in fines and \$300 in bonds against Miller's account.

BODY WASHED ASHORE. Woodmont Cottagers Discover the Body of an Unknown Man—Both Hands Missing.

Woodmont, Aug. 2.—The body of an unknown man apparently about thirty years of age was washed ashore here at 6 o'clock this evening nearly in front of the residence of Colonel Wooster of Bridgeport.

The body was seen floating in the water off shore and it was finally brought in with the tide. The people who were in bathing saw it and hastily came ashore again.

A man named Wilcox, who is summering here with his family from Southington towed the body ashore and Medical Examiner Barnett of West Haven was notified.

The body was badly decomposed. The man had leather boots on, trousers and vest, but was without a coat. Medical Examiner Barnett immediately after viewing the remains ordered that it be buried. There was nothing found upon the body to show who the drowned was. Both hands were missing, probably having dropped off through decomposition.

The body had probably been in the water three weeks.
