Fresh Goods Received Last Week

A big shipment of U. M. C. factory-loaded shotgun shells in Nitro Club and Arrow grades. These shells were loaded May 29, so they are FRESH. We were entirely out of Nitro Club loads in 7, 71/2 and 8 when these came in, and only a few hundred Arrow loads left from previous shipment in May-so you can't get any stale loads from us.

Draper & Maynard and Reach baseballs, right from factories. These goods are always best fresh.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
