## RUSSIAN STATESMEN PURSUED BY THE LAW

### The Viborg Manifesto Regarded as Treasonable

The Peasantry Had Been Furnished With Elaborate Specifications for the Overthrowing of the Russian Government.

St. Petersburg, July 30.—The public prosecutor has started proceedings against members of the lower house of parliament who signed the Viborg manifesto.

A manifesto to the peasants of Russia had been issued in the joint names of all the various labor, socialist and revolutionary organizations, including representatives of these organizations, in the defunct lower house. This manifesto declares that the hopes reposed in the lower house of parliament have been blasted by the diabolical designs of the crowd of grand dukes, courtiers and wealthy land proprietors assembled around the emperor, whose only purpose can be the maintenance of their power over the people.

This manifesto further accuses the government of betraying the father-

land by invoking the aid of German and Austrian troops. The people are therefore urged to remove local authority everywhere, to replace it with men elected by themselves, and to confiscate all state funds.

The troops also must conform to the orders of those elected by the people. The workmen in the towns, the peasants, and all toilers must, in conjunction with the troops, seize their liberty and take the land which the government has denied them. The land thus possessed must be handed over to the popularly elected local authorities pending the elaboration of a new land law.

The manifesto calls for elections on the basis of universal suffrage, and concludes with the words: "Down with the government and the emperor. Long live the dear and free Russian people."

## THE IOWA SITUATION FIGHT ON CUMMINS

Notified That the State Committee Will Decide Contests.

Des Moines, Ia., July 30.—The republican state central committee met today and decided by a vote of 6 to 3 to sustain the action of the chairman of the committee in notifying Governor Cummins that the seats of a number of delegates to the republican state convention were contested. By the same vote the action of "Chairman Spence in calling the present meeting of the state central committee was ratified.

In both cases, it appears, the chairman acted upon his own responsibility. He received a petition from the adherents of Geo. D. Perkins, candidate for governor, giving notice that the seats of a large number of Cummins delegates were contested. The chairman thereupon sent notice of this fact to Governor Cummins, who seeks a renomination.

The governor replied in a statement denying the authority of the central committee to take up the matter of contests, asserting that it had no jurisdiction. The chairman, however, sent notices to several newspapers calling the central state committee to meet in Des Moines today to consider the contests. His explanation to the committee was that two or three of the members were in Des Moines at the time and after consulting them and receiving their approval he felt justified in taking the action he did in order that the delegates whose seats were contested might have two or three more days' notice than they would have had if he had called the committee together and submitted to it the petition and the question of a call for today's meeting. The vote of six to three was regarded as an indication that the committee intended to assume jurisdiction of the contests and to hear the contestants and the Cummins delegates in case the latter entered an appearance.

### NO TONOPAH STRIKE.

The Mining Trouble Averted By a Compromise.

Tonopah, Nev., July 30.—All danger of a strike in the mines of the Tonopah district has been averted by the action of the miners today, who voted to accept the operators' scale of eight hours a day and a minimum wage of \$4.

The settlement is a compromise. The mine owners, who have been insisting on a nine hour day for surface men, agreed to eight hours on condition that the miners sign an agreement not to ask for further concessions for three years.

### THE WELLMAN EXPEDITION.

A Possibility That It May Get Started This Summer.

The big balloon house will be finished in a fortnight. Allowing ten days for inflation and trials the monster airship may be able to start for the north the latter part of August.

### HEAVY STOCK SALES

Held Down the Movement for Higher Prices.

New York, July 30.—The speculative movement for the rise in stocks encountered some difficulties today in the amount of stock for sale to realize profits, which are made attractive by the considerable advances achieved last week.

**SEEK WISCONSIN FOR FAIRBANKS**  
Indiana Man's Friends Trying to Heal Difference With La Follette.

Milwaukee, Wis., July 30.—It has developed that friends of Vice-President Fairbanks have been busy trying to square the differences between the Indiana senator and Senator La Follette, with a view of winning the Wisconsin delegation, or so much of it as La Follette controls, in 1908, for Fairbanks. When congress adjourned the feeling between the two was anything but cordial. The vice-president's treatment of the junior senator from Wisconsin in the senate during the railroad rate debate was so remarkable as to excite comment and finally lead to the "break."

Within the past week an explanation has gone to the Wisconsin senator from mutual friends in Indiana. Mr. Fairbanks insists he had nothing to do with manipulating the committee on credentials in the Chicago convention. The vice-president claims that the failure to invite Senator La Follette to his Washington reception was an inadvertence.

**BOND FOR WARSHIP'S DAMAGE.**  
Owners of Vessel That Fouled Rhode Island File Surety.

Norfolk, Va., July 30.—In the United States court today the owners of the Norwegian steamer Guernsey, which vessel was libeled by the United States government for colliding with the battleship Rhode Island off Newport News, furnished a bond of \$6000. The steamer was released. The claim of the government for the damage inflicted to the Rhode Island is slightly in excess of \$5300. The case will be tried by Judge Waddell, probably in the fall.

## HARTJE CASE SIXTH WEEK

This Will Probably See the End

The Story of the Theft of the Defendant's Letters to the Coachman.

Pittsburg, July 30.—Beginning with the sixth and what is expected to be the final week of the Hartje divorce trial, today was taken up with the long expected evidence as to the manner in which Augustus Hartje procured the love letters alleged to have been written by Mrs. Mary Scott Hartje to Tom Madine, the coachman co-respondent in the case.

John B. Staubb, a private detective, swore that he opened Madine's trunk at the house in which Madine roomed on two occasions. The first time was May 31 and the second time June 18. On the second occasion, he said, John A. Anderson, another detective, was with him. Staubb is the man who has been known as Craig. He declared that after the letters had been shown to Andrew Fisher, Hartje's brother-in-law, they were mailed by Staubb to Attorney Scott Ferguson, chief counsel for Hartje.

Staubb was subjected to a vigorous cross examination and his relation of the methods which he and his brother detective used, caused much amusement. Staubb was unable to tell what other articles were in the trunk, and several times became tangled under the cross examination. Anderson corroborated Staubb in regard to the second opening of the trunk. The superintendent of the detective agency also testified as to the directions given him and as to receiving the letters from them.

Objection was made by Mrs. Hartje's attorneys to the introduction of the testimony, but Judge Robert S. Fraser admitted it, declaring, however, that the other side would be allowed the fullest latitude in seeking to rebut the evidence.

Andrew Fisher, brother-in-law of Augustus Hartje, was the last witness of the day. He assumed the responsibility for hiring the detectives and said the attorneys for his brother-in-law did not know where the letters came from until he told them.

Incidental to the story of the robbery of the Madine trunk, it developed that a letter and telegram signed by John F. Scott, father of Mrs. Hartje, were found in the trunk along with the forty honeyed missives which the wife of the millionaire is charged with writing.

It is alleged that a paragraph in this letter read: "On the advice of Mr. Freeman, I am sending you \$60." Neither the telegram nor letter was read in court.

Tokio, July 30.—General Oku has been appointed general of the general staff of the Japanese army in succession of Baron Kodama, who died July 22.

**ANN DIRECT WON.**  
The M. & M. Stakes in the Grand Circuit Races.

Cleveland, July 30.—Even without pool selling the opening day of the Grand Circuit races attracted a crowd of over 8000 to the track. The M. & M. stake of \$10,000, transferred from Detroit, was the principal attraction. There were twelve starters, Ann Direct being the favorite in pools sold in Newburg, outside the Cleveland city limits.

Brilliant Girl won the first heat in 2:11½, the fastest heat of the race, but finished lame and Ann Direct won the next two heats and the race, second money going to Brilliant Girl and third to Kenneth Mac.

**HEADLESS BODY FOUND.**  
Is That of Albert Kennedy, Formerly of Ellis, Kansas.

Warren, O., July 30.—Much excitement prevails today at Leavittsburg, O., near here, as a result of the finding of the headless body of a man in a berry patch. The head was later found in a nearby hayfield. Both body and head were badly decomposed.

In the pockets were found letters showing that the man was Albert Kennedy of Ellis, Kan. He had recently been living at Mantua, where a brother now resides.

Kennedy is known to have had \$300 just before his death. Only 75 cents and a silver watch were found in the pockets of the dead man.

Kennedy went west a few weeks ago to sell his farm, and he intended to bring his daughter back to Ohio with him. If his daughter accompanied him she has disappeared.

The police have taken steps to find if the girl accompanied her father and if so to learn what has become of her.

Kennedy was seen in Kansas City on June 25. It is supposed that he was inveigled away from the station at Leavittsburg, where he was to have changed cars, and then killed for his money. It is believed that a dog may have carried the head from the body.

Kennedy was a temperate, quiet man of about 50. His unclaimed baggage, checked through from Chicago, has been held at the Mantua station for two weeks.

## A FIEND CONFESSES TO TRIPLE MURDER

Dempster Also Clears Up Another Murder Mystery.

Washington, Pa., July 30.—Up to midnight no attempt had been made to take from the jail Elmer Dempster, the negro who is charged with the murder of Mrs. Samuel Pearce and her children at Cannonsburg last night. The excitement which prevailed upon the arrival of the officers with the prisoner subsided during the night and all danger of a demonstration is apparently over.

Dempster made several confessions during the day and late tonight made a clean breast of the tragedy, admitting that he killed Mrs. Pearce and the children. In a supplementary confession he cleared up another murder mystery which led to the arrest of two other negroes. The names of the men are Patterson and Bucher and they are charged with the murder of John Koboda, a wealthy foreigner who was found dead in a clump of bushes along the Wabash railroad tracks in Independence township on May 1. The men will be brought to the county jail here tomorrow.

## TARTAR OUTBREAK A BRIEF PEACE

The Fighting Is On a Larger and Bloodier Scale.

St. Petersburg, July 30.—As was anticipated in these dispatches July 29, the triangular truce between the Armenians, the Tartars and the Russian troops before Shusha was of the briefest nature. The display of white flags and the naming of representatives of

the warring factions to arrange a lasting peace was but a prelude to the resumption of hostilities yesterday upon a larger and bloodier scale. The fighting is not only in full progress at Shusha itself, a town of 30,000 people 180 miles to the southeast of Tiflis, the Tartar quarter of which apparently is in flames, but it has spread to the surrounding country. There the Tartar population has risen and is striving to overwhelm the Armenians and the Russian troops.

General Zolozhakov, in command of the Russian forces, has appealed urgently for reinforcements. A battalion of riflemen at Yelisevopol, the nearest point where there are soldiers, already has been dispatched to the scene. It is worthy of note that the Russians, who, in the disorders of last year, were accused of protecting the Tartars from Armenians, are now themselves hard pressed by the Mohammedan hordes.

He will enter the carriage in which he will be Governor Folk, chairman of the reception committee; Tom Johnson, and some other prominent democrats. The procession, headed by the Bryan carriage, will move up Broadway to the Victoria hotel. Mr. Bryan will meet the democratic leaders and dine there. In the evening he will be escorted to Madison Square garden for the reception. Governor Folk will call the meeting to order. Mayor Johnson will preside. Popular subscriptions are pouring in to defray the expenses of the meeting.

## LAST WORD BY MR. LOEB

President's Determination Still Irrevocable

An Illinois Woman Who Wanted to Know if a Third Term Was Possible.

Peoria, Ill., July 30.—A positive announcement from President Roosevelt that he will not be a candidate for a third term was made today in a letter addressed to Mrs. L. A. Kinney of Peoria by Secretary Loeb, for President Roosevelt. The text of the letter follows:

"Oyster Bay, July 28, 1906.  
"Dear Madam: Your letter of recent date has been received and I thank you in the president's behalf for calling attention to the enclosed clipping. I would say, however, that the president has nothing to add to the statement issued on the night of the election in 1904. His decision as announced at that time is irrevocable.  
"Yours truly,  
"WM. LOEB.  
"Secretary to the President."

This expression from President Roosevelt was called forth in an editorial in the Peoria Herald-Transcript, which was called to the attention of the president through Mrs. Kinney, wife of a prominent Peoria politician. The editorial was in the form of an appeal to the president to accept a third term.
