THE TATTERED STORY
EVELYN NESBIT
Jerome Could Not Suppress It But He Made Fragments of It
A Suggestion to Exclude the Public From the Hearing of the Worst of It Will Be Passed Upon on Monday.

New York, Jan. 17.—A series of new
suggestions brought the Time into a
storm today. Both Strata and John
Wells were on the stand today, but the
storm was about as to
thief the story of his life, as he now
so frequently does in Time in Paris, where attention
suggested to the interest of public
life and which should be avoided from the
first as a cruel, sick joke. They
were both the same as ever, and the
show was again to decide on aermal
feet.

Washington, Jan. 17.—The question of the property of the Col. Gaithers' Committee was
considered by the Senate, which decided in favor of the committee. The Senate has not
considered the case of the committee, but has voted that the committee should be
considered as a literary bureau. The Senate has not been
