Need Attention in February and March or Face Will Stay Covered

Now is the time to take special care of the complexion if you wish it to look well the rest of the year. The February and March winds have a strong tendency to bring out freckles that may stay all summer unless removed. Now is the time to use othine—double strength.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful that it is sold by druggists under guarantee to refund the money if it fails. Get an ounce of othine—double strength, and even a few applications should show a wonderful improvement, some of the smaller freckles even vanishing entirely.—Advertisement.

## TEMPE SCHOOLS HAVE ELECTION FOR TRUSTEES

District 3 Busy With Board Election. High School Also in

Tempe and all her surrounding school districts, like all other sections of the state, will tomorrow, March 28, the last Saturday of the month, observe a general school election. District number 3, Tempe precinct, must choose one member for the board of trustees, Tempe High one, and likewise all the rural districts in this section.

The election of trustees for the ensuing term is creating a little more excitement in Tempe than usual. J. H. Daniels the retiring member of the Grammar School Board is a candidate for re-election and J. W. Arnold is running in opposition to him. Both men are well known and are very popular with Tempe electors; who shall be chosen remains to be seen.

L. D. Crook is the retiring member of the Union High School Board but refuses to be a candidate for re-election. Dr. W. J. DeVore has announced his candidacy for that board and as yet holds the field alone. However, it is likely that another candidate may yet make an appearance.

The rural districts of the Tempe Union High School district will each elect a new member to their boards of trustees but at the time of writing the respective candidates could not be learned. The Kyrene school besides voting for a trustee, will cast ballot upon another matter that is occupying their attention. The present school building is badly dilapidated and is too small to accommodate the attendance, hence a new addition and decided improvement is needed. This is to be put to a vote of the people tomorrow and they will probably say that Kyrene district shall have improvement. The influx of cotton growers into that district has greatly increased the school attendance and some further provision is absolutely necessary.

The places of election will be the school houses of the respective districts. The usual arrays of election officials have been named and the polling places will be kept open the required length of time in each district.

The school question is one that should occupy the mind of every qualified voter and he or she should take due advantage of an opportunity to better the conditions of the institutions.

## "THE WORSTED MAN"

Tonight in the Goodwin Opera, the Tempe High School will present the musical comedy entitled "The Worst Man." This production, one that is very popular as an amateur performance has been taken up by the local school and under the direction of Miss Dorothy White promises to be the best that the High School have ever staged. Not only that, but also as good as any amateur production that has been witnessed in Tempe. The cast is very ably chosen and presents a variety of characters all of which have been successfully carried out in rehearsals.

There will be a good laugh for everyone as well as some clever acting on the part of the cast. The main features of the evening however, will be the costume effect. The costumes have been carefully selected and a general color scheme is to be carried out in each part of the play. This feature alone is reputed as worthy of one's attendance.

The cast of "The Worst Man" is as follows:

The Worst Man (a doll and a flirt) Babette Hawkins (Anxious to be courted) Anna Miller (Patience) Willoughby (An ingenious young lady) Clara Turner (Mariana Jones (a second longing to be wooed) Louise Fisk (Jeannette Barrington (Not adverse to gallantry) Evelyn Nettie (Prudence Andrews (Longing for masculine companionship) Zella Austin (Marie Young (A gushing sixteen year old) Thaddeus Mullen (Priscilla Middleton (A trifle cooler than the other but with a masculine ideal) Marian Cook (Susanna Darrow (Another willing to be loved) Hattie Martin (Ethelinda DeWitt (Thirty-eight, marked down to twenty-five ready for anything) Vivian Moeur (Cupid) Sadie Goodwin (Samba Front (Bell boy of ebion hue) Bob Finch (Hotel Clerk) Willie Lankston (From the east it will be noticed that Thaddeus Mullen is playing the part of Marie Young, a gushing sixteen year old. The reasons for Mr. Mullen assuming this role will be obvious to those attending tonight.

In addition to the presentation of the comedy, there will be several musical numbers rendered by an orchestra composed of Miss Cecil Mullen, Miss Betran Hendrix and Mr. Bert Finch. This orchestra will also assist in the production.

The proceeds of "The Worst Man" will go into the fund of the High School Athletic Association to be used in defraying the expense of the annual trip to Tucson on University Week. The local school have always brought home their share of the victories and deserve support in their undertaking. The admission tonight will be thirty-five cents or fifty cents for reserved seats.

## SLIGHTLY IMPROVED

Word has been received from Dr. Alexander stating that he was slightly better yesterday. He is still suffering greatly from the ravages of blood poisoning and is not by any means out of danger.

"Now nurse please do not say anything to the child about bugaboos."

"Certainly not, madam. And one question, please."

"Do you wish the infant to have any instruction at this time on the subject of germs?"—Seattle Post-Intelligencer.

## SCHOOL BOARD TICKET IS PLACED IN FIELD

Mass Meeting Names Ticket for the Election to Be Held Saturday

The mass meeting, held Wednesday evening in the high school assembly room, placed the following ticket in the field: Robert S. Longmore, trustee district No. 4; Dr. J. E. Drane, Charles Peterson, as members of the board of education for Mesa Union high school district. The slate was somewhat cracked by the action of the mass meeting. It was understood that Warner Allen would be the choice for a successor to James W. Lesueur as a member of the board of trustees of district No. 4. Mr. Lesueur has been a very efficient member, but he feels that he has served his time and declined re-election. However, Mr. Allen at the mass meeting was sacrificed in place of H. S. Morris, and in the confusion H. S. Longmore was voted in. It was understood yesterday that while the above names would be printed on the official ballot, there would also other names appear upon the tickets by means of the lead pencil method. However, in the event that the ticket is elected as it appears above, it will meet with the approval of the patrons of the district, it is believed. The gentlemen whose names appear above are efficient and will look well after the interests of the district they represent.

## MILLIONS LOOKS FOR CHILD.

Search for Catherine Winters Assures Mammoth Proportions.

Twenty million persons, it is estimated, have read that 10-year-old Catherine Winters was kidnapped in Newent, Ind., a year ago and that nothing has been seen since of her. Search through the newspapers reached stupendous proportions.

The support of some 120 newspapers has been enlisted, and the newspapers that undertook the campaign of publicity have printed the child's picture, announcement of reward or some other feature on their first pages for four consecutive days.

Some moving picture managers have thrown likeness of the missing girl on their screens. In Toledo a copy of the News-Bee, containing a picture of the Winters child, was exhibited to all the school children by their teachers.

The plan of a large department store in Sacramento to wrap a poster issued by the Sacramento Star around every parcel, has been repeated in many cities.

The Cincinnati Post has offered a reward of \$1,000 for the child's return to its office.

## Use Cottolene on the testimony of the past

The first pure food display of Cottolene which attracted more than National attention was at the World's Fair, in Chicago in 1893.

That meant that Cottolene had then been known well enough and long enough to have its place in the homes of America.

Since then it is fair to say that Cottolene has revolutionized and bettered cooking in hundreds of thousands of homes.

# Cottolene

is imitated—of course—but is unequalled. Any woman who knows it and uses it will tell you that it more than takes the place of butter or lard for shortening and frying.

Remember that you use one-third less Cottolene than you do of butter or lard.

Write us today for our FREE Cook Book, filled with splendid recipes by the most famous experts. Tell your dealer to send you a pair of Cottolene, follow the simple instructions and the results will be so gratifying that you will never go back to old fashioned, wasteful cooking fats.
