# North East West South

Supposing that, beginning tomorrow, all the newspapers are discontinued. What a furore the public would make. "News! News! We must have news or we will be no better off than the ancients." All right, suppose we give them news but cut out the advertisements."

Then we would discover that politics, the doings of society, notices of fires, accidents, deaths, scandals, sports, the activities of the police and criminals add little or nothing to the real comfort and happiness of this greatest age in the world's history.

What geni are they that have crowded the last fifty years with so much of advantage to humans? They are legion in number, but not least among them is Advertising.

Our day is the greatest time the world has seen because we have more to be happy with, better things, greater variety, greater comforts gathered together from the North, East, West and South for our choosing and selection. Look about you. This is the day of better food, better homes, better clothing, better babies, better health, better business. And advertising is the instrument that makes these better things possible.

Advertising is the NEWS of all the looms, of all the furnaces, of all the laboratories, of all the shops, of all the stores, of all the world and all working for you.

Because of advertising, luxuries and necessities that once cost a king's ransom are yours at little prices. Advertising pits merchant against merchant, artisan against artisan, producer against producer, for your benefit, forcing out the best there is in everything and telling the world about it.

Read advertising. Keep abreast of today. Advertising furnishes you with facts and opportunities that you would otherwise never know.

# To Everyone In Phoenix

Today is, by proclamation of the Governor of this state, a legal holiday, for the purpose of selling and buying Victory Bonds, to give Arizona her quota.

This is the last chance to buy in time, get the buyers name on the list of bond purchasers which will be printed in a day or so in the Phoenix newspapers.

If everyone who is going to buy will purchase today, and everyone who has not sold any bonds will sell but one today, Phoenix and the county will make her quota so fast that it will surprise us all.

This day must be devoted to doing the above, and nothing else. Phoenix must be lifted bodily out of the rut into which she has gotten.

And let's wind it up with the biggest night yet at the grand stand.

Entire Coliseum Theater Company in songs and dances, in costume  
 Speakers, and the auctioning off of a German helmet also
