PHOENIX-SAN DIEGO MOTORBIKE RECORD BROKEN BY ARTLEY

Clipping 42 minutes from the previous best time, Roy Artley, mounted on an Indian motorcycle, yesterday completed the distance between Phoenix and San Diego in 12 hours 28 minutes actual running time. The old record was also held by Artley in 13 hours 10 minutes. Artley left Phoenix at 6 o'clock Thursday morning, arriving in Yuma at 12:58 o'clock Thursday afternoon, where he stayed over night preparatory to the final dash to San Diego. His actual running time between Phoenix and Yuma was about six hours, although the full 6 hours and 58 minutes must be counted. He covered the distance from Yuma

to San Diego in 5 hours and 30 minutes. He got away from Yuma at 6 o'clock yesterday morning and arrived in San Diego at 11:30 o'clock in the morning. He left Yuma at 6 o'clock Pacific coast time.

The record is considered remarkable in view of the poor condition of the roads, especially between Phoenix and Yuma.
