DOUGLAS TEAM WINS FAST SOCCER GAME

DOUGLAS, March 24.—Yesterday afternoon at the Douglas grounds occurred one of the best games of soccer football yet played between Douglas and Juneau. Douglas won again, defeating Juneau by a score of 4 to 2. In the first half of the game Juneau scored 1 goal, and another in the second half. The Islanders evened up things by making 2, and after the whistle blew announcing the end of the game, Capt. Wilson made another goal that did not count. It was then decided to play another fifteen minutes as the two teams were tied. After a few minutes more of hot playing Douglas scored an additional two points. There was a large crowd at the game. The next game will be played next Sunday. The Island boys' suits will have arrived by that time and they will make a handsome showing.

BIG A. A. C. DANCE AT DOUGLAS THIS EVENING

DOUGLAS, March 24.—Tonight the great annual bal lof the Alaska Catholic Club promises to be the biggest event of the year. A late ferry will take the dancers from across the bay home. A large number of the members of the Legislature have announced their intention of being present. Refreshments will be served by the ladies of the Auxillary Society.

Boys playing bal yesterday, broke windows in the Palace of Sweets and the Lyric Theatre.

Many members of the Legislature were present at the Lyric theatre last night.

Monte Snow's singing was one of the specialties of the evening last night at the Lyric.

George Bach was an arival on the Princess May last Friday from a visit along the Coast.

A large crowd attended the show at the Treadwell Club last Saturday.

A large crowd attended the dance at the Star Temperance hall last Saturday evening.

Yesterday was change day at the Treadwell works.

Tom Graham, whose face was severely burnt at the power plant last week, has gone to work today.

Paul Kegel has resigned his position at the Cyanide plant and has gone to work at the Ready Bullion.

The electricians are doing some repairing at the Treadwell Club.

Yesterday morning about ten o'clock a false fire alarm was turned in at Treadwell, and the patrol was tried and worked admirably, beating the engine.

The Bertha arrived last night with a few sacks of mail for Douglas.

The Jefferson arrived at Douglas this morning.

A firemen's meeting of all Douglas firemen will take place next Saturday at the A. L. U hall.

The Victor Bar has a new delivery cart.

The statement in The Empire Saturday that the Machine Shops' team defeated the Mexican team in Friday's bowling game was an error. The Mexican team won the game, but the Machine Shops team made a score large enough to give them the tournament, defeating the Store team by three pins. The Mexican team has played in hard luck. It won every game that it played, but the scores were not large enough to win the pennant.
