NORTON'S Automatic Water Gate
TO PREVENT OVERFLOW

Irrigating Canals, Ditches and Reservoirs.
The above cut illustrates an AUTOMATIC WATER GATE, to regulate and keep in subjection the rise of water in canal, due to an over-abundant flow, or to sudden rises in the canal owing to severe rains or storms.
It is particularly valuable to have such a Water Gate placed in lower bank of canal, at such points along its line where there are Ravines, Gullies, Arroyos, Foot Hills, Dunes, or Tableland, as any rains or storms bring down at such points a surplus of water that is very dangerous to the banks of canal. The Waste Gate, however, will prevent such damage, as it is SELF-ACTING and a PERFECT SAFETY VALVE.
Relieving the canal, at short intervals, of its surplus water, thus preventing the washing away of banks, and causing great damage generally, not alone to canal, but property owners all along the line, who may suffer more or less damage therefor after the want of water owing to the damaged condition of canal, and while such repair are being made. Not only is it valuable to relieve canal of its surplus water, to prevent damage and expense, but by its use the first cost of canal construction will be materially lessened, as the banks need not be made so high or wide.
The device is extremely simple, and comparatively inexpensive. Its plan of operation is this: There is a pipe fastened to an opening in the vertical gate, 1. When the body of water rises to the level of the upper end of pipe, 2, water runs freely into the tank, 3, which is immediately filled, thus overbalancing the weight, 4, which is on the other end of lever, 5, thus forcing open the gate, which suddenly releases the canal of a large surplus of water. When body of water recedes below a certain level, no more water is admitted to the tank; it therefore empties itself by a small faucet opening, 6, at the bottom; this being done, the weight overbalances tank, and brings down the lever, which, being right to the swinging gate, closes it. This operation continues at short intervals, so long as the body of water keeps rising over a certain level. The lever, gate, pipe and tank are all rigid, and hinge, or pivot, on a horizontal shaft. The gate, flume or box can be made any height, width, or length desired. The gate can be hinged between any bulkhead without box.
The Water Gate is a Perfect Safety Valve, and is to a body of water what a safety valve is to a steam boiler. It can be made any size, corresponding with body of water and size of canal. It is secured by letters patent, and for sale only by

HAVE YOU TRIED DRUGS AND FAILED TO FIND A CURE?
Thousands of Cures by our Belts are persons who have done so.

DR. SANDEN'S ELECTRIC BELT
WITH NEW ELECTRIC SUSPENSORY.

The Crowning Triumph in Medico-Electrical Science! It cures all diseases curable by Electricity. It is a complete battery, as used by the foremost physicians, made into a Belt, so as to be easily worn during work, or at rest. It gives soothing, prolonged currents, which can be carried to any part of the body where there is pain, and will give instant relief, as Electricity permeates the entire system with a natural, glowing heat, rejuvenating every weak organ or part of the body.

WEAK MEN
Suffering from Nervous Debility, Seminal Weakness, Impotency, Drains, Losses, Nervousness, Sleeplessness, Lame Back, Kidney or Bladder Trouble, or general ill health, resulting from over-exhaustion of brain or nervous system, or from all parts of the country, including permanent cure in this marvelous invention, which requires but a trial to convince the most skeptical. In your ignorance of electric currents, or electricity, you may have unduly drained your system of nerve force and vitality—while Electricity—and thus caused your weakness or lack of force. If you replace into your system the elements thus drained, which are required for vigorous strength, you will remove the cause, and health, strength and vigor will follow at once and in a natural way. This is our plan and treatment.

Dr. Sanden's Electric Belt is no experiment, as we have restored thousands to robust health and vigor, after all other treatments failed, as can be shown by hundreds of cases throughout this State, who would gladly testify, and from many of whom we have strong letters bearing testimony to their recovery after using our Belt.

Our 200 page book "Three Classes of Men," should be read by every young, middle-aged and old man, sent sealed, free. It explains our plan of treatment, gives testimonials from people in all stations in life and from all parts of the country, including every man in New York City, whom we have cured, thus showing our marvelous work at home. Do not delay writing for it. It will cost you nothing, and may be the means of renewing your life and health.

The Greatest Boon on Earth is Health and Vigorous Strength. It brings wealth, happiness and fruitful marriage. **THESE COLORADO GENTLEMEN WRITE US—YOU MAY WRITE TO THEM—SEE BELOW.**

NERVOUS EXHAUSTION AND DEBILITY CURED.
Dr. A. T. Sanden, Dear Sir:—I wish to say for the benefit of suffering humanity that I got one of your Electric Belts two months ago when I was afflicted with one of the most severe cases of nervous exhaustion, and I most cheerfully testify to its curative properties, as I have been and am still growing stronger every day since using it, and will shortly take it out, feeling that I am perfectly cured.
Yours Sincerely,
E. M. SWAZZLE, Fireman Overland Cotton Mills, Denver, Colorado, August 6, '92.

INDIGESTION, LIVER AND KIDNEY DISEASES CURED.
Dr. A. T. Sanden, Dear Sir:—I bought one of your Belts while in Lyons, La., Jan. 1, 1892, and was then troubled with indigestion, constipation, liver and kidney troubles. I was generally debilitated, and must say that your Belt is all that you claim for it, as it has helped me wonderfully although I have not given it steady use. I have also found that it is only necessary to apply the belt a few hours to process a sound night's rest. Sleep is now to follow in due time.
Yours Respectfully,
C. HINCKMAN, Louisiana, Louisiana, July 23, '92.

NEURALGIA AND BRUISES CURED.
Dr. A. T. Sanden, Dear Sir:—I have been using your No. 5 Belt I bought of you last July, and can honestly advise any one who is troubled with neuralgia, sciatica, pains in the back, and kidney trouble, to use your Electric Belt. I am a cabinet maker by trade, and have been afflicted with sciatica for over three years, and I feel now that I can do my work as well as ever. With the best wishes I wish you every success.
Yours truly,
A. P. WHITNEY, 214 South 4th Street, St. Louis, Mo.
