BAD BREATH!

Nothing is so unpleasant, nothing so common, as bad breath; and in nearly every case it comes from the stomach, and can be so easily corrected if you will take Sissacous Lavage Regulazore. Do not neglect so sure a remedy for this repulsive disorder. It will also improve your appetite, complexion and gen

How many suffer torture day after day, making life a burden and robbling existence of all pleasure, owing to the secret suffering from Piles. Yet relief is ready to the hand of almost any one who will use systematically the remedy that has permanently cured thousands. Systemos Livus Regulators is no drastic, violent purge, but a gentle assistant to nature.

CONSTIPATION SHOULD not be regarded as a trifling ailment—in fact, nature demands the utmost regularity of the bowels, and any deviation from this demand paves the way often to serious dauger. It is quite as necessary to remove impure accumulations from the impure accumulations from the sowels as it is to eat or sleep, and to health can be expected where a costive habit of body prevails.

SICK HEADACHE! This distressing affliction occurs most frequently. The disturbance of the stomach, arising from the imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nausca, and this constitutes what is popularly known as Sick Headache, for the relief of which TAKE SIMMONS LIVER REGULATOR OR MEDICINE.

American Continent.

Of the races which inhabited the

American continent before the white man undertook to civilize it says the El Paso Herald, the Toltecs are worthy of notice or the civilization they brought, presumably from Asia or some unknown part of the world. It has always been a mystery where they came from, and will possibly always be so, but the thinking people lasting remembranexcelldd at the time they arrived are inferior, if anything, to what which were built by the Toltecs, are to be seen today in Mexico, The former is collossal in its proportions, and equals in architectural skill anything which Egypt can produce. Its length is 840 feet, proportion to the rest of its collossal dimensions. It was built by these people to perpetuate their idea of religion. The pyramid of would overlook and protect the people from the influence of the evil spirit. which was supposed to remain around whenever it was cloudy. The Mexican government pyramids. The expedition which went to Palenque a few years ago,

Wonders of a Ton of Cool,

when they built these stependous

Besides gases, a ton or coal will yield 1500 pounds of coke, 20 gallons of ammonia water and 140 pounds of coal tar. Destruction of the tar gives us 69.9 pounds of naphthaline, 4.75 pounds of naphaurine, 1.1 pounds of aniline, 0.77 antiracine and 0.9 pounds of tol-Philadelphia Press.

Be bothered with inferior goods when you can get a first-class article if only you will call for it.
