returned with increased facilities for the alleviation of haman saffering.

Seminal Weakness.

Seminal emission is the consequence of selfabuse. This solitary vice, or depraved sexamindulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing with unerring certainty the following train of morbid symptoms, unless combated by scientific medical measures, viz. Sallow countenance, dark spots under the eyes, pain in the head, ringing in the ears, noise like the rustling of leaves or rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence, diffidence in approaching strangers, a distilike to form new acquaintances, a disposition to shan society, loss of memory nimples and various craptions about the face, heetic flushes, furred tongue, fetid breath coughs, consumption, night sweats, monomania, and frequently insanity. If relief be not obtained, you should apply immediately, either in person or by letter, and have a cure effected by his new and scientific mode of treating this disease, which never fails of effecting a quick and rained cure.

Persons at a distance may be CURED AI HOME, by addressing a letter to Di., GIB-BON, stating case, symptoms, length of time the disease has continued, and have medicine promptly forwarded, free from damage and curiosity, to any part of the country, with full and plain directions for use,

By inclosing Ten Dollars coin in a registered letter through the Fostoffice, or through Wells, Fargo & Co's, a package of medicine will be forwarded to any part of the Union.
