BULLION STATISTICS.

During the past week the following mounts of bullion have been produced and shipped from the smelting works now at work:

Product. 483,119 365,000 Shipment. 223,127 80,303 40,000 93,013 53,000 Total pounds ... 997,135 343,430

GOT DISCOURAGED.—The collecting ommittee appointed by the Hook and Ladder Company, to obtain subscriptions to defray the expenses of a Fourth of July celebration, started out yester-day. Their efforts not meeting with the patriotism expected of the business men, the collectors got discouraged and returned the amounts already col-lected.

SCRUB RACE,-A 300-yard race beween two scrub horses took place on South Main street yesterday after-noon. The irrepressible Sweeney and Jot Travis were the two riders, the latter driving Sweeney's horse before him to the outcome,

CROWDED,-Main street after dark ast night was crowded with people. The sidewalks were thronged until 10 o'clock with parties out seeing what was going on. The saloons did a good business.

MATRIMONIAL.

The Sacramento Record-Union, of Thursday last, says;

Grace Church was crowded last evening with iadies and gentlemen assembled to witness the wedding ceremonies of Miss Ella F. Davis, of this city, and Dr. J. H. Lukens, of Eureka, Nevada. At 9 o'clock the bridal party reached the church and moved up the reached the church and moved up the center aisle to the chancel, where they were met by the officiating clergyman, Rev. J. H. C. Bonte. The bride was accompanied by her sister, Miss Jennie Davis, and the groom by William Stephenson. The bride's mother, grand parents and uncle were with the party. After the ceremony the happy couple received their friends at the Arcade Hotel, and subsequently the entire party proceeded to Central Hall and danced until the small hours.

The Record-Union is a "little off" in claiming the handsome young bride as a resident of that place, as she, as well as the doctor, is a resident of the Base Range. The error was no doubt caused by Miss Davis having been at school in Sacramento for a year past. The many friends of the happy couple here will congratulate them on their marriage and wish them godspeed on their life's journey.

FOURTH OF JULY MEETING .- We are requested by representatives of the Miners' Union and Eureka Guards to call a meeting of citizens at the Courtthouse on Monday evening, to take the necessary steps for a celebration on the 4th (5th) proximo. The Miners' Union and Eureka Guards have already determined to parade and they are anxious that the citizens generally about dising in the demonstration. should join in the demonstration. We hope the meeting to-morrow evening will be largely attended, and that the proper steps will then and there be taken to insure a celebration creditable alike to the town and the patriotism and public spirit of its citizens. Let there be a grand rally.

THE LAST PERFORMANCE-The Combination gave their last performance last night, at Bigelow's Hall. The attendance though good was not as large as the merits of the pieces and the ob-jects of the entertainment should have brought out. During the past two weeks the members of the company have exerted themselves to gratify the tastes of our theater going public, but have not met with a great pecuniary success. The company leave to-day for San Francisco.
