MANUFACTURED BY EMERSON, FISHER & Co., are now in use in every part of the American Continent.

They give unfailing satisfaction. All their work is warranted. They have received testimonials from all parts of the country, of purport similar to the following, hundreds of which are on file, subject to inspection:

GALVA, Ill., July 16, 1879.

Messrs. Emerson, Fisher & Co.—Dear Sirs: I have used one of your top-buggies three years, and three of them two years, in my livery stable, and they have given me perfect satisfaction and are in constant use.

OSCAR SMALLEY.

NEWBERRY, S. C., July 17, 1879.

Messrs. Coppock & Johnson—Dear Sirs: I have been using the Emerson & Fisher buggy I bought from you, as roughly, I suppose, as any one could. I had a fast horse; drove him at full speed, sometimes with two grown ladies and myself in the buggy, and it is to-day worth all the money I paid for it. I say, the Emerson & Fisher buggies will do.

A. M. TEAGUE, Farmer.

The favorable reputation the carriages have made in localities where they have been used for several years by liverymen, physicians, farmers and others, requiring hard and constant use, has led to an increased demand from those localities, to meet which the manufacturing facilities of their mammoth establishment have been extended, enabling them now to turn out, in good style,

360 Carriages a Week.
