MUST FILE CERTIFICATE AND PUBLISH.

[Approved February 9, 1887.]

SECTION 1. Every partnership transacting business in this State under a fictitious name, or a designation not showing the names of the persons interested as partners in such business, must file with the Clerk of the county in which the said partnership is carrying on business, a certificate stating the names in full of all the members of such partnership and their places of residence, and publish the same once a week for four consecutive weeks in a newspaper published in the county, if there be one, and if there be none in such county, then in a newspaper published in an adjoining county.

Sec. 2. The certificate filed with the Clerk, as provided in Section one of this Act, must be signed by the partners and acknowledged before some officer authorized to take the acknowledgment of conveyances of real property. Where the partnership is hereafter formed, the certificate must be filed, and the publication designated in that Section must be made within one month after the formation of the partnership, or within one month from the time designated in the agreement of its members for the commencement of the partnership; where the partnership has been heretofore formed, the certificate must be filed and the publication made within two months after the passage of this Act. Persons doing business contrary to the provisions of this Act, shall not maintain any action upon, or on account of any contracts made or transactions had in their partnership name, in any court of this State, until they had first filed the certificate and made the publication herein required.

Sec. 3. On every change in the members of a partnership transacting business in this State under a fictitious name, or a designation which does not show the names of the persons interested as partners in its business, a new certificate must be filed with the County Clerk and a new publication made, as required in this Act, on the formation of such partnership.

Sec. 4. Every County Clerk must keep a register of the name of every such partnership, and of each partner therein, and he shall charge for each name so entered the sum of twenty-five cents, to be collected as other fees, which shall be full compensation for filing and registration.

Sec. 5. Copies of the entries of a County Clerk, as herein directed, when certified by him, and affidavits of publication as herein directed, made by the printer, publisher or chief clerk of a newspaper, are prima facie evidence of the facts therein stated; provided, that this Act shall not apply to any incorporation duly created and existing under and by virtue of the laws governing and providing for the creation of incorporations in this State, and now engaged or hereafter to be engaged in doing business in this State.

THE NEW LICENSE ACT.

Following is the full text of an amendment to the License Act, which was passed at the last session of the Legislature, and approved February 1, 1887:

Sec. 70. The County Auditor shall from time to time deliver to the Sheriff as many of such licenses as may be required, and shall sign the same and charge them to the Sheriff; provided, that before signing or delivering any license to a Sheriff, the Auditor shall fill out the license in full, stating therein to whom said license is issued, the kind of business authorized to be carried on under the license, the room, building and place where the business is to be carried on, the dates when said license begins and expires, and the amount of money to be paid therefor, and shall at the same time make entries of the same upon the stubs in the license-book. Whenever any license is returned by the Sheriff, unsold, the Auditor shall cancel and file the license, and note the fact and date of such cancellation upon the stubs thereof. No Board of County Commissioners shall audit or allow any claim in favor of a Sheriff until there shall be filed with said Board the certified statement of the Auditor that all settlements required by the 71st Section of the Act of which this is amendatory, have been made by said Sheriff. The amount of all licenses issued to the Sheriff and not accounted for shall be deducted before any claim shall be allowed to a Sheriff. No county shall be liable to the Auditor, other than for his official salary, for any fees or for any services required of him under this Act.

The construction placed upon this amendment is that all persons requiring licenses shall apply to the Sheriff for the same, giving in the application a description of the room or building in which the business is to be carried on for which the license is issued.

RECORDING OF BIRTHS AND DEATHS.

An act of the Legislature, approved March 20, 1887, provides that every person who shall officiate at the birth of a child shall make a record thereof, and within three months after such birth shall make and deliver to the Recorder of Deeds of the county wherein the birth took place, a certificate under his hand containing the facts of such birth. It also provides that every person who shall officiate at the burial of any deceased person shall make a record thereof and within two weeks after such death shall make and deliver, or send by the due course of mail or express, or by such other manner as will insure safe transit, to the Recorder of Deeds of the county wherein such death took place, a certificate under his hand containing particulars of such death.

All certificates of births and deaths shall be filed and recorded by the Recorder in a book kept for that purpose, and the Board of Commissioners of the several counties shall provide blanks certificates, to be paid for by the county, to be furnished to physicians midwives and undertakers, to enable them to carry out and comply with the requirements of the act.

Failure to comply with the provisions of the act is punishable by a fine of not less than \$20 nor more than \$50 for each offense, and wilfully making a false certificate of any birth or death is punishable by a fine not exceeding \$500, or imprisonment in the county jail for any period not exceeding six months.
