BENNETT NOMINATED.

Last Night's Session of the Republican Convention Gives us a Candidate for Congress.

A General Stampede in Favor of the Nomination of Judge Granville G. Bennett.

Complete Report of the Proceedings of Dakota's Republicans.

THE CONVENTION REASSEMBLED promptly at eight o'clock last evening.

During its hour and a half of recess the various delegations had canvassed the claims and chances of candidates, understandings were reached between individuals, new combinations were effected, and the resumption of the session indicated a settled purpose towards a radical change in the situation.

Col. Moody's backers had reached a conclusion that either their man or Judge Bennett must give way, in order to secure the defeat of Judge Kidder. It was Kidder against the field and unless the field could concentrate it would come out second best in the contest.

The twenty-nine delegates from the Hills stood fast for Judge Bennett. There was also at this juncture a strong feeling in his favor among Yankton county representatives.

The northern Dakota vote which had been running wild during the convention were willing to step in for Bennett. Union county, which had stood solid for Moody from the beginning, began to fear that Kidder was liable to secure the few votes he needed from among the pick-ups in north-eastern and southeastern Dakota and was ready to fly to Bennett to turn the tide against the man they opposed.

The Jim river counties were also anti Kidder and could be relied upon to give direction to any movement against him. This was about the condition of things on the re-assembling of the convention after supper and all interest was centered on the

EIGHTH FORMAL BALLOT.

The vote was not decisive, each anti Kidder delegation seeming to be disposed to risk one more chance, with the mental reservation that if it looked too Kidderish an amendatory move could be made in time to save the result.

Previous to the call of counties H. C. Miller, of Stutsman county, rose and presented the name of C. A. Lounsbury to the convention.

The ballot was called and resulted as follows:

Kidder, 60; Bennett, 57; Moody, 20; Lounsbury, 2.

This was the ballot as it was originally reached. Hutchinson county had changed its three votes from Moody to Bennett and this was the beginning of a stampede which turned the entire convention over to the man presented by the Black Hills. When Union county was reached there was a brief delay while the delegation went into consultation. Capt. Hughes finally announced

votes for Bennett amid the wildest excitement. Yankton county was called and asked for a moment's delay. Its vote was given in by Gov. Edmunds, ten for Bennett.

Cass county came to its feet and changed three of its votes from Moody to Bennett. Stutsman county changed its two votes from Lounsbury to Bennett.

One vote for Lake county, cast for Moody, was changed to Kidder.

Pemba county changed its three votes from Kidder to Bennett.

Richland county changed its three votes from Kidder to Bennett.

Turner county changed its five votes from Moody to one for Bennett, three for Kidder and the other vote was lost.

Bon Homme changed its six votes from Kidder to Bennett.

The climax was reached and the convention had turned to Bennett so decidedly that there was no question about his nomination. Seventy-five of the one-hundred and thirty-nine votes in the convention had been recorded for him when E. A. Williams, of Burleigh, gained a recognition from the chairman and moved that the nomination of G. G. Bennett be made unanimous. The motion prevailed and with loud cheers the convention fixed its choice upon Judge Bennett as the standard bearer of the republican party of Dakota during the coming congressional campaign.

Gen. Beadle moved that a committee of five be appointed to wait upon the nominee and notify him of the choice of the convention. The chair appointed Gen. Beadle, Seth Bullock, E. A. Williams, A. McAuley and J. E. Haggart as such committee.

The committee on resolutions submitted the following report which was unanimously adopted.

THE PLATFORM.

Resolved, That we hold an undoubting faith that the better judgment of mankind approves the record of the republican party in patriotism and civil achievements, and the humane and lofty principles which in times of public trial created and inspired it.

Resolved, That to be and continue a great nation the United States must be a government founded throughout upon principles of law which make citizenship honorable and secure to it all its franchises and privileges, and which secures free suffrage, keeps untrammelled all political rights and responds to loyal fealty with every means necessary to promote its honest welfare.

Resolved, That we rejoice in the great and general prosperity throughout the borders of Dakota, and see in the strength of the free institutions here planted the natural product of republican doctrines; and that we urge upon the United States such just and liberal aid in the survey and settlement of our lands, the development of our varied resources, the protection and encouragement of our enterprises and the promotion of our welfare as is commensurate with the rapidity of our growth and the present duty of the sovereign owner.

Resolved, That we pledged the republican party of Dakota and its representatives

in whatever department to advance with all its zeal the promotion of these ends and the development of the territory, to build up free local government, enact wise and wholesome laws, enforce strict economy in public expenditures, extend the blessing of education and make pure and liberal the safeguards of society and lay broad and deep the foundations of our growing commonwealth.

Resolved, We present to the people of the territory, name of Hon. Granville G. Bennett for delegate to congress and under his leadership we congratulate the people upon their certain assurance of republicanism victory in every county throughout the territory.

On motion of Seth Billock, of Lawrence, the thanks of the convention were tendered to Judge Kidder for the able manner in which he has represented the territory of Dakota in congress. The motion included the appointment of a committee of three to wait upon Judge Kidder and invite him to appear before the convention and make some remarks. The committee was appointed and proceeded upon its mission, headed by the lengthy deputy United States marshal of Lawrence county.

A motion thanking Col. Parker, chairman of the convention, for the able and impartial manner in which he had conducted affairs, was unanimously adopted.

R. F. Pettigrew, of Minnehaha, moved that the convention proceed to the election of a chairman of the territorial republican central committee. The motion was adopted.

N. C. Nash, of Lincoln, nominated Alex. Hughes, of Union, as chairman of the central committee and he was elected.

J. A. Wallace, of Union, moved that the chair appoint a committee to select four persons from each judicial district to constitute a central committee. Adopted, and J. P. Belding, of Lawrence, Newton Edmunds, of Yankton, and L. M. Griffin, of Burleigh, were appointed.

The following resolution, presented by C. V. Gardner, of Lawrence, was adopted:

Resolved, That we the delegates from the Black Hills hereby extend to the people of Yankton our earnest thanks for their generous hospitality. And to the people of eastern Dakota our sincere thanks and great appreciation for so generous a support of our candidate and we hereby pledge ourselves to give Judge Bennett 4,000 votes from the Black Hills in next November election.

The committee appointed to select the central committee reported the following names:

1st district—John Hildebrand, Mr. Marshall, Lawrence county; F. J. Cross, Custer county; E. Van Cise, Pennington county.

2d district—E. B. Dawson, Clay county; R. F. Pettigrew, Minnehaha county; G. C. Moody, Yankton county; W. M. Cuppett, Lincoln county.

3d district—E. A. Williams, Burleigh county; Geo. H. Walsh, Grand Forks county; A. McHench, Cass county, T. S. Collins, Cass county.

The report of the committee was accepted and adopted.

L. D. F. Poore, of Bon Homme, presented the following resolution which was adopted:

Resolved, That it is the sense of this convention that the apportionment of delegates among the various counties of Dakota to the republican territorial convention, be based upon the republican vote cast at the last preceding delegate election, and that the central committee selected by this convention be requested to take notice of this resolution.

A vote of thanks was given to all the officers of the convention.

The committee appointed to wait on Judge Bennett reported that they had found their man and that he was in their possession. The nominee of the convention appeared and was received with enthusiastic applause. He accepted the nomination in a neat little speech and then modestly withdrew to a corner, where he was made the recipient of the congratulations of the members of the convention and of hundreds of outsiders who had heard the news and came in to shake the hand of the coming man.

After Judge Bennett's remarks, James Carney, of Lawrence, moved that the convention adjourn.

The motion was carried and the chairman announced the convention adjourned sine die.
