THE NEWS.

Hostile Indians Murdering Settlers and Stealing Stock in Texas.

English Excitement Over the Glasgow Failure is Subsiding.

The Southern Fever Still Counting Its Daily Victims by the Hundreds.

YELLOW FEVER.

AT CAIRO.

Cairo, Oct. 7.—The outlook is favorable this noon. No new cases. One death since last report.

FOREIGN RELIEF.

Paris, Oct. 7.—General Borel, French minister of war, has sent General Noyes, the American minister, 500 francs for the relief of yellow fever sufferers in the United States.

AT BATON ROUGE.

Baton Rouge, Oct. 7.—One hundred and eleven new cases and 11 deaths of yellow fever officially reported, with one physician to hear from for the forty eight hours ending this morning. The scourge is steadily and constantly doing its work. No prospect of abatement. Weather continues hot and oppressive. A great many cases are reported as doing badly. The cry for assistance is coming from every quarter. The Howards are sorely pressed. The Howard expenses now amount to hundreds of dollars daily and their resources are fairly melting away. Assistance is much needed.

AT NEW ORLEANS.

New Orleans, Oct. 7.—Deaths, 41; new cases, 115.

THE JOHN M. CHAMBERS.

Memphis, Oct. 7.—The steamer John M. Chambers, from St. Louis laden with supplies for infected points between here and Vicksburg, arrived early this morning. Dr. H. M. Keyes, of the U. S. marine hospital service, and Frank Kelly, representative of the Chicago relief committee are on board. The steamer leaves this afternoon and will take all mails for points below which have accumulated since communication was cut off.

AT MEMPHIS.

Unusual activity prevails at the Howard's headquarters this morning and nurses are being sent to all interior towns adjacent to Memphis when the fever has appeared.

AT MASON.

Dr. W. R. Hunter, Howard physician at Mason, Tenn., reports nine new cases having developed yesterday.

AT COLLIERVILLE.

Colliersville, Oct. 7.—A telegram from Colliersville, Tenn., brings intelligence that there are eight new cases in that town.

AT GALLATOWAY.

Gallatoway, Oct. 7.—Five new cases of fever are reported at Gallatoway, Tenn.

CASES AT MEMPHIS.

Ex-U. S. Marshal J. M. Tomeny was taken down last night. Many deaths have occurred since the last report. Eliza Michot, Mike Provenale, Mitchell Brown, Sr., R. F. Brown, secretary of the board of health, and Thomas Stewart, late in charge of Elmwood cemetery, Dr. J. F. Sample, of Austin, Miss., assistant physician in charge of camp Joe Williams died this morning. J. B. Cook, architect, ex-Mayor John Legue, Martin Griffin, W. W. Thatcher are closed among the convalescent. The weather is clear and warm. Since six o'clock last night 22 deaths are reported by undertakers.

WASHINGTON.

RETURNED.

Washington, Oct. 7.—Gen. Sherman returned this morning from his extended trip.

CIRCULARS ISSUED.

Washington, Oct. 7.—The secretary of the treasury has issued a circular citing the various sections of the revised statutes relating to deposits of gold coin and bullion and the issue of certificates therefor, the payment of import duties in gold and silver coin, and others, as to the amount to which subsidiary silver shall be legal tender. Also the act passed at the last session of congress in regard to the coinage of the standard silver dollar.

TELEGRAPHIC BRIEVITIES.

CRIMINAL LIST.

Cincinnati, Oct. 7.—Harry Hacks, editor of the Volks Freund, was today arrested charged with a criminal libel by Benj. Butterworth, republican candidate for congress. The charge grew out of a publication in the Volks Freund charging a \$25,000 fraud upon the government by Mr. Butterworth.

A SPECIAL COMMITTEE.

New York, Oct. 7.—It is understood that an effort will be made to rearrange the fixed charges to be paid the Panama Railroad company by the Pacific mail steamship company. It is claimed that in addition to

\$75,000 agreed to be paid each month by the steamship company, the lighterage and other extra charges in September increased the total indebtedness to the Panama company for that month to over \$100,000. To settle this matter the Pacific mail executive committee proposes that a special committee from each company be appointed.

THE INDIANS IN TEXAS.

Galveston, Oct. 7.—A News special from Mason, Texas, of the 6th says information is received of Indian raids near Junction City. Three girls and a boy named Dowdy were killed on the Johnson fork on the Gaudaloupe river. Reports from the surrounding country show that they are stealing stock and murdering settlers. A general raid is feared.

FOREIGN.

EXCITEMENT SUBSIDING.

London, Oct. 7.—The excitement of the City of Glasgow bank has subsided. The name of the Glasgow firm of shipbuilders, which failed on the 4th inst., is William Simons & Co., of Renfrew. Other shipbuilders are likely to find help that will enable them to tide over the crisis. It is now believed that the assets of the heaviest debtors of the City of Glasgow bank will turn out better than was at first hoped, with the exception of those of Smith, Fleming & Co., and their Indian houses, which are in bad shape.

ALI MUSAID CAPTURED.

Singapore, Oct. 7.—Indian newspapers publish reports of the capture of Ali Musjid. There is no official news of the occurrence.

HEAVY ATTACK.

Montreal, Oct. 7.—A writ of attachment has been issued by a Birmingham firm against Savage & Lyman, jewelers of this city, for 10,000 pounds.

HUNGARIAN AND AUSTRIAN MATTERS.

Vienna, Oct. 7.—The resignation of Von Azell, Hungarian minister of finance, will possibly take effect immediately. The question of the acceptance of the resignations of other Hungarian ministers will probably await the meeting of the diet. It seems Count Andrássy is disposed to put off the assembling of the legislature till some time in December, by which time it is hoped the Austrian question will be completed.

The Emperor of Austria, on his return to this city from Godalio, will grant an audience to leading members of the Austrian parliament on the subject of the reconstruction of the Cisleithan ministry.

NORTHERN DAKOTA.

The population of Fargo is about 1,500 and rapidly increasing.

The remains of Capt. Bennett, killed in Miles' last engagement arrived at Bismarck on the steamer Eclipse.

The repair shops of the Northern Pacific Railroad Company are located in Fargo and furnish employment to a large number of men.

Four substantial stage coaches for the Fargo and Pembina line of stages, arrived last Monday night and will be placed on the line immediately.

A special train of twenty cars loaded with Montana cattle left Bismarck on the 3d for Chicago. The cattle will go via the Minneapolis & St. Louis railroad from Minneapolis.

Fargo Republican: We are gratified to acknowledge a call from our old friend and neighbor, Hon. L. D. M. Sweet, of Portland, Maine, who is here for the purpose of locating \$80,000 worth of lands.

Wah Popo, the Sioux Indian, one of the murderers of the De Lorne family at St. Joseph in 1876, escaped from the Pembina county jail last week. He was seen west of Pembina making his way to Fort Totten.

J. B. Bodle, Esq., of Chicago, arrived at Fargo last week and has purchased of F. Billings, three sections of land (one for each of his children) in township 138-52 about eight miles south of Casselton, for which he paid \$11,500.

J. J. Hill, of the St. Paul & Pacific arrived at Pembina on the 3d. Mr. Hill will locate the depot of the St. Vincent branch at St. Vincent, immediately opposite Pembina. The graders are within six miles of Pembina and the track-layers within twenty-five miles. The prospects are that the cars of the St. Vincent branch will be running into St. Vincent by the 20th inst.

AN UNDENIABLE TRUTH.

You deserve to suffer, and if you lead a miserable, unsatisfactory life in this beautiful world it is entirely your own fault and there is only one excuse for you,—your unreasonable prejudice and skepticism, which has killed thousands. Personal knowledge and common sense reasoning will soon show you that Green's August Flower will cure you of Liver complaint, or Dyspepsia, with all its miserable effects, such as sick headache, palpitation of the heart, sour stomach, habitual constiveness, dizziness of the head, nervous prostration, low spirits, &c. Its sales now reach every town on the Western Continent and not a Druggist but will tell you of its wonderful cures. You can buy a Sample Bottle for 10 cents. Three doses will relieve you. Sold by Mills & Parry.

NEIGHBORHOOD NEWS.

New corn has been placed on the market in Vermillion. The farmers who have more than they can feed are hauling in their surplus. It is selling for twenty cents per bushel.

Grable, is matched against the Gassman horse and also against Robber, the first for a quarter the latter for half mile running races best three in five.
