EXPOSE.

BY READING THE FOLLOWING Advertisement from the Proprietor of Dr. Townsend's Sarsaparilla, which we find in the New York Daily Sun, you will see that Dr. Townsend was formerly a partner of Dr. S. P. Townsend, who is now engaged in the same business. Dr. S. P. Townsend was formerly a partner of Dr. Townsend's Sarsaparilla, and whose office is next door to ours, where he has been for several years, in selling an immense quantity of Sarsaparilla, and now sells more than four times as much as any other establishment in this city. Dr. S. P. Townsend is a regular physician, and has been engaged in the business for many years, and has a large number of certificates of cures, which are published in the New York papers, and which can be seen at his office. Dr. S. P. Townsend's Sarsaparilla is prepared with great care, and warranted genuine. Dr. S. P. Townsend's Sarsaparilla is for sale by Agents in every town in the United States, and Canada, and by the Proprietor, at his office, No. 126 Fulton street, New York.

From The New York Daily Sun.

DR. TOWNSEND'S SARSAPARILLA.—Advertisements, whether in the shape of cards, circulars, or occupying a page of the newspaper, are generally read. Dr. Townsend's Sarsaparilla is advertised in this manner, and we think those persons who are afraid of taking too much stuff as the genuine, should be cautious.
