HOW CAN WE BEST PRESERVE YOUTH AND IMPROVE OUR APPEARANCE ?

That is the question of the hour. Certainly not by neglecting the Hair, Scalp, Skin and Nails.

Now is a good time to come in before the summer rush is on.

A few Scalp Treatments, spring and fall, will insure a good growth of hair.

Also if you wish to have a switch, puffs, curls, or any hair goods, I will match them perfectly in both color and quality, or will have your own hair made up for you.
