PORTLAND, OREGON, Nov. 15, 1859. MESSES. EVERSON & HAINES, General Agents of the New England Mutual Life Insurance Company, of Boston :

Gentlemen-Having taken a lively interest in by an old resident of this city, who died Aug. 2, hy an old resident of this city, who died Aug. 2, 1869, and who was insured in the New England Mutual Life Insurance Company, we take pleasure in making the following statement for the information of the public:

A. E. C. Miller was insured by ordinary Life

Policy No. 13,054, bearing date January 21,1863. He paid annual payments to January 21, 1863, inclusive. Since then nothing has been paid. He died August 2, 1869, over eighteen months after the last payment of premium, yet your company working under the Equitable Lapse Laws of Massachusetts, pays the widow and orphans the whole policy, deducting only the prenium due; while in all other companies doing ousiness here, about which we know anything, the solicy would long since have been forfeited, By the New England Mutual, the widow has been paid (4 650 50. This we consider munificent, more especially when we take into consideration that the family would not have received a

ent from any other company doing business on his coast. This, in our estimation, is enough to this coast. This, in our estimation, is enough to recommend this company above all others. This is Equity, this is Mutuality. We, therefore, recommend this company to the public, as the only company that has no forfeitures.

We herewith inclose you the acknowledgments of the widow. Respectfully, etc.,

Waltham Watches. Let every one who wants a Waten, read this

Especially if in some remote out-of-the-way place

Now that the milroad is open, we propose to give the residents of Onznox the opportunity of getting single genuine Waltham Watches at the The Lowest Wholesale New York Prices We sell more Waltham Watches than any other We sell more Waitham Watches than any other establishment in the country, either wholesale or rotail; we send great numbers to every section of the country by Mail and Express, carefully packed, and in perfect running order. Our plan is this: You want a Watch, and see our advertisement; now, we want you first to write ts us for our Descriptive and Illustrated Price List; we will send it, post-paid, by return mail. It ex-plains all the different kinds, tells the weight and quality of the cases, with prices of cach; you then make a selection of the kind you prefer, and then make a selection of the kind you prefer, and send us your order. We will then send you the Watch by Express, with the bill to collect on de-livery. We give instructions to the Express company to allow you to open the package and examine the Watch; if it suits, you can pay and take it; if not, you are under no obligations to receive it; and if it is taken, and afterward does not prove satisfactory, we will exchange it, or

not prove satisfactory, we will exchange it, or REFUND THE MONEY. As an indication of the prices, we will quote one Watch of our list. The P. S. BARTLETT, Lever Movement, with Extra Jewels, Chronometer Balance, Patent Pinion, Patent Dust Cap, and all the other late improvements, in a Solid Coin

\$28 in Greenbacks, or about \$20 in Coi All the other kinds, both gold and silver, in the same proportion. Do not order a Watch till you have sent for a Price List, as it contains a great deal of information regarding these Watches that will enable you to make an intelligent selection. Dont forget, when you write, to state that you saw this advertisement in the ALBANY REGISTER, and you need not put in stamps for return postage. Address in full,
