

POTATOE PLANTING.—We hope the farmers in this town and vicinity will heed the statements in the communication on the first page, so far, at least, as to thoroughly prove on this side the mountain, what the writer says he has proved three years in succession, on the other side. If by early planting, and by raising potatoes on dry soil, the loss by rotting can be saved, it would seem that no man who has the right kind of soil would neglect to try the experiment suggested by the writer.

NEWS FROM MEXICO.—The latest report from that country states that Mr. SEVIER had arrived with the Treaty, but that the Mexican Congress had not acted upon it as ratified by the American Government. Depredations on American persons and property continued. Nothing further of much moment.

CONTESTED ELECTION.—James Monroe and David S. Jackson having claimed seats in the House of Representatives as members elect from the 6th Congressional District of New-York, on the final decision on Wednesday, 19th, both were rejected and the question of priority of claim was referred back to the freemen of that District.

HORSE THIEVES.—We notice in the Green County Banner, published at Carrollton, Ill., (by JOHN FITCH, formerly a printer in this office,) that Illinois is much infested with horse thieves, and that the people are waking up to the importance of organizing societies for ferreting out this class of lovers of liberty, and of putting a stop to such depredations.

THE LIST OF PREMIUMS to be awarded at the Rutland County Agricultural Fair, to be held in September next, will soon be copied into the Voice—as soon as we can dispose of some communications on hand, and give our readers a little more of a variety than they have had of late.

### Foreign News.

From the Boston Daily Bee.

#### Four Days later from France.

New-York, April 20, 1848.  
The packet ship Duchess d'Orleans, Capt. Richardson, arrived at this port this morning having sailed from Havre March 27th. She brings Paris dates to the 26th and London to the 25th ult. The most important intelligence is the report that Prussia has declared herself a Republic.

FRANCE.—Capt. Richardson states that the greatest excitement prevailed in Paris and Havre. The rich were in apprehension of being killed by the poor. The military were called out at Havre on the 27th ult. for the purpose of stopping any outbreak which it was feared might take place. The amount of protested bills in the Bank of France, exceeds 2,704,000 francs. Large numbers of Germans and Belgians were leaving Paris for home. Arrests have been made of persons for engaging in the destruction of Railroads. Jerome Napoleon has joined the Provisional Government as a private. The Provisional Government were adopting measures to check the commercial crisis. Four hundred Poles had formed a company to return to Poland.

PRUSSIA A REPUBLIC.—In Gallignani's Messenger of March 24th, a telegraphic despatch is published, dated at Metz, which states that a republic had been proclaimed in Berlin. The King had been dethroned. His Majesty and Ministers had been arrested. The news is confirmed by the Paris Commere. A letter from Berlin states, "this time the fact is official." A letter from Berlin states that the Prince of Prussia had left for England. Before his flight the people demanded that he should renounce all right to the throne. We learn from Berlin that all the Polish prisoners in that city had been set at liberty. The date of these accounts throws doubt over the news received from Metz of the Proclamation of a Republic.

REVOLUTION IN POLAND.—The report of the Revolution in Poland is confirmed. Political prisoners had been released.

RUSSIA.—The Emperor of Russia was very much excited and alarmed at the events now going on in France. Great activity prevailed in the War Department. The Army of Reserve was ordered to hold itself in readiness to march to Poland at a moment's notice.

NINE DAYS LATER FROM EUROPE.  
The steamship Sarah Sands, which sailed from Liverpool on the 3d inst. reached this port about 2 o'clock this afternoon, bringing nine days later intelligence from Europe.—We give the most important news below, in a contracted form.—N. Y. Trib. 21st.

FRANCE.—The Provisional Government has learned, by telegraph, from Marseilles, that Gen. Cavaignac has refused the Ministry of War; the portfolio has been offered to Gen. Changarnier.

The assumption of the title of King of Lombardy by the King of Sardinia had been confirmed. The Duke of Modena has been imprisoned. Parma and Modena have been annexed to Piedmont and Lombardy.

Trent and the Tyrol are in open insurrection. By Electric Telegraph.

Paris, March 31, 1848.

The Paris papers of yesterday contradict the rumor that a conflict had taken place at Lyons.

The disorders that were renewed at Rome on Tuesday were, for the moment at least, at an end.

Paris continued tranquil, the elections were still deemed capable of inducing great agitation.

The National contains an article which threatens us with a new Continental blockade. The diminution of the salaries of all public functionaries has commenced. The same paper admits that universal distress prevails; that all negotiable securities are depreciated; commercial movement stopped; operatives are in want of employment; and in short every body is suffering from the reduction of wages.

A company of engineers had marched for Dijon, where the projected camp would be immediately formed. Letters from St. Petersburg, of the 10th

instant, announce that the city was in a state of ferment.

A pistol shot was fired at the Emperor while passing through the streets, the ball of which passed through his hat. The accounts from Italy demonstrate the universal success of the people over the Austrians, to whom Mantua, Mavignan and Vienna only appear to have remained.

ITALY.—Spread of the Insurrection in Lombardy, Savina and Italy. By the Electric Telegraph of the South-Eastern Railway. Paris, March 27. We have received intelligence of further insurrections at Milan.—21,000 volunteers, with arms and ammunition, had arrived from Rome, Tuscany, Savina, Genoa and Switzerland. Pavia, Parma, Piacenza, Reggio and Modena had broken out into open insurrection. Gen. O'Donnell had been taken prisoner.

At Milan the marble spire of the Cathedral was utterly ruined. Dispatches, just received by the Provisional Government of France, announced the arrival at Milan of bodies of Piedmontese troops.

PRUSSIA.—There has been no proclamation of a Republic in Prussia.

STILL LATER FROM EUROPE.—The steamer Acadia arrived at Boston on Saturday last at 6 o'clock, P.M., bringing five days later intelligence from Europe. The substance of the news is, that great military preparations are being made by France and Russia. The spirit of revolution is spreading, with but little loss of life. The people are suffering in monetary affairs. The British government is resolved to put down sedition by force of arms, &c. &c.

THE STEAMER WASHINGTON returned to New-York on Saturday afternoon last, after being three days out, for the purpose of repairs of machinery. Good luck that she was no farther from land when the accident occurred.

We have just learned, by a letter received from James H. Hooker, Esq. that the first Packet on the Champlain Canal will not leave Whitehall, at any rate, before the 1st of May.—Whitehall Dem.

DEATH FROM A BLAST.—John Bolan, a respectable Irishman, was instantly killed by a steam blast, on the Island, in this village, Monday morning last. Age 45.—Bellevue Falls Gazette, 20th.

Mr. Field informs us that, for some time past, the mails have had over night at Walpole. What license the Contractors that way had for this delay, we are not informed.—Brandon Voice of Freedom.

The license question isn't settled yet in New Hampshire; but we presume that the mails have the same license to stay over night at Walpole which females and other stage passengers have.—B. F. Gaz.

SHOCKING ACCIDENT.—At the launch of the schooner Emblem, at Wilson, Niagara County, on the 8th inst. Mr. Knowlton Harrington was run over by the schooner in its course to the water, and instantly crushed to death. He was 48 years of age.

LARGE MAIL.—The Middlebury Galaxy, represents that "from 25 to 100 horses are necessary to transport the mails from Bellows Falls to Burlington." If so, there will be lots of freight for the Railroads to take one of these days.—B. F. Gaz.

DESTRUCTIVE FIRE.—About 10 o'clock last night, a fire broke out in the cabinet manufactory of F. Platt, No. 118 Water-st. New-York, and raged until eighteen large buildings were destroyed or seriously damaged. Platt's loss is upwards of \$40,000; insured for about half that amount. The aggregate loss is estimated at \$150,000.—Hos. Bee, 20th.

The Hudson Republican of April 18th says that John H. Smith, one of the Deputies of the Sheriff of that County, was shot on Saturday last, as he was driving along the road in his wagon. He received two balls, one in the fleshy part of the thigh and one in the breast, and is not expected to recover.—Anti-Revolution is at the bottom of the affair.

ARREST OF CONNOR C. WHEELER.—A letter in the Albany Evening Journal of yesterday, from C. F. Bouton, Editor of the Freeholder, announced the arrest of Connor C. Wheeler, one of the men implicated in the shooting of Deputy-Sheriff Smith. It appears that Mr. Bouton, on receiving the Governor's proclamation, set out immediately for Taghkanic, Columbia Co., Wheeler's residence, to make sure of the \$1,000 reward. He arrived at the place about midnight, and found the object of his visit in bed. He was aroused, however, and delivered himself up willingly. On their way to the prison they met the Sheriff with a posse of forty men, bound on the same errand.—N. Y. Trib. 21st.

They Always Cure.—The cure of Mr. Davidson, of Washington, of Rheumatism, by the use of Herrick's Kid-Strengthening Plaster, has attracted so much interest among his friends, that we take the opportunity to say to the subject again. Mr. Davidson was so afflicted with weakness of the back and inflammation of the cords and muscles of his legs, that he was unable to ascend or descend a flight of stairs and frequently to dress himself. He used Herrick's Kid-Strengthening Plaster, and pronounced himself cured in three days. These remarkable plasters sell for 18 3/4 cents.

A Voice from Vermont.—Tunbridge, Orange Co., Vt., Nov. 25, 1845.—Mr. S. W. Fowler: Dear Sir—I hereby certify that one year ago last June, I was violently attacked with a cold and cough, with a lame side and stomach, and was not free from a cough during that summer. In December following my cough increased to an alarming extent, so that during that winter I lost about thirty five pounds of flesh, and was unable to do any thing, and could give me no relief. It was thought by all that I never should recover. As my good fortune would have it, in March following after suffering exceedingly through the winter, I learned of the beneficial effects of Wheeler's Balsam of Wild Cherry, by way of a friend who had received the greatest benefit of the use of the article, and was induced by him to make a trial of it myself, and no words can express my obligations to that friend for this recommendation. This article to me, and at a critical moment he did for I had not taken up one bottle before I was completely cured, and from that day to this have not been troubled with a cough. I can cheerfully recommend it to all, as being a remedy of great value, hoping others may be induced to try it, and thus become convinced of its merits, and perhaps saved from the fatal grasp of consumption.

STATE OF VERMONT:  
ADDITION COUNTY.  
PARIS FLETCHER and others,  
vs.  
JOHN JACKSON, LEVI JACKSON, HIRAN WARNER, ABIGAIL WARNER, HENRY STEBBINS, MARY ANN STEBBINS, and others.

In Chancery.  
WHEREAS, Paris Fletcher and Calvin Solace of Bridport, and Samuel Swift, Austin Johnson and Peter Starr of Middlebury, all in the County of Addison, and Bernard Kuscham of Sudbury, Ebenezer N. Briggs and Daniel Farrington of Brandon, Arunah W. Hyde of Castleton, and Jonas Clark of Middlebury, all in the County of Rutland, have filed in this Court their bill in Chancery, against John Jackson of Albany, in the State of New-York, Levi Jackson, Hiran Warner and Abigail Warner, the wife of said Hiran, all of Milwaukee, in the Territory of Wisconsin, Henry Stebbins and Mary Ann Stebbins, wife of the said Henry, of Deerfield, in the State of Massachusetts, and George W. Palmer and Ellen Palmer, the wife of the said George W., and Jane Jackson of Brandon, aforesaid, as heirs of the late John Jackson of Brandon, deceased,—stating in substance, that the said John Jackson, deceased, in his life time, to wit, on the twenty-fifth day of April, A. D. 1836, together with the orators, as sureties for one Calvin C. Waller, did execute a certain writing obligatory, signed and sealed by them, and each of them, in the penal sum of fifteen thousand dollars, in favor of Chester Baxter and William Steele of Sharon, and William Sweet of Norwich, in the County of Windsor, conditioned for the faithful performance by the said C. C. Waller of the trust of agent and attorney for the purchase and sale of lands in the Territories of Michigan and Wisconsin, and in the States of Ohio, Indiana and Illinois, to which the said Waller had then and there been appointed by a certain company, or association, consisting of the said C. Baxter, W. Steele, W. Sweet, and divers other persons, of which association the said Baxter, Steele, and Sweet, were chosen trustees, in whose names the purchase and sale of lands as aforesaid were to be made by the said Waller, and the said Waller having accepted the said agency, and received funds of the said association from time to time for the purposes aforesaid, did remove to the west, and in the discharge of his said agency did purchase and sell lands in the States and Territories aforesaid, and continued in the exercise of said agency for the term of four years, and until the same was revoked by the said Baxter, Steele and Sweet, trustees, as aforesaid, and during the continuance of his said agency the said Waller appropriated to his own use of the funds furnished him for the purchase of lands as aforesaid, and of the moneys received by him as agent for the sale of lands as aforesaid, a large sum, to wit, the sum of ten thousand dollars, and otherwise failed to discharge said agency with fidelity and good faith; and that afterwards, to wit, on the 5th day of October, A. D. 1841, (previous to which time the said John Jackson had deceased), the said Baxter, Steele and Sweet, commenced their action of debt on the said writing obligatory, against your orators, by writ of attachment, returnable to the County Court then next to be holden at Woodstock, within and for the County of Windsor, on the last Tuesday of November then next, demanding damages, twenty thousand dollars, which said writ having been duly served and returned to said Court, your orators appeared by their attorneys in the said suit and defended the same, and such proceedings were afterwards had in the said suit that at the term of the Supreme Court, holden at Woodstock, in and for the County of Windsor, on the first Tuesday in March, A. D. 1847, the said Baxter, Steele and Sweet, recovered a final judgment in their favor against your orators for the sum of thirteen thousand eight hundred and nineteen dollars and eighty-six cents damages, and for the sum of two hundred and seven dollars and thirty-five cents costs, and that your orators afterwards, on the 6th day of March, A. D. 1847, paid the amount of said judgment to the said Baxter, Steele and Sweet, and obtained a full discharge of the same; and that they paid in the defence of said suit, charges, expenses, and counsel fees, to the amount of five hundred and seventy-nine dollars, amounting, with the said judgment, to the sum of fourteen thousand six hundred and six dollars and twenty-one cents,—and that the said Calvin C. Waller is wholly insolvent, and resides without this State; and that the time for presenting claims to the Commissioners appointed to settle, adjust, and allow claims against the estate of the said J. Jackson, deceased, had elapsed long previous to the recovery of the said judgment against your orators as aforesaid, and that the estate of the said J. Jackson hath been settled by the administrator thereof, and distribution thereof hath been made under the authority of the Court of Probate for the District of Rutland, to his heirs, to wit, the said John Jackson, Levi Jackson, Abigail Warner, wife of the said Hiran, Mary Ann Stebbins, wife of the said Henry, Ellen Palmer, wife of the said George W., and the said Jane Jackson; and that each of the said heirs have received of the real or personal property of their said ancestor more than the sum of two thousand dollars for his or her share of the said estate; and that the said heirs are liable in law and equity to pay to your orators one eleventh part of the amount of said judgment, and expenses of defending the said suit, and praying for a disclosure and discovery by the said heirs of the matters stated in said bill; and that they may be decreed to pay to the orators one eleventh part of the said judgment and expenses, being the sum of one thousand three hundred and twenty-seven dollars and eighty-four cents, and the interest accrued thereon, and for such other relief as shall seem meet. A subpoena having been granted.

And whereas it is made to appear that John Jackson, Levi Jackson, Hiran Warner and Abigail his wife, Henry Stebbins and Mary Ann his wife, reside out of this State, and that a subpoena cannot be served upon them.—It is therefore ordered that they, the said John Jackson, Levi Jackson, Hiran Warner and Abigail Warner, Henry Stebbins and Mary Ann Stebbins, be required to appear on the first day of the next stated term of said Court of Chancery, to be holden at Middlebury, in and for the County of Addison, on the second Tuesday of June next, and make answer to said bill of complaint, and that the substance of the said bill and this order be published in the Voice of Freedom, a public newspaper, printed at Brandon, in the County of Rutland, three weeks successively, the last of which publications shall be at least twenty days previous to the commencement of next term of said Court.

Given under my hand this 18th day of February, A. D. 1848.
