

CLOSING EXERCISES.

As was indicated in the "Post" of the 20th, the closing exercises at the University came off yesterday afternoon, and were witnessed and enjoyed by a large number of the parents and friends of the students in attendance. The programme was so long that we have not room to publish it in full, but cannot refrain from mentioning the names of some of those who participated in the exercises. All did well, but those we mention excelled themselves. After singing by the school and several recitations, Miss Bell Gifford recited, in a distinct, clear voice, "Annie and Willie's Prayer," which was followed by the reading of a paper—the "Chip Basket"—edited by Miss Addie J. Chambers and Carrie White, read by Clarence White, and which contained many good things. The recitations by Miss Addie George, Jas. H. Hill, Ed. Smithers, Luella Wittenmeyer, and the reading by R. Crawford, Miss Emma Weller and Miss Rosa Downs, were all good—especially so with the reading by the last named young lady. G. H. Judson's original poem was quite good and created much merriment. All acquitted themselves creditably, and the entire programme was executed satisfactorily.

In conclusion, Prof. Anderson presented a gold pen to little Emma Collins and a napkin ring to Fanny Robinson for greatest proficiency in writing. The Prof. stated that 125 scholars were in attendance, and that 113 were examined—the remaining 12 being recent arrivals. Eighty pupils passed above seventy in examination. The gold watch was given to Miss Luella Wittenmeyer, and the dictionary to J. H. Judson, each having received the highest average in their studies of the entire school, and obtaining the same standing—98 per cent. Judge Burke presented the valuable gifts to the successful competitors in a most happy and graceful manner. The Judge congratulated the city upon the flourishing and prosperous condition of the University, the necessity and high importance of fostering the educational interests of the community, and the great benefits springing from such an institution. Mr. Burke closed his remarks by giving the two successful competitors excellent advice concerning the necessity of continued exertion, perseverance and integrity.

The exercises closed with drill by the cadets and the University closed for a two weeks' vacation.—Post.

A SUDDEN DEATH.

There is something terrible in the thought of having our friends stricken down at our side, without a parting word of endearment or consolation—one moment at our side in the flush of vigorous life, cheering our hearts with their loving sympathy; the next at our feet, pale with death, dead to our cries and heedless of our tears. Every excessively fat person is in instant danger of such a death. Seventy per cent of the victims of obesity die of heart disease or apoplexy. Allan's Anti-Fat, the only remedy for obesity, reduces the weight by regulating the digestion and assimilation of the food. It is perfectly harmless, and its use will insure, in every instance, a reduction of weight from two to five pounds a week.

A Living Witness.

Do not despair of ever finding relief from that dreadful disease dyspepsia, or its mate liver complaint. A single trial of White's Prairie Flower will make you a witness to its infallibility. Druggists say they never sold a medicine they can more heartily recommend. It cures chronic rheumatism, entaneous and ulcerous scrofula, organic debility, nervousness, etc. etc. For female complaint it has no equal. Prairie Flower is gathered from the prairie of the far west, and then carefully prepared in the form of a liquid medicine by an experienced physician. Is positively pure vegetable and harmless in any reasonable amount, yet a powerful purgative if taken in over doses. Directions in full are with each bottle. For sale by all druggists. Trial size, 25 cts. Large size, 75 cts.

HOW'S YOUR LIVER?

If the skin be yellow and muddy, the bowels constipated; if you have ringing in your ears, or pains in the side, sick headache, sour stomach, hot or dry skin, spots before the eyes, bad taste in the mouth, cold feet and hands, sleepiness, giddiness, loss of appetite, bad circulation of the blood, swelled limbs, &c., you may safely conclude your liver is out of order. The liver is more apt to become disordered than any other organ of the body, as its duty is to filter the poisons from the blood. When it becomes weak, obstructed and diseased it must fail to do its duty, and the whole body suffers. Try White's Prairie Flower, the greatest known liver panacea in the world. Sample bottle 25 cents, large size 75 cents. For sale everywhere.
