\$500 WILL BE FORFEITED BY DR. L. DIX if failing to cure in less time than any other physician, more effectually and permanently, with less strait from occupation or fear of exposure to all ether, with safe and pleasant medicines.

SELF-ABUSE AND SOLITARY HABITS.

Their effects and consequences;
SPECIAL AFFLIMENTS AND SITUATIONS,
Incident to Married and Single Ladies;
SECRET AND DELICATE DISORDERS;
Mercurial Affections; Eruptions and all Diseases of the Skin; Ulcers of the Nose, Throat and Body; Pimples on the face; Swellings of the Joints; Nervousness; Constitutional and other Weaknesses in Youth, and the more advanced, of all ages, of
BOTH SEXES, SINGLE OR MARRIED.

DR. L. DIX'S

PRIVATE MEDICAL OFFICE,

21 Endicott Street, Boston, Mass.

is so arranged that patients never see or hear each other. Recollect, the ONLY entrance to his office is No. 21, having no connection with his residence, consequently no family interruption, so that on no account can any person hesitate applying at his office.

DR. DIX

boldly asserts (and it cannot be contradicted, except by quacks, who will say or do anything, even perjure themselves, to impose upon patients) that he
IS THE ONLY REGULAR GRADUATE PHYSICIAN ADVERTISING IN BOSTON.

SIXTEEN YEARS

engaged in treatment of Special Diseases, a fact so well known to many Citizens, Publishers, Merchants, Hotel Proprietors &c., that he is much recommended, and particularly to
STRANGERS AND TRAVELLERS

to avoid and escape imposition of Foreign and Native Quacks, more numerous in Boston than other large cities.

DR. L. DIX

proudly refers to Professors and respectable Physicians—many of whom consult him in critical cases, because of his acknowledged skill and reputation, attained through so long experience, practice and observation.

AFFLICTED AND UNFORTUNATE!

be not robbed and add to your sufferings in being deceived by the lying boasts, misrepresentations, false promises, and pretensions of

FOREIGN AND NATIVE QUACKS,

who know little of the nature and character of Special Diseases, and less as to their cure. Some exhibit forged Diplomas of Institutions or Colleges, which never existed in any part of the world; others exhibit Diplomas of the Dead, how obtained, unknown; not only assuming and advertising in names of those inserted in the Diplomas, but to further their imposition assume names of other most celebrated Physicians long since dead. Neither be deceived by

QUACK NOSTRUM MAKERS,

through false certificates and references, and recommendations of their medicines by the dead, who cannot expose or contradict them; or who, besides, to further their imposition, copy from Medical Books much that is written of the qualities and effects of different herbs and plants and ascribe all the same to their Pills, Extracts, Specifics, &c., most of which, if not all, contain Mercury, because of the ancient belief of its "curing everything," but now known to "kill more than is cured," and those not killed, constitutionally injured for life.

IGNORANCE OF QUACK DOCTORS AND NOSTRUM MAKERS.

Through the ignorance of the Quack Doctor, knowing no other remedy, he relies upon Mercury and gives to all his patients in Pills, Drops, &c., so the Nostrom Maker equally ignorant, adds to his so-called Extracts, Specifics, Antidotes, &c., both relying upon its effects in curing a few in a hundred, it is trumpeted in various ways throughout the land; but, alas! nothing is said of the balance; some of whom die, others grow worse, and are left to linger and suffer for months or years, until relieved or cured, if possible, by competent physicians.

BUT ALL QUACKS ARE NOT IGNORANT.

Notwithstanding the foregoing facts are known to some Quack Doctors and Nostrom Makers, yet, regardless of the life and health of others, there are those among them who will even perjure themselves, contradicting giving mercury to their patients or that it is contained in their Nostroms, so that the "mountain" may be obtained for professedly curing, or "the dollar" or "fraction of it" may be obtained for the Nostrom. It is thus that many are deceived also, and uselessly spend large amounts for experiments with quackery.

DR. L. DIX'S

charges are very moderate. Communications sacredly confidential, and may rely on him with the strictest secrecy and confidence, whatever may be the disease, condition or situation of any one, married or single.

The Early Physical Degeneracy

AMERICAN PEOPLE.

Just Published by Dr. STONE,
PHYSICIAN TO THE TROY LUNG AND HYGIENIC INSTITUTE. A TREATISE ON THE CAUSES OF EARLY PHYSICAL DEGENERACY OF THE AMERICAN PEOPLE: THE CAUSE OF NERVOUS DEBILITY, CONSUMPTION AND MARASMUS.

THIS work is one of high moral tone, written in chaste yet thrilling language, and appeals directly to the moral consciousness of ALL PARENTS AND GUARDIANS especially, detailing scientific and reliable aids and treatment for cure.

It will be sent by Mail on receipt of two (2) cent STAMPS.

PARENTS AND GUARDIANS! fail not to send and obtain this book.

YOUNG MEN! fail not to send and get this book.

LADIES! You, too, should at once secure a copy of this book.

A WORD OF SOLEMN, CONSCIENTIOUS ADVICE TO THOSE WHO WILL REFLECT.

A class of maladies prevail to a fearful extent in community, dooming at least 100,000 youth of both sexes annually, to an early grave. These diseases are very imperfectly understood. Their external manifestations or symptoms are Nervous Debility, Relaxation and exhaustion; Marasmus or wasting and consumption of the tissues of the whole body; shortness of breathing, or hurried breathing on ascending a hill or a flight of stairs, great palpitation of the heart; Asthma, Bronchitis and Sore Throat, shaking of the Hands and Limbs, aversion to society and to business or study; dimness of Eye sight; loss of Memory; Dizziness of the Head; Neuralgic Pains in various parts of the body; Pains in the Back or Limbs; Lumbago, Dyspepsia or Indigestion; irregularity of the bowels; deranged sections of the Kidneys and other glands of the body, as Leucorrhoea or Fleur Alois, &c. Likewise Epilepsy, Hysteria and Nervous Spasms.

Now, in ninety-nine cases out of every one hundred, all the above named disorders, and a host of others not named, is Consumption of the Lungs, and that most insidious and wily form of Consumption of the Spinal Nerve, known as Labes Dorsalis; and Tabes mesenterica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of success on the part of the old school practice in treating symptoms only.

Dr. Andrew Stone, physician to the Troy Lung and Hygienic Institution, is now engaged in treating this class of modern maladies with the most astonishing success. The treatment adopted by the Institution is new; it is based upon scientific principles, with newly discovered remedies, without minerals or poison. The facilities of cure are such that patients can be cured at their homes, in any part of the country, from accurate descriptions of their case, by letter; and have the medicines sent them by mail or express. Printed interrogatories will be forwarded on application.

Consumption, Catarrh and diseases of the throat, cured as well at the homes of patients as at the Institution, by sending the Cold Medicated Inhalant Balsamic Vapors, with inhaler, and ample directions for their use and direct correspondence.

Patients applying for interrogatories or advice, must inclose return stamps, to meet attention.

The attending physician will be found at the Institution, for consultation, from 9 A. M. to 9 P. M., of each day. Sundays, in the forenoon. Address

DR. ANDREW STONE,

Physician to the Troy Lung and Hygienic Institute, and Physician for Diseases of the Heart, Throat and Lungs, 95 Fifth Street, Troy, New York.

Liver Complaint.

This disease is more prevalent than people have an idea of. When the Liver is obstructed or inactive, the bile is impure, and this impure bile is carried into the Secretions of the system; the consequence is, an unhealthy complexion, or a yellowness of the Skin, attended with pain in the right side, also over the

CAREY'S CATHARTIC CANDIES

A SAFE, RELIABLE AND THOROUGH FAMILY PHYSIC

NEVER, since the dawn of civilization, has there been recorded such an improvement in medical science as that inaugurated by the discovery of CAREY'S CATHARTIC CANDIES. The days of disgusting and dangerous pills, made of mercury and aloes, of nauseous salts and senna, of sick-jalap and rhubarb powders, are now numbered; a new era opens up; the medicinal properties of the aloe and most expensive drugs have been, by a process known only to Doctor Carey, chemically separated from their useless particles, every vestige of smell and taste removed, and made into the form of delicious candies. There is no longer a necessity for parents forcing themselves or their children to swallow and strangle with loathsome-tasting physic.

CAREY'S CATHARTIC CANDIES Have valuable medical properties that no pills or powders ever can possess. They can be given to those with the most delicate stomachs, without the slightest knowledge that they are taking physic: they are not to be swallowed whole, being the same in the centre that they are on the outside; place one in the mouth before retiring for the night, allow it to dissolve slowly away, its taste will be found delicious, while there are a variety of flavors to suit every palate. For all diseases originating in the Stomach, the Bowels, the Liver, or the Kidneys, there has never been a medicine in existence that could equal them. They are guaranteed not to contain a single particle of Mercury or other mineral or corrosive substance, and can be given to the weakest and most delicate of infants, to speedily and permanently disappear. Subjoined is the certificate of the celebrated chemist, Mr. V. S. HULTON, the highest authority in the United States, who has carefully examined and thoroughly tested the properties and value of the Candies. Hear what he says regarding them:

New York, Jan. 31, 1862.

MR. GEO. C. BARCLAY, Proprietor of Carey's Cathartic Candies:

DEAR SIR,—I have analyzed and tested critically your Carey's Cathartic Candies, which I hereby certify to be a safe and very efficacious physic. They do not contain any mineral or corrosive substance, and may be administered to invalids or children without fear. I consider them to be a very important discovery, and one which is of the greatest value to the community at large.

I am, &c.,

V. S. HULTON, Analytical Chemist.

UNREFUTED PROOF.

The testimony of Nations is unanimously borne to the health-giving virtues of his noble remedy, and certificates in every living language bear witness to their DENIABLENESS of their INTRINSIC WORTH.

THE NEW YORK TIMES is now recognized throughout the country as conspicuous among the journals of the City of New York for the

CHEAPNESS OF ITS ISSUES,

AUTHENTICITY OF ITS NEWS

It pays unfaltering allegiance to the UNION and THE CONSTITUTION; lending a steady, but discriminating support to the present Administration of the Government, and advocating every timely effort to promote the Progress, and Elevation of every portion of the Human Race. In this advocacy it yields only to safe and conservative impulses, placing, always, the Public Good, in advance of merely Humanitarian or Secretarian Considerations. No question of Import to the welfare of the nation or society fails to obtain candid, independent and exhaustive discussion in the columns of this journal.

In the Department of News the first aim of the TIMES will continue to be the collection and publication of trustworthy intelligence from all parts of the World.

Its general correspondence, both Foreign and Domestic, is confessed to be superior to any other American Newspapers. Its letters descriptive of

THE EVENTS OF THE WAR,

its record of the Movements of the Contending Armies, their Marches, their Battles, their Retreats, the Lists of Casualties, its Delicacies of Camp Life, have given a new and distinctive interest to that department of Journalism.

Its Reports of Congressional and Legislative Proceedings, of Financial, Commercial and

GENERAL INTELLIGENCE,

of important Legal and Criminal Trials, and of whatever may have special interest for the great body of the community, are full, prompt and reliable.

But whether in the enunciations of opinions or the statement of facts, the TIMES never loses sight of the obligations of public or private morality; never compromises the judgment or taste of the vicious; but seeks uniformly to furnish reading properly admissible into the Domestic Circle.

The NEW YORK WEEKLY TIMES is a large and elegantly printed quarto sheet, of eight pages, or forty-eight columns—devoted to Politics, Literature and General News, and intended to be the BEST as well as the CHEAPEST FAMILY NEWSPAPER in the United States.

Especially attention is devoted to full, accurate and trustworthy reports of the
