

JASPER, DUBOIS COUNTY, INDIANA.

Entered at the Postoffice at Jasper, Indiana, for
 remission through the mail as second class matter.

FRIDAY, OCTOBER 4, 1901.

If you have any local news, or
 want any printing, call us through
 the Courier Phone, 13-2.

The Star Band got back from
 Troy street fair Sunday, and say
 the fair was "great."

EXTENSIONS.—The Cumberland
 Telephone Co. is this week putting
 in the poles for the extension of its
 line to Portersville and Haysville
 from Jasper, and the Home Tele-
 phone Co. is at work on the exten-
 sion of its line from Huntingburg to
 Birdseye.

BROKE.—John Rother, one of the
 leading merchants of Huntingburg,
 failed Monday last, and Dan. Reu-
 tepohler has been appointed Re-
 ceiver to settle up his business.
 His creditors met Monday and
 found liabilities for over \$12,000,
 with assets of probably \$7,000. Mr.
 Reutepohler filed the necessary bond
 and took charge of the "Hub store."

THE NEXT CONGRESSMAN.

The Huntingburg News last week
 says "Congressman Zenor's visit to
 this county has started the pot in
 the Congressional race to simmer-
 ing," and then Mr. Pickhardt ad-
 vocates the nomination for a fourth
 term for Mr. Zenor,—notwithstand-
 ing he knows a Dubois county Dem-
 ocrat is an aspirant for that nomi-
 nation. The News editor a few
 years ago was an ardent stickler for
 "county pride and local rights"
 when another district nomination
 was in the balance, and, as he says,
 was also in favor of rotation in office.

Some Democrats are so unchari-
 table as to wonder whether Mr.
 Pickhardt's change of heart on both
 policies is a genuine conversion, or
 whether it comes from the circum-
 stance that the aspirant this year is
 a Jasper citizen, and Mr. P.'s
 known antipathy to most Jasper
 people or interests—political, of a
 business character, or socially. But,
 of course, that has nothing to do
 with the merits of either Mr. Cox
 or Mr. Zenor, as aspirants for con-
 gress, or any other person, unless
 Mr. P. has aspirations to come in
 as a dark horse in the race himself!

Nearly all observers have noticed
 that congressmen who have been in
 that position a number of terms,
 are, if they have shown an aptitude
 to lead on any public question,
 more efficient than new members,
 but he would be considered rather
 an incompetent member, and not
 well calculated to lead, if he failed
 to get a good understanding of the
 rules governing that body during
 the two years of his first term; and
 in fact Tom Reed mastered them in
 one year of his first term, as have
 many others, and taken a leading
 part during the second year of their
 first terms.

The 3d district, by reason of its
 large Democratic majority, and its
 varied industrial enterprises, and its
 long border on navigable, or what
 should be made navigable streams,
 is entitled to a man in congress who
 is able to aid the public interests in
 other ways than merely looking af-
 ter pensions, or other routine work,
 which any 4th grade attorney can
 attend to as well. Of the nine
 counties composing the district,
 five, with 65 hundredths of the
 voting population, border on the
 Ohio river, and Dubois county bor-
 ders on White river, which should
 also be made navigable as far as
 Haysville, and could be at a less
 cost than it has taken to make Green
 river navigable. Add Dubois' vote
 to the others, and it makes over
 three-fourths of the voters interest-
 ed in a good river and harbor bill.
 Has our present congressman done
 anything to secure an appropriation
 to improve these rivers? If
 so, let it be pointed out. It is easy
 enough to get a clerk in one of the
 Departments to write up a lot of
 statistics, which very few read when
 the congressman embraces the
 clerk's work in a speech, but it is a
 different matter to so thoroughly in-
 form himself that he can secure an
 influence with a committee which
 reports any bill for an act. It needs
 not only a judicial turn of mind,
 which will be readily conceded to
 Judge Zenor, but other qualities
 which make friends and advocates
 of meritorious measures which
 members are able, by their general
 conduct, to get a chance to explain
 to others, and show their probable
 benefits. Give the district a first-
 class man, like M. C. Kerr was in
 his life, and the people of the dis-
 trict will reap the benefits of his po-
 sition.

The COURIER believes Mr. Cox
 would honor the position, and that
 Dubois county will present a solid
 front for him when the time comes.

See Mrs. Davis' new adv. in
 this issue, she has a full line of
 beautiful hats.

PREACHING.—Rev. J. R. Rensch
 will preach at Trinity church next
 Sunday, Oct. 6th, at 3 o'clock p.
 m. instead of 10 a. m. as formerly
 announced. All are invited to at-
 tend.

S. A. Ingalls, Crown Point, N. Y.,
 writes: "My wife suffered from kidney
 trouble for years. She was induced to
 try Foley's Kidney Cure and in less than
 a week after she began using it, she was
 greatly improved and three bottles cured
 her." B. B. Brannock.

MARRIAGE LICENSES.—Bernard
 Laake and Josephine Schipp; Louis
 Buffkins and Daisy Harris.

SICK FOLKS.—Esq. Jos. Sermer-
 sheim's daughter is getting better
 from the attack of typhoid fever.

Mr. Joseph M. Bauer is seriously
 afflicted with Bright's disease, and
 fears are entertained of the result.

A GOOD INVESTMENT.—Lieut. W.
 W. Kendall has purchased the Mar-
 tin Mickler farm on Lick Creek, one
 mile south of the French Lick
 Springs, consisting of 150 acres of
 beautiful land, 80 acres in cultiva-
 tion, and 70 acres in timber, for
 \$5,000, a rare bargain. Mr. Mick-
 ler, the veteran hunter, wants to go
 where there is plenty of game to
 hunt. Lieut. Kendall will still re-
 tain Little Round Top for his head-
 quarters,—but is likely to spend the
 hot summer months at the Lick, as
 he and his wife have been much
 benefitted by the use of the Lick
 water during the past summer. He
 says it is wonderful to note the im-
 provements being made around
 French Lick and West Baden, land
 being on a grand boom.

Quinine for Colds.

Many people who use quinine for the
 cure of colds say that the effect of this
 drug is more disagreeable than the dis-
 ease. Krause's Cold Cure is prepared
 in a convenient capsule form, and will
 cure the most deeply seated cold in 24
 hours without any interruption to busi-
 ness. They are pleasant to take and
 give you a clear, fresh sensation while
 operating. Price 25c. Sold by Martin
 Friedman.

WITCHCRAFT IN FERDINAND.

Dear Mr. Editor of the Jasper
 COURIER:—Allow me to call the at-
 tention of your distinguished con-
 temporary of the Evansville Courier
 to the fact, that he made a mistake
 when he published his last article
 on Witchcraft in Ferdinand, which
 was headed as if written at Ferdi-
 nand, but which was written by the
 leading legal light of the Jasper
 Bar, and delivered by himself in
 propria persona to the editor of the
 illustrated Evansville Courier. We
 have no objections at all if the editor
 of the Evansville Courier turns
 his illustrious and somewhat yellow
 newspaper into an advertising sheet
 to advertise the work of the afore-
 said leading legal light of the Jasper
 Bar, but we do have strong grounds
 for complaint when such a strong
 combination of talent, namely, the
 leading light and the editor of the
 Evansville Courier, cannot tell the
 difference between a case of witch-
 craft and a simple case of howling
 hysterics. We assure the readers
 of the Evansville Courier that it is
 nothing more than a simple case of
 hysterics that is bothering the
 madame at Ferdinand, in whom
 there is so much interest taken by
 the extinguished correspondent of
 the Evansville Courier, who hails
 from Jasper, even if he tries to hide
 his talent under the protecting care
 of the name of Ferdinand, which,
 by the way, is as good a name as
 any other on earth.

Allow me to suggest to the extin-
 guished editor in question that he
 appoint his extinguished Jasper cor-
 respondent as reviewer-in-chief for
 the ten cent novels that he sells
 over the editorial counter, and let
 witchcraft and hysterics alone, or if
 he has to discuss these subjects, let
 him send his articles to the Police
 Gazette in the sweet hereafter.

POMPERNICHEL.

Chas. R. Westmar, Evanston, Ill.,
 writes: "My boy 2 1/2 years old had a
 severe cold which refused to yield to any
 treatment until we tried Foley's Honey
 and Tar. He was completely cured be-
 fore using one bottle." Take none but
 Foley's. B. B. Brannock.

Eighteen hundred and seventy-
 four Sunday schools were organized in
 destitute places by the American
 Sunday school union last year. Be-
 sides these, 594 were reorganized and
 9,123 old schools were visited
 or otherwise aided. About \$146,-
 101 was received for missionary
 work, and 222 men were employed.

The Eminent Kidney
 and Bladder Specialist.

The Discoverer of Swamp-Root at Work in
 His Laboratory.

There is a disease prevailing in this
 country most dangerous because so decep-
 tive. Many sudden deaths are caused by
 it—heart disease, pneumonia, heart failure
 or apoplexy are often the result of kidney
 disease. If kidney trouble is allowed to ad-
 vance the kidney-poisoned blood will attack
 the vital organs, or the kidneys themselves
 break down and waste away cell by cell.
 Then the richness of the blood—the albumen
 —leaks out and the sufferer has Bright's
 Disease, the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root the new dis-
 covery is the true specific for kidney, bladder
 and urinary troubles. It has cured thousands
 of apparently hopeless cases, after all other
 efforts have failed. At druggists in fifty-cent
 and dollar sizes. A sample bottle sent free
 by mail, also a book telling about Swamp-
 Root and its wonderful cures. Address
 Dr. Kilmer & Co., Binghamton, N. Y. and
