DENTISTRY. DR. F. GRETE HAS RE-SUMED his old profession.

THE following inspired passages, spoken by the late General E. D. Baker, we clip from the Humboldt National.

"We are a city set on a hill. Our light cannot be hid. As for me, I dare not. I will not be false to freedom. Where the feet of my youth were planted, there, by freedom, my feet shall ever stand.

The following is his apostrophe to the comet of 1858, spoken at the cable celebration in San Francisco on the 28th of September of that year:

"We have accomplished a great work; we have diminished space to a point; we have traversed one-twelfth of the circumference of our globe with a chain of thought pulsing with intelligence and spiritualizing matter. But, even while we assemble to make the deed and rejoice at its completion, the Almighty, as if to impress us with a becoming sense of our weakness compared with his power, has set a new signal of his reign in heaven.

THE Chinese case, involving the right of the Sheriff of Boise county to collect foreign miners' license from Chinamen, has been decided by Judge Noggle in favor of the collection of the tax.
