

PLEASE GIVE US YOUR ATTENTION WHY?

Because it's of Great Importance to You

CREMO
DAIRY
FEED
for
MILK COWS

IT IS STATED THAT
FIFTEEN MILLION DOLLARS

worth of unmasticated and undigested whole grain, corn and oats, are annually passed from the bowels of horses and mules in the Southern States alone. In the United States it would total upwards of sixty millions

Are You Contributing?
There Is a Remedy
Corno Horse and Mule Feed

CORNO
HEN
and
CHICK
FEED

the original combination of Ground Alfalfa and Selected Grain Products, will save you the loss of this whole grain. Its strength and fitness lie in the fact that its food elements are exactly balanced, it is extremely palatable, the degree of digestibility is exceptionally high and the alfalfa makes a tonic as well as a feed.

See us now and we will contract with you for your season's supply. We have a good stock of CORN, OATS and BLUE RIBBON FEED.
