Always the Best of Everything for the Least Money.

The Busy Corner.

Open Late Tomorrow Night.

GLASSWARE SELLING THAT COMES With New Year's Timeliness.

"Double your money's worth" is a popular attraction on the third floor tomorrow, and there is not the least doubt but what the tune of the value-giving will draw the desired throngs. The reductions are most especially directed toward such goods as did not share very heavily in the Xmas buying, but which come in most appropriately for New Year's occasions and general household usefulness. Be active to the pricings that hold good throughout the department, and you'll come away much richer for your purchases.

A Remarkable Day 'Mid the Men's Furnishing Stock.

There is no praise too pronounced for such a display. The fullness of assortments—the nobleness of styles—the dependability—in fact, the entire character of the goods is marked with unmatchable prices. Yet this doesn't deter us from making the reductions that must come of an overstocked stock. We are forced to call on the old remedy which has always been a sure cure for such a case—the reduction knife. And there is extra force behind each cut.

Originally sold at \$4.25, reduced to.....	\$3.25
White Landered Shirts, Fit-We'll brand, which is apropos of their fitting qualities, full dress style, made with open front and back, and we'll match it with any \$1 Shirt in the city. Special.....	75c	Cardigan Jackets—woven of the best quality German yarn—indispensable to men of outdoor labor, single or double breasted styles, in brown, navy blue, garnet, and wine colors. A Bargain Chance in Confections.

You can give that sweet tooth a rich satisfactory treat tomorrow very inexpensively. Even the candy prices have caught the price cutting fever of the other departments, and naturally follow suit. The efforts are restricted to three lots, but they are a trio of unbeatable values.

About 1,500 pounds of Fine Pure Mixed Candies, worth about double the price. For one day, 9c per pound.....	9c	500 pounds of Pure and Fresh Crisp Peanut Brittle—a very fine quality—for one day, per 12c pound.....	12c

Charged With Mischief the Mails.

Charles M. Pomeroy was held today in \$500 bond by United States Commissioner, Samuel R. Mills, on the charge of sending obscene matter through the mails. The accused was arrested at No. 812 M Street northwest, this morning by Deputy United States Marshal Garrison on a complaint made by Postoffice Inspector Little. The original charge against Pomeroy was made by his sister, Marion E. Pomeroy, who resides at Meriden, Conn. In a complaint to the Postoffice authorities she stated that she had received a letter from her brother, the accused, abusing her in the vilest of language.

We've Gone the Limit of Reductions.

Carried prices over to the profitless side of the selling mark. Business in clothing has been dull compared with our expectations. Everybody has felt the depression, and we dare say our season will show greater volume than 95 per cent of the clothing. Other concerns must do what we aim to do tomorrow—reduce stocks. We start the ball with a sport that'll give us a lead that can't be overtaken. With prices that WON'T be equaled.

Pay for Cash or Easy Credit.

LADIES' SUITS

They are a thoroughly superior garment. They've proven a big success this season at \$10. Every feature and quality is all that could be desired. Nothing has ever compared with 'em at \$6.50. And that's for Cash or Credit, too.

\$6.50

LADIES' CAPES

Another instance of the remarkable reductions that hold good here tomorrow. Ladies' fur-trimmed Cloth Capes that you'd imagine would sell for \$3, and they're worth it, too. We've reduced 'em to \$1.48 and extend the cash or credit privilege.

\$1.48

LADIES' CAPES

Way from \$8 we've brought the price on handsome Ladies' Capes down to \$3.50. Positively you've never seen better for the money. They're stylishly trimmed, full sweep and perfect. Cash or Credit, \$3.50.

\$3.50

FINE \$12 CAPES

A clear cut of \$5.50 out of this price. Women's a handsomely made cape. Full sweep, richly trimmed, best quality of findings and cloth. Matchless at their former price. Reduced tomorrow to \$5.50 and credit if you want.

\$5.50

LADIES' JACKETS

\$2.98—and they're yours. Worth every cent of \$5. But they must go, and prices are reduced accordingly. These jackets are superior in every way. Tailoring, quality, and fit. They'll go at \$2.98—and Cash or Credit, at that.

\$2.98

MEN'S CHEVIOT SUITS

We're forced to make a price on these suits that doesn't begin to show their value. They're all-wool cheviot garments and perfection in all the details that good clothing can be. Good, sound, serviceable suits. Cash or Credit. Take 'em Saturday at \$5.50.

\$5.50

MEN'S WORSTED SUITS

Here's a bargain that overtops the best of 'em. Fancy Worsted Suits, stylishly made and well tailored; nothing to compare with them in the city under \$12.50. A wonder chance; Cash or Credit \$7.50.

\$7.50

MEN'S OVERCOATS

A garment out of the ordinary \$10 class. They're nob by Kersey Cloth. A garment both comfortable and serviceable, clearly showing the work of high-art tailoring. Cash or Credit; they go at \$7.50.

\$7.50

MEN'S WORSTED PANTS

At a dollar more they'd be a bargain. Think of fine fancy Worsted Pants, stylishly cut, perfect fitting for only \$1.75. Why, the equal of it has never been heard before. Cash or Credit, too.

\$1.75

KERSEY JACKETS

The marked price \$12—and what they'll go tomorrow at isn't the cost of the goods. More of this lot than of any other. Fine Kersey Cloth, stylish cut, faultless fit, and serviceable quality. Take your pick at \$5.50. Pay on credit terms, if you want to.
