# THE MISSISSIPPI CAPITAL.

## NOTHING DOING IN LEGISLATIVE CIRCLES.

### The Vote in the Senate on the Simonton Amendment—The Masonic Grand Lodge.

[SPECIAL TO THE APPEAL.]

JACKSON, MISS., February 3.—The capitol was deserted to day, most of the Legislators having left this morning for Columbus, while those who did not go remained indoors on account of the weather. The remainder of the week promises to be very dull. The Legislature will meet on Saturday, but it is hardly likely that any business will be transacted before Monday, when the law-makers will once more go to work in earnest.

**Steamboat Sunk.**

The steamboat O. K. Singleton, which plies between this place and Carthage on Pearl river, sunk twelve miles north of Jackson about 10 o'clock to-day in three feet of water, on a bar. Her cargo consisting of flour and fertilizers, valued at $3000, is a total loss and no insurance on either boat or cargo.

**Death of a Well-Known Citizen.**

Mr. John H. Allen died at the residence of his mother-in-law, Mrs. L. H. McGehee, in Madison county, on the 31st ultimo, and was buried here yesterday from the Methodist church. The funeral was conducted by the pastor, the Rev. Dr. C. G. Andrews, assisted by the Rev. Dr. John Hunter of the Presbyterian church. Mr. Allen was born and raised in this place, and has spent most of his life here. He was a young man of exceptional moral character, exemplary in his conduct, a man of first-class business capacity, of strict integrity, and a Christian gentleman.

**The Vote on the Simonton Amendment.**

*Clarion*, 2d: As will be seen by the Senate proceedings, that body, on yesterday, adopted the amendment offered by Senator Simonton to the charter of the Kansas City, Memphis and Birmingham Railway Company, which prohibits it from locating its line within twelve miles of an air line from Holly Springs to New Albany, from New Albany to Tupelo, from Tupelo to Fulton, and from Fulton to the Alabama line.

The following Senators voted for the amendment:

| | |
|---|---|
| Batchelor, | Binford, |
| Boyd, | Buchanan, |
| Burkitt, | Gage, |
| Guyton, | Hamilton of Hinds, |
| Hamilton of Holmes, | Luse, |
| Morris, | Owen, |
| Packwood, | Simonton, |
| | Walker. |

The following Senators voted against the amendment:

| | |
|---|---|
| Boone, | Boothe, |
| Brenham, | Dean, |
| Dillard, | Gully, |
| Harvey, | Love, |
| Powel, | Ross, |
| | Smith. |

The following pairs were announced: Mr. Dodds, aye, with Mr. Kemp, nay; Mr. Vertner, aye, with Mr. Houston, nay; Mr. Sykes, aye, with Mr. Yerger, nay; Mr. Whitney, aye, with Mr. Reynolds, nay.

The following protest was spread on the journals:

MR. PRESIDENT—We protest against the adoption of the amendment, because it creates a monopoly in favor of one railroad, and gives it an exclusive right to build in a scope of country twenty-four miles wide. Said amendment is against principle, precedent, public policy and the interest of the people, and in the interest of a railroad company, giving it exclusive rights.

| | |
|---|---|
| R. O. Reynolds, | Wm. G. Yerger, |
| G. G. Dillard, | S. M. Ross, |
| J. B. Boothe, | Sam Powel, |
| T. B. Kemp, | W. F. Love, |
| F. M. Boone, | H. J. Gully, |
| W. T. Houston, | R. A. Dean. |

A. H. Brenham.

If the amendment assumed to bind succeeding Legislatures we would have something more to say about it.

**Masonic.**

*Clarion*, 2d: The Hon. J. B. Morgan, member of Congress for the Second District, is the Grand Master of Masons in Mississippi, and will preside over the Grand Lodge at its sixty-eighth annual session, to commence in Jackson on Wednesday, the 10th instant. The Masonic grand bodies, which will hold their annual session in this city next week, are the Grand Chapter on Monday and Tuesday, and the Grand Lodge on Wednesday, Thursday and Friday. The railroads will give the usual reduction in rates, of which all interested have been notified.

**Fatal Shooting Affray.**

CHICAGO, ILL., February 3.—A fatal shooting affray occurred in a restaurant on State street, near Harrison, shortly before 2 o'clock this morning, Thomas Lawrence being shot by James Jameson, proprietor of a saloon at 346 State street. Jameson had been drinking freely. With four friends he went into the restaurant and ordered supper. Shortly afterwards he became involved in a quarrel with Thomas Davis, a colored waiter. They exchanged blows and Jameson pulled his revolver and fired one shot at Davis. Jameson was pacified for the time, but still talking loudly, when Lawrence entered a moment later. Jameson insulted Lawrence and another fight ensued, in which Jameson again drew his pistol and shot Lawrence in the abdomen. The struggle continued and the men fell down the cellar stairs. In the cellar Jameson snapped his revolver twice, but the cartridges failed to explode. He had placed the weapon to Lawrence's head when it was wrenched from his hands. Jameson ran to his own saloon a few doors distant and locked himself in. Several policemen broke in the door and arrested him. Lawrence was taken to the county hospital where the physicians pronounced his wound fatal.

**Rabid Dogs in Kansas.**

PARSONS, KAS., February 3.—This city was thrown into a state of excitement yesterday by a rabid dog which made its appearance on the street. It paid no attention to anything or any one except it came directly in his way, when he would immediately seize it, give it one snap and go on. It bit several people. The first among them was Orr Fiza, a dry goods clerk. It then bit a colored boy, next a little girl of Mrs. Drew was bitten, the dog never stopping to pay any further attention to his victims than to snap them. Its next victim was Mr. M. Hoke, proprietor of the stone-mill. The dog apparently intended to pass him, but when immediately opposite him it seized his leg with its teeth, asserting it badly. The report was quickly circulated, and within a half hour upward of twenty men, armed with guns, were in hot pursuit, and the dog was soon overtaken and dispatched. It is certain that a great many dogs and some horses have been bitten, but it is not known how many. It has been ascertained that Mr. A. W. Diggs, a flour merchant, was the most severely bitten. There may be others who have been bitten but have not reported yet.

## PERSONALS.

NEW ORLEANS *Picayune*: "Joseph Murphy says that pirates are playing his 'Kerry Gow.' These bad actors on the high seize should be blown up by torpedoes."

NEW ORLEANS *Picayune*: "William Daly, while doing his high jumping act in Vacation at Montreal last week, injured himself internally. The show immediately closed its engagement and returned to Boston. It was too intellectual to last."

JEFFERSON DAVIS has given the Building Committee of the Baptist Church at Fairview, Ky., $1000 to pay for his birth place. The committee will deed the place to Mr. Davis, and he will then deed it to the Baptist Church as a place for the perpetual worship of God.

MRS. JULIA WARD HOWE says: "The woman's suffrage cause is advancing more rapidly than any one knows. We expect the right to vote at school elections to be allowed in every State within a year or two. It is merely a question of time when woman shall wield the ballot. That would be the best thing that could happen for female laborers. The politicians would then respect us through fear, if for no other reason, and we would be as powerful as the men."

SECRETARY LAMAR'S decision in the Bell telephone case was eagerly sought for in advance by speculators, who could have made fortunes if they had known of it in time to go short of the stock. A lady clerk in the Interior Department was offered $5000 and then $10,000 by a representative of a New York firm for a copy of the decision, which she had transcribed. At the second offer she excused herself a moment and stepped into the Secretary's private office. When she returned the Secretary accompanied her, gave the speculator a very plain talk, and informed him he would give him just ten seconds to leave the room.

THE bandmaster of the flagship Lancaster, who died of yellow-fever recently at Rio de Janeiro, had a presentiment of his death, so it is said, and when the ship was ordered to South America he tried to get his discharge, declaring that it had been revealed to him that if he went there he would fall a victim to the disease. The Lancaster had been in the harbor of Rio only a short time when he was taken ill and, being sent to the hospital on shore, died there. So far as was known there was no yellow-fever in the city at the time, and the only other case on the Lancaster was that of a comrade who kissed the bandmaster as he was being taken ashore. He, too, died.

**THE DOCTOR THAT CURES A HOTEL.**

Mr. Louis Harrison, the well known actor, had been confined to his hotel in Chicago for six weeks under the care of a "resident doctor." He escaped death and the physicians, and to celebrate his recovery he composed the following parody:

The doctor that lives in the house, tra-la,
Breathes promise of coffins and ice,
As he puts his hand under your blouse, tra la,
And tells you as meek as a mouse, tra-la,
That you're getting along very nice,
(While he's thinking of coffins and ice).
And that's what I mean when I say with a yell,
Steer clear of the doctor who cures a hotel.
Tra-la-la- a-la, Tra-la-la-la-la,
The doctor who cures a hotel,

The doctor that cures a hotel, tra-la,
Will allow you prescriptions to mix.
You can order, if not feeling well, tra-la,
Morphine fried or on the half-shell, tra-la,
Or powders of Dover's in sticks,
Or quinine in pills or in bricks
And that's what I mean when I giggle so hard,
Steer clear of the doctor who owns a graveyard,
Tra-la-la-la-la, etc.,
The doctor who cures a hotel.

The doctor who cures a hotel, tra-la,
Knows nothing at all of your case.
He dresses and looks like a swell, tra-la,
And his medicines raise merry h—ll, tra-la;
Undertakers salute him with grace,
There's a job in each smile on his face,
And that's why I sing while my voice and my tongue
Can connect with my solid congested right lung,
Tra-la-la-la-la, etc.,
The doctor that cures a hotel.

## NEWS IN BRIEF.

COHOES, N. Y., February 3.—George Waterhouse, a boy fourteen years of age, was bitten by a dog in Lansingburg. For the past week the boy has shown signs of hydrophobia. His condition became alarming and a physician was called and administered all the medicines usually used in such cases, but to-night it was deemed advisable to smother him.

PITTSBURG, PA., February 3.—Oliver Bros. & Phillips and Oliver & Roberts, the iron manufacturers who failed a year ago, and were granted an extension of three years, paid the first installment of their indebtedness to-day. The amount was $300,000, an average of $1000 for every every working day since the failure. The payment was made without disposing of any real estate or permanent assets of the firm.

PITTSBURG, PA., February 3.—The order of the Pennsylvania Railroad Company, in regard to the Employes' Relief Association, went into effect yesterday, and a large number of the employes on the Pittsburg division sent in their consent. Superintendent Pitcairn said that he had received 1000 applications, and knew of as many more, making 75 per cent. of the force who intended to become members.

DALLAS, TEX., February 3.—The United States marshal closed Fee Bros'. Elm street dry goods and merchandise establishment yesterday under attachments issued out of the United States District Clerk's office, amounting to $10,000. It is said there are other attachments in prospect. Fee Bros. were among the heaviest merchants of Dallas, and their liabilities are probably extensive, but neither these nor their assets have yet been ascertained. The creditors are principally New York, Cincinnati, Chicago and St. Louis firms.

**International Fair Association.**

INDIANAPOLIS, IND., February 3.—About thirty delegates met here to-day to attend the second annual convention of the International Fair Association. They represent Canada and the States of New York, Nebraska, Kansas, Michigan, Missouri, Illinois, Ohio, Indiana and Wisconsin. The president, Julius S. Walsh of St. Louis, delivered an address urging the necessity of united action of fair associations for mutual support and protection, and commending the work that has already been done. To-day's sessions are devoted to the work of organization, and to night a banquet will be given the visitors by the local fair men.

# FOUGHT WITH KID GLOVES

## RATTLING MILL BETWEEN DEMPSEY AND FOGARTY.

### Twenty-Seven Rounds to Settle the Contest—Fogarty Badly Punished.

NEW YORK, February 3.—Since Jack Dempsey's return from the West he has been spoiling for a fight. After issuing a number of challenges to all pugilists of note, an arrangement for a meeting was formally made with Jack Fogarty of Philadelphia. The fight was arranged for last night, and was for $2500 a side, a purse of $1000 to be subscribed by forty men, each of whom should contribute $25 for the privilege of witnessing the battle. Notice of the arrangements were given to a select few, and the full number of witnesses gathered in a house uptown last night to witness the fight. Dempsey was the favorite in the betting at $100 to $80. He was known to be in fine condition, having trained for the battle at Newburg, on the Hudson, in company with Dave Campbell of Portland, Ore. By the terms of the match the men were to weigh 150 pounds each, and the winner was to take the entire amount at stake—$6000. Dempsey is twenty-three years old, stands 5 feet 8½ inches tall and weighed 148 pounds. He wore blue trunks. His seconds were Alf Powers and Dave Campbell. Fogarty is twenty-one years old, 5 feet 8 inches tall and weighed 149 pounds. His seconds were Arthur Chambers and Billy Edwards.

IN THE RING.

The men did not enter the ring until an early hour this morning. Fogarty was the first to enter the magic circle and Dempsey followed soon after, and in a moment they had shaken hands and began fighting.

In the first round Dempsey fought very cautiously, hitting in the stomach, while Fogarty countered on the chin.

During the second round Dempsey planted a terrific left-hander on Fogarty's nose, making the blood spurt.

In the third round Dempsey almost closed Fogarty's left eye. Fogarty fought gamely, but hit short, while Dempsey made every blow tell and leave a mark.

In the fourth round Dempsey almost knocked his antagonist down with a blow in the stomach.

Fogarty then began to show weakness, but rallied in fine style after a round or two, when every one thought he was beaten.

In the eleventh round Fogarty was knocked down by a blow on the jaw, but he got up and fought again, although covered with blood.

In the sixteenth round Fogarty twisted Dempsey upon his back, but did little harm, and in the next round Dempsey broke Fogarty's nose with a left-hander.

Fogarty kept growing weaker, but came up for twenty-seven rounds, and even when Dempsey sent him to the floor nearly insensible, he got up on his feet and tried to fight, but his seconds threw up the sponge and Dempsey was given the battle.

The time was 1 hour and 47 minutes. Kid gloves were used.

**A Mystery.**

How the human system ever recovers from the bad effects of the nauseous medicines often literally poured into it for the supposititive relief of dyspepsia, liver complaint, constipation, rheumatism and other ailments, is a mystery. The mischief done by bad medicines is scarcely less than that caused by disease. If they who are weak, bilious, dyspeptic, constipated or rheumatic, would oftener be guided by the experience of invalids who have thoroughly tested Hostetter's Stomach Bitters, they would in every instance obtain the speediest aid derivable from rational medication. This medicine is a searching and at the same time a thoroughly safe remedy, derived from vegetable sources, and possessing, in consequence of its basis of pure spirits, properties as a medicinal stimulant not to be found in the fiery local bitters and stimulants often resorted to by the debilitated, dyspeptic and languid.

**Fish Ponds Frozen to the Bottom in Texas.**

GALVESTON, TEX., February 3.—A special to the *News* from Austin says the largest carp-breeding ponds leased by the State were frozen to the bottom during the recent cold spell, and 30,000 young carp were frozen to death. The State will probably abandon the breeding of fish.

**AYER'S** Hair Vigor has given me perfect satisfaction. I was nearly bald for six years, during which time I used many hair preparations, but without success. Chapel, Peabody, Mass.

**HAIR** that has become weak, gray, and faded, may have new life and color restored to it by the use of Ayer's Hair Vigor. "My hair was thin, faded, and dry, and fell out in large quantities. Ayer's Hair Vigor stopped the falling, and restored my hair to its original color. As a dressing for the hair, this preparation has no equal.—Mary N. Hammond, Stillwater, Minn.

**VIGOR,** youth, and beauty, in the appearance of the hair, may be preserved for an indefinite period by the use of Ayer's Hair Vigor. "A disease of the scalp caused my hair to become harsh and dry, and to fall out freely. Nothing I tried seemed to do any good until I commenced using Ayer's Hair Vigor. Three bottles of this preparation restored my hair to a healthy condition, and it is now soft and pliant. My scalp is cured, and it is also free from dandruff.—Mrs. E. R. Foss, Milwaukee, Wis.

# A Question

Often asked, but seldom answered satisfactorily: "Is there a remedy known to the medical profession that will allay the sufferings peculiar to women who are subject to *Dysmenorrhea* and its attendant discomforts?"

**Ladies** If you have not tried it, do so AT ONCE. There is relief for you; it has been found in **Tongaline**

*Read what an eminent physician has to say upon the subject:*

"I have derived particularly gratifying results from the use of Tongaline in cases of Dysmenorrhea. In the case of a lady of rheumatic condition, and a chronic sufferer from this disease, who had been driven almost to the verge of insanity by her monthly sufferings, its action has been most satisfactory. It relieved her promptly, and she now passes the once dreaded periods with but little discomfort. I could mention other instances of a similar character, but this is a remarkable case." T. F.
