New York, April 21.—Money on call easy at 1@3 per cent. Prime mercantile paper, 4@5. Sterling exchange dull but steady at 486¾ for 60 days and 488½ for demand.

Bonds—Government bonds were quiet but firm, except the currency 6s, which were heavy. State bonds were dull and steady. There was a fair business in railroad bonds, but the trading was generally of a retail character. Louisville, New Albany and Chicago firsts rose from 105 to 112 on moderate trading; Louisville and Nashville, St. Louis division, seconds are down 5, at 51, and Wabash and Chicago division 5s, 2½, at 87, and Wabash firsts, extended, 2, at 113.

Stocks—There was a better business in stocks, although the trading is still very dull. There was a strong opening, and during the afternoon the general list showed some feverishness, moving up and down within a range of fractions, while Pacific Mail developed decided weakness. After opening at 55 it broke to 53¾ on a semi-official statement that no dividend would be declared. This statement was later confirmed, and the directors decided to pass the dividend for the coming quarter owing to the fight existing between the company and the Pacific roads regarding freight rates. After midday the stock rallied to 53¾ and closed at 53½, a loss of ½ per cent. It is the only live stock that shows a decline. After midday the active list was lively, and closed generally a shade below the best figures of the day. Union Pacific made a net gain of ½ and Chicago, Burlington and Quincy 1. Among the low-priced fancies, Louisville, New Albany and Chicago advanced 3¼ to 36¾. The news of the day was unimportant.

The total sales of stocks to-day were 243,000 shares, including Delaware, Lackawanna and Western, 52,570; Delaware and Hudson, 3705; Erie, 8855; Lake Shore, 30,545; Northwestern, 375; New Jersey Central, 5400; New York Central, 3523; Pacific Mail, 19,405; St. Paul, 23,610; St. Paul and Omaha, 7370; Union Pacific, 22,-6?5; Western Union, 5005; Northern Pacific preferred, 7185. The closing quotations were as follows:

Afternoon Board.—Wheat strong and ⅛@¼c higher. Corn ⅛@¼c lower. Oats ⅛c lower.

Chicago, April 21.—The bull temper was on the wheat market again to-day and closing figures in the afternoon were about the highest of the day, showing an advance of nearly 5c from the lowest price current a week ago. The first cables quoted Liverpool wheat a turn dearer, and showed some peculiar conditions—a reduction of 680,000 bushels in imports and an increase of 245,000 quarters, almost 2,-000,000 bushels, in wheat on passage. Altogether the effect was strengthening, and May opened at the open board price, 80⅛c, advanced to 80⅜c, back to 80c, and then quite steadily up to 81¼c. Political news was threatening, though nothing of a definite character was received. The market fell off toward 1 o'clock to 80⅞c, but rallied in the afternoon quite sharply, closing at 81⅛c. Corn and oats both ruled strong and in sympathy, and closed fractionally higher. Flour quiet and unchanged.
