ALUM WATER,

ROCKBRIDGE VIRGINIA SPRINGS

ROCKBRIDGE VIRGINIA SPRINGS.

A Cure for Scrojula, Dyspepsia, Chronic Liver Diseases, all Chronic Diseases of the Stomach and Bovels, all kinds of Cutaneous Diseases and Dropsies.

THE SUBSCRIBER wishes to notify all whom it may concern, that he is still sole agent for the sale of this celebrated water, and he is receiving supplies from time to time, fresh from the Springs. The extensive sale of this Water has induced others who had water of Alum taste, to present it for sale, with the announcement that its great reputation had induced them to put it up in barrels, &c. Now, if it be true that Alum Water has any celebrity, it should be remembered that the Rockbridge Alum is entitled to it, for the reason that it is that Water only which has been used with so much success, the demand for which has long since made it necessary for the proprietor to put it up in barrels and bottles and send it abroad. The practice of presenting one artile of medicine for another which has gained high reputation, is as common as it is unjust; and it is not, therefore, a matter of surprise that others should desire to share with the Rockbridge Water in the reputation so generally known and admitted. This water has been analyzed by Prof. Rogers, and is known to contain a large quantity of lodine, Iron, Alum and Magnesia.

The Waters of the Rockbridge Springs have, for

The Waters of the Rockbridge Springs have, for the last twenty-five or thirty years, attracted much attention, and are rapidly gaining the confidence of the public, as one of the greatest Medicinal Waters we have for the cure of Scrofula, Dyspepsia, Chronic Liver Diseases, and all Chronic Affections of the Liver and Bowels.

Certificates of its remarkable virtues, from persons of the highest respectability, may be seen at the Columbian Hotel, Richmond, Va., where the Water can be procured FRESH, at all seasons of the year.

THE triumphant success of the great Arabian Remedy for man and beast.

H. G. YAMKRIL'S

CELEBRATED ARABIAN LINIMENT,
Is causing counterfelts to spring up all over the country, spreading their baneful influence over the land, robbing the pockets of the bonest and unsuspecting, by imposing upon them worthless and poisonous trash, for the genuine H. G. Farrell's Arabian Liniment. Fellow Citizens! Look well before you buy, and see that the label of the bottle has the letters H. G. before Farrell's, for if it has not, it is countraist. The label around each bottle of all my liniment reads thus, "H. G. Farrell's Celebrated Arabian Liniment;" and my signature is written upon the label also, and these words are blown in the glass bottle, "H. G. Farrell's Arabian Liniment, Peoria."

This truly great medicine still goes on, conquering disease, and snatching many a poor, powerless victim from the grave. By its powerfully stimulating, penetrating and Anodyne qualities, it restores the use of limbs which have been palsed for years; and by its singular power of reproducing the Synovial Fluid or Joint water, it cures all diseases of the Joints withsurprising rapidity. For Rheumstism, and affections of the Spine and Spleen, it has proved itself a spectric; and for affections of the Lungs, Liver and Kidneys, it is a most valuable and powerful auxiliary; also, for all diseases of the Glands, Scrofula, Gottre or Swelled Neck, &c. &c. And indeed for almost any disease where an external application is required, this medicine stands unparalleled.

From the Hon. Peter Minard, one of the Oldest Set-

this medicine stands unparalleled.

From the Hon. Peter Minard, one of the Oldest Settlers in Illinois.

It gives me pleasure to add my testimony to the virtues of your great medicine. One of my blooded horses had a swelling over the cap of the knee, about the size of a hen's egg. Some said it was a strain, and some, that it was the joint water from the knee, and could not be cured. I tried oil cedar on it, and all the liniments and ointments, and they did no more good than water. I then, by persuasion of my friends, tried H. G. Farrell's Arabian Liniment, and I was happy to find it take effect after a few days, and it finally cured the noble animal entirely. I think it is decidedly the greatest liniment for horse as well as human flesh, I ever knew.

liniment for horse as well as human flesh, I ever knew.

[Esq. Barker. of New Canton, Ill, says:]

Mr. H. G. Farrell's Arabian Liniment has cured some bad cases here, which every other remedy had failed in; one was a white swelling and contracted cords in the leg of a boy twelve years old. The leg hau withered away, and was so contracted that he had No USE of it. Three doctors had tried their skill upon it in vain, and hexas fastsinking to the grave, when the boy's father was induced to try H. G. Farrell's Arabian Liniment. Before the first bottle was used up he came into Mr B.'s store, and the first words he said were, "Mr. Barker, I want all that Liniment you have in the store; the one bottle I got did my boy more good than all that had ever been done before." That boy is now well and hearty, and has free use of his legs. It is good for sprains, bruises, cuts, burns and swellings.

hearty, and has free use of his legs. It is good for sprains, bruises, cuts, burns and swellings.

Being fully satisfied that H. G. Farrell's Arabian Liniment is the best medicine in the world, I cheerfully recommend it. I had been afflicted for 16 years with a most severe pain in my breast and shoulders, which was so bad that I could hardly do any work at all, and would often have to lie in bed for two weeks at a time with it. I used your liniment on it, and it cured me sound and well. I had at the time of using your liniment, one of the worst coughs ever I had in my life; and it cured that too. I rubbed it in well over my breast and shoulders. It is also excellent for frost-bitten feet, sores, swellings, sore throat, mange, erysipelas, &c. ISAAC CLAYTON.

Kickapoo, Peoria co., Ill.

To guard against imposition, read the following carefully:

The public are particularly cautioned against a base Counterfeit which has lately made its appearance, and is called by the Imposter who makes it, "W. B. Farrell's Arabian Liniment." This is a dangerous fraud, and more liable to deceive from his bearing the name of Farrell. Therefore be particular never to call for it by the name "Farrell's Liniment," for unprincipled dealers will impose this SPURIOUS Mixture upon you for the genuine, but always ask for H. G. FARRELL'S ARABIAN LINIMENT, and take no other, as the genuine always has the letters H. G. before Farrell's, his signature is also on the outside wrapper, and these words blown in the glass bottle. "H. G. FARRELL'S ARABIAN LINIMENT, PORIA."

Call on the agent, who will furnish free of charge, a Book containing much valuable information for every class of citizens.

Mr. E. Stokes McElroy:—Dear Sir—Hearing you are about offering your valuable Medicine for aale, I deem it my duty to you, as well as to the afflicted, to offer my testimony in its favor, and of the extraordinary cure it made of me. It is known

you are about onering your valuable Medicine for aale, I deem it my duty to you, as well as to the afflicted, to offer my testimony in its favor, and of the extraordinary cure it made of me. It is known by many that I had for a long time a distressing Cough, accompanied by a very acute pain in my side, back and breast, with high fevers and loss of appetite, and when my coughing would come on, I was so much prostrated that I could not stand, and I would raise a very large amount of matter, in pieces almost as large as my finger, having the appearance of my lungs I finally got so weak that I gave up all hopes of ever getting well. About that time I commenced taking your Pecteral Cordial, more to please my friends than from any expectation of obtaining reliet; but strange to say. Six Bottles made an entire curse of me; and I am fully convinced if I had not taken your medicine. I could not have recovered.

You may use this certificate in any way that you choose, and refer persons to me if you think proper, and I will give them any information in regard to my case that they may desire.
