TELEGRAPHIC NEWS. [Reported for the Richmond Dispatch.] THE JAPANESE EMBASSY IN WASHINGTON.

Excitement at the National Capitol-A Visit to Mount Vernen-The Reception at Wash-ington-Military Display, &c.

te Meuni Vilitary Display, &c. Orb Point, May 13.—The reception dinner the Japanese on the steamer Philadelphia, the Japanese on the steamer Philadelphia, the Japanese on the steamer Philadelphia, the Japanese of the Japanese well suit-tivas pronounced by the Japanese well suit-tivas the fort they partook. The Philadelphia left the mooring of the U. S trigate Roanoke at 4 o'clock, and arrived strigate Roanoke at 4 o'clock, and arrived strigate Roanoke at 4 o'clock, and the Marines. The Japanese were received with formal the subassators were escorted around 'he grapels of the fort, their artists sketching and striking up at the same time. The ambassators seem to be delighted with thereines of the fort hastily prepared some recenters leave nothing undone to satisfy their constor were and the noval commis-stoars leave nothing in the programme has gone the subassators, May 14.—La coming up, the

ninoron, May 14.—In coming up, the elphia stopped off Mount Vernon, he hand played a plaintive air, and the rike boat was tolled. The Japanese took sketches of the grounds and manapanese upon being told that they at the end of their journey,

The Japanese upon being told that they see nearly at the end of their journey, see much highly delighted. The interpreter of the Embassy has succeed-din obtaining the rank of each of the mem-ser of that home, and given his information by: Ledyard, who will place if in the bands of the Cabinet. They will probably be re-eared as full ambassadors. (SECOND DISPATCH.) WASHINGTON, May 11.—At an early hour on morning, the Navy Yard was througed with a dense multitude, including many ia-ia, availing a glimpse at the Japanese. The new was becautiful one, the sky being clear and hight, and the streets clean from a recent hery rain. Flags were flying in all direc-

herry rain. Flags were flying in all direc-mes. About 11% o'clock, a cannon from the Yard anonned the steamer Philadelphia in sight; wherepon there was a wild rush to the varf. The Philadelphia approached, the Marne Band on the upper deck playing the 'sur Spangled Banner." There was a pause for about a quarter of an but, when Mayor Barrett went on board, age atroduced to, and welcomed the ambas-adors, extending the hospitality of Washing-tin the name of its citizens. The Japanese showledged their thanks. During this scene, a large number of the Jaanese servants, were on the upper deck,

ness servants were on the upper deck, some of them sketching the scenery. They pleased at the little club boats with Jadaes which were around the steamer ary box was first brought from the then followed the Japanese, under to several naval officers. They s they landed, between American and

COMMERCIAL. Richmond Markets, May 14.

There is very little change in guotations since last Friday. FLOTE is not no stiff, the last foreign news having affected it Blightly. WHEAT is un-changed, but the receipts are very light. Corn is a little firmer. Business is as active as usual at this sension of the year. Money matters are standy and quiet. The banks are still a little costive; but there are no signs of pressure in the commercial oireles.

and quiet. The banks are still a little costive; bat there are no signs of pressure in the commercial orreles.
 Our new banks are litely to go into operation under very encouraging auspices, and will add comsiderably to the capital of the enty. Our manufacturing enterprises are also very promising, and those engaced in them are pushing them forward with great zeal. This spring we have seen our foundries and lorgers most actively employed to the full extent of their capacity, while most of Northern manufacturers have complained of a want of thesis and a lack of orders.
 TOBACCO-The receipts of Tobacco are light for the season, and mostly of inferior Less and Lead. We quote inferior Less at 01.500 at 20; good statement for success the manufacturing stress to Store 20; good and face manufacturing Studenting for Store 20; good and face manufacturing Studenting for success to stress the success of the season, and uncess at 01.500 at 20.00 and the season and a lack to go the stress to stress the stress of the season and the season in the season is and mostly of infersion loss 20.00 and face manufacturing Studes 10.00 at 70.00 at 7
