U. S. ACTION SPELLS DOOM TO GERMANY, SAYS HEAD OF DUMA

(By Review Leased Wire)
PETROGRAD, Feb. 5.—(via London)—The end of the war now is in sight," Michael Vrodzianko, president of the Duma said today to the Associated Press.
"In welcoming America's decisive step," he continued, "I am not only speaking for myself, but expressing the attitude of the allies, whose representatives discussed with me at yesterday's reception by the Duma the rupture of German-American relations. I feel that an American declaration of war on Germany must follow, and in that case the Scandinavian countries and Holland would undoubtedly follow the lead of the United States, resulting in the complete isolation of Germany and her allies from the rest of the world. This undoubtedly would end the war."

"The breaking off of diplomatic relations with Germany by the greatest neutral, whose patience has been severely tried, will have a most depressing effect on the central powers. Not over-estimating America's military strength, but with her fleet and the available merchant tonnage she can be of invaluable assistance to the allies, while Germany will be cut off from further supplies, to the point of complete exhaustion.
"Frankly, we, as a nation, did not approve of President Wilson's first message. It was too capable of being interpreted as intervention more favorable to Germany than to ourselves. But this last measure of the United States government sounds the knell of German ambitions. History will justly appraise President Wilson's stand."

GOLD WAVE NIPS FRUITS OF FLORIDA

Vegetation in Louisiana Also Is Reported Damaged Very Greatly.

(By Review Leased Wire)
ATLANTA, Ga., Feb. 5.—A cold wave during the past 48 hours has made heavy inroads on the winter fruit and vegetable crop in the southern producing belt.
The citrus fields as far as middle Florida were severely damaged, according to reports received here, and the year's production of Irish potatoes and tomatoes virtually wiped out in all the state except the southern tip. Vegetation in Louisiana also suffered heavily.
One message from a Florida grower received tonight by an Atlanta commission house said that in seventeen years no such crop damage had been wrought in the Florida fields. It declared all vegetation to well south in the peninsula had been frozen. Other reports, however, indicated that much of the state's cabbage, celery and lettuce crops may be saved.
The temperature touched 43 at Tampa early today and 26 at Jacksonville. Elsewhere throughout the south unusual readings were reported. One negro was frozen to death at Chattanooga, and one at Chester, S. C. In many cities the poor suffered greatly from the unaccustomed cold. At Augusta, Ga., the damage to plumbing from frozen steam pipes was estimated at \$50,000. At Roanoke, Va., the public schools were suspended because of the cold. The thermometer dropped to one degree below zero.

This feature is a story of modern society and includes some exceptional scenes, aided by a cast of actors surpassed by none in the country. On the whole this offering is one of the best yet booked by the Royal.

BOOZE SHIPPED AS LUBRICATING OIL, IS CHARGE AGAINST 3

Naco Customs Brokers Are Taken into Custody by Deputy United States Marshal McDonald.

Three Naco customs brokers were arrested Saturday by Deputy United States Marshal James McDonald on charges of having conspired to violate Section 240, of the revised statutes of the United States, a measure that prohibits the shipment of liquor improperly labeled. The three brokers, Bonorand Brothers and A. G. Cass, were arraigned before Judge Taylor, United States commissioner here, and released on \$500 bond each. Their preliminary hearing will be held Friday.
McDonald charges that the men handled liquor shipments, labeled "lubricating oil," consigned by El Paso dealers to Cananea residents. Several other arrests for similar offenses were made about a week ago at Naco. The rigid anti-liquor laws laid down in Sonora by Gen. P. E. Calles have caused much "hardship" among many of the Mexicans who like their little booze once in a while and many methods are being resorted to in attempts to get booze past the watchful Mexican customs guards at the border ports.

"THE COSSACK WHIP" IS FEATURE AT EAGLE

Viola Dana, dainty little star of Edison's five-part feature "The Cossack Whip," scheduled for screening at the Eagle theatre today, was celebrated as a dancing soubrette before the Edison management persuaded her to desert the footlights for the camera. This training stands her in good stead in this latest film success, as the leading role demanded an actress of emotional power who could dance the most difficult Russian figures. In "The Cossack Whip" Miss Dana plays the part of a peasant girl who becomes the favorite dancer of the famous "Ballet Russe," the czar's troupe of imperial entertainers. Life behind the scenes in the great theatres of London, Paris and Petrograd is vividly portrayed, as well as the less brilliant but equally dramatic life in the peasant cottages and Cossack camps.
The photodrama was staged from James Oppenheimer's gripping story of Russian revolution and is described as building up through mighty scenes to a climax of unusual power. No expense was spared in staging the production, which is said to measure up to the standard set by the most popular features of the Kleine-Edison-Selig-Essanay Service.

3 AMERICANS SHOT NEAR NACAZARI BY MYSTERIOUS MEXICAN

Bert Whitehead, manager of the branch store of the Moezuma Copper company at Nacozari, and A. S. Kier, timekeeper for the company there, were shot Saturday afternoon in the store by a Mexican who is said to have been drunk or actuated by an insane desire to "get a gringo."

According to reports received in Douglas yesterday afternoon Whitehead was sitting at his desk in the store when the Mexican shot him. As Kier ran out to get medical aid, the Mexican shot him also through the leg, but the wound is not believed to be serious.
N. D. Wadsworth, Nacozari agent for the International Commission company, is reported to have been shot Friday afternoon, presumably by the same Mexican. Details of the affair available yesterday were meagre. Considerable excitement is said to have been caused in Douglas and Cananea by the shooting. The Mexican gun-wielder is reported to be under arrest at Nacozari and is believed to be insane.
