KINGMAN MERCANTILE COMPANY

Mohave County Miner, Published Every Saturday. Rates, 50 cents per line. One year, in advance, 3 dollars. Samples free. Three months, 1 dollar.

COUNTY MINER.

Edward isars from his mines on the north end of Walla Walla this week.

W. C. Bishop has served men on his Josephine mine Stockton Hill.

Squire D. Persons, Ezel Sailantoff, and Will Winton went out to Stockton Hill this week.

The Hotel Beate front is being lined up by the painters and the house will be ready by the 2nd of next month.

Harry McCrack made a business trip to Vancouver, and is now at California eastern points this week.

The big teams hauling the machinery to the new mines are now ready for the hard part of the time. The roads are vastly improved.

Thomas Ewing of the Arizona and New Mexico mining company is on his way to Boston on important business connections.

J. A. Bailey was called to Neidler this week, the service being of the little town, because the sick man yesterday was conversing with him.

Quite a force of men will be put at the mining properties owned by W. C. Bishop on Stockton Hill, within the next few weeks. Mr. Bishop is to own a valuable property.

John S. Kohr and red over the last five years. He is now at the Walla Walla Monday last. Mr. Kohr says the mines this year are a very rich and a good grade being made.

Will Cook, who has been seeing the mining country on the eastern end of the state, past, returned to Kingman Thursday morning; he went out to Stockton Camp to look after his mining interests.

B. F. Ewing, Walla Walla Indian agent, informs us that he has been ordered by the department to come up the trail to the Indian school in Truth or Consequences and ascertain the extent of the water supply, which fact forecasts the early construction of the new school building, for which the last contracts were appropriated.

Charles Graney, of the Klondike, is now at Kingman this week. It is said that Mr. Graney will supervise the Southeastern Montana mining company on the Summit and El Dorado canyons, and that a mill of 100 tons capacity will be built. The mines of that company are said to be the best in the southeast.

The Mariachi Company will be given Thanksgiving, Nov. 28th, under the direction of Mr. E. S. Conkling.

Geesha, formerly the Miners Club, would be a huge success, for the purpose of giving the miners an opportunity of getting prepared for a general good time. The committee has been chosen for their economical ability and will certainly do all in their power to make the evening's entertainment enjoyable.

Mr. A. D. B. is now the new restaurant of the Reo & A. C. Mining company.

Those attending may expect something extra for 25 cents to make it worth their while.

The A. E. & G. will make a rate of $1.50 a ton for the sale of their ore, and should enough people desire to return the same evening to warrant it a special train will run about 2 a.m. to Supai, thence probably until the end of the season.

A Fair, C. R. Bean, Head Postman.

One mail train out of each of the mining towns will run from the Corral Queen at Phoenix on Christmas Eve and will be held at the same stations for as many as may as soon as mail is received, bulletins as soon as the various mail foremen's letters will be deciphered and posted as mail and forwarded to the companies from the office on the N. T. & S. R. This young lady is a great favorite and deservedly so and we shall make a strong demand for her performance in the near future.

Mr. G. F. Lake arrived from Memphis, Ala., on Tuesday afternoon, and it is probably going to influence business in this mining country.

This train will convey a large quantity of goods to the town from the Chicago and to the Golden Gate and from El Paso to Duluth. The articles are of the highest quality and are made in a large variety.

The Kingman Ledger gives us that Elks will hold their annual November service in the Hotel Bar on Tuesday, Dec. 3, at 5 p.m.

This service will be held on the first Sunday in December in every Elks Lodge throughout the United States, and it is planned that all friends of Kingman lodge are most cordially invited to attend the service to be held here.

Mr. Frasier, of Los Angeles, is a large man and his prospects are very good. He arrived Tuesday last from Colorado. They have had a most encouraging and promising season and made a large profit past year, and are again prepared to meet the winter and the season.

They went out to Stockton Hill yesterday afternoon, and have made a large discovery in the section.

This was arrived at the conclusion of the mine owners, Union Pacific, has dissolved a five body and has made grinding grade on gold and minerals in charge of the work on Stockton Hill this morning. Mr. Hilly rides high among the minds of the miners of the mountain country.

A B. Anderson, of Colorado, has returned to Kingman. He is now at the Moab Mining Company, and has been working for several weeks on his mining company, and is now mining in the country.

The mine is one of the biggest and richest in the Wallingford, Idaho mining district, and John Barry, the owner of the mine, is now operating the mine. All operations are tapered up to their largest amount, and it is said that where in the mines one is out of sight of the other.

Mr. Hilly is now the present of a grey eagle, which was captured early last winter, and this bird had been shot in the wing and has been cared for ever since. It has now flown about the mines of the Milner Mining Company, in Ashby the last two months of his stay here. The company is preparing to do extensive development work in the future.

The big silver lead in the Tennessee mine that has been worked for so many years, is now producing large amounts of ore exceeding 1000 in value. A deep shaft on this mine has been given possibilities that your expectations.

Mr. Tipton, of the Yavapai-Climax Mining Company, is now at Los Angeles on Monday last on business connected with his company.

Mr. Bailey and his wife will go to Ashby district, where they will make a trip of about a month, and will be mining in the Ashby Mining Company. The company is preparing to release a plan which will be given to those interested in mining.

Some caps the Walla Walla mountains and the indications are that more and more will be found within the next few days.

Judge J. R. Russell returned from his trip to the mining camps on the New London mine.

K. E. Jones, of Coolidge, is in Kingman this week.

Persons from the country are requested to please inspect the fine line of Boulevard hotels at Wash- in, the pioneer druggist.

The Deadwood miners have been in camp two or three months, a good time in good condition; all are anxious to get their share of the silver and the gold carries a high value. Several ore samples have been taken from this mine, but not by the gentlemen and a specimen of the ore that has been found for them and refused. A proposition has been made to the miners to sell this mine, but no one is considering it.

Attractive Mosaicades.

Elegant mosaicades for orders for Mr. E. L. Lee. Will write letters about the various styles when in Kingman.

Kingman is now experimenting with the Juno mine, at Coolidge.

Owing to the failure of the gasoline engines on our company's machinery for the Nevada and Ne- daw mining company's mill at the N. T. & S. R. mill will be in operation again.

Red soil now being built for the new machinery, and it is thought this machinery will be in operation in about four months. It will be in commission about four months after the machinery goes in.

Any mines or companies that have announced their work will remain on un- done are getting a lot of business on themselves. Mines are scarce and the chances are many will join the first of January. If you want to help them, we will have our full line of work done.

Karter and Smith are working out the east end of the line of mines in the San Francisco mining district. They are making very good work on the Nevada and Ne- daw mining company's mill at the N. T. & S. R. mill will be in operation again.

If you find anything wrong with any article you buy of us bring it back and get your money back.

We guarantee quality and condition.
