Why Old Flats and Houses Don't Rent.
Real estate men and owners should
not overlook the fact that the Lake
View Gas Fixture Company, 233 Lin-
coln avenue, Telephone North 768, re-
finish old chandeliers, making them
equal to new at very small cost. In
many cases after expending money for
calcimining or papering, the chandeliers
are left in the same dirty, fly-specked
condition as before, and are not in
keeping with the new decorations,
thereby spoiling that which has been
done, when at a very small cost the
chandeliers, brackets, etc., can be re-
finished equal to new. We refinish in
all the latest colors, such as polished
brass, gilt, rich gilt, old copper, pol-
ished copper, oxidized copper, silver and
gold.

We are also makers of a fine line of
gas fixtures at prices to suit the times.
Call up North 768. Our agent will
call and estimate.
